III. Discussion Items / Updates

A. EdTec financial update

EdTec lead Dorothy Lee of EdTec presented the financial update:

The ECHS operating income slide was shown. ECHS ADA month 1 and month 2 numbers were reviewed, noting a small drop in ADA %.

ECHS CapEx impact was examined. The operating loss showing when factoring in depreciation was determined to be mostly due to timing on a large furniture purchase.

ECMS-G forecasted ADA will likely need to be slightly adjusted down due to lower student enrollment numbers than expected.

ECMS-G expenses were reviewed. In benefits, five vendors were included in the bidding process for the 19/20 school year, which led to lower insurance costs to ECS.

ECMS-I ADA was better than forecasted. CapEx was high so operating income with depreciation was lower than forecasted.

Committee member Ken Deemer asked about the high level of reserves at ECHS and what possible ways there can be to use some of these funds to improve student outcomes. One potential opportunity discussed is to construct a new classroom building at the ECHS site, which has been a plan in consideration for years.

Committee member Bruce Greenspon asked why ECHS 2's financials aren't shown in the cash balances. This was due to a variety of factors. The implications of adding the cash balance information to these financials will be explored by ECS staff.

B. Fundraising YTD update

Director of Growth and Sustainability Alison Diaz presented the Fundraising YTD update:
