CURIOSITY - We question. We explore. We innovate.

Almost \$3M left to raise to meet two-year fundraising goal. A new ECS school, ECHS-Gardena will open in August 2021, and to assist in this effort, there will be the launch of the Capital Campaign to fund this new school, along with the formation of a Growth & Sustainability Committee. The ECS staff concluded with a request to the board to identify supporters and potential members for this committee as well as consider joining the committee themselves.

Board member Zena Fong made a suggestion on enhancing the Capital Campaign presentation slides by adding more before and after photos, with information on how the green buildings and features were implemented over the years, highlighting the environmental approaches that were taken. Also, students thriving and enjoying the natural environment at ECHS.

Board Vice President Ken Deemer suggested including more info on college acceptance and admission rates in the Capital Campaign presentation slides.

Board member Kennedy Hilario recommended that ECS showcase students giving classes to the community and other students, including visuals of the impressive environmental features at ECHS.

B. EdTec financial review

EdTec consultant Dorothy Lee presented the financial update slides:

ECHS-L: operating income forecast up \$34k due to savings in certificated salaries, E-Rate discount for internet costs, partially offset by smaller increases in prior year expenses recognized, CMO classified salaries and computer expenses. CapEx project is spread out over many years.

ECMS-G: operating income forecast decreased by \$13k due to increases in insurance costs (across all ECS schools), benefit expenses (mainly learning loss mitigation funding), CMO classified staff expenses, and a small increase in prior year expenses recognized, offset by a smaller amount of savings in tech services and internet.

ECMS-I: operating income forecast decreased by \$35k due to increases in benefit expenses (mainly learning loss mitigation funding) and CMO classified staff expenses, offset by a smaller amount of savings in tech services.

For ECS's new school, ECHS-Gardena opening in August 2021, a letter of intent has been received earlier in the month and is planned to be signed in December 2020.
