Unexpected higher federal and state revenues due to new funding programs, along with lower expenses due to operating distance learning rather than in-person learning for most of fiscal year 20/21 led to higher fund balances than regular at each ECS school.

The committee resolved to discuss at their next meeting the value propositions in expending a portion of these higher than normal fund balances in areas such as facilities, additional counselor services, and other areas to support the school community.

Educator Effectiveness and A-G Completion grants are coming available, both would need to be presented at a public hearing and adopted by the board in the next several months.
