Mission:

Reimagine public education in low-income communities of color to prepare conscious, critical thinkers who are equipped to graduate from college and create a more equitable and sustainable world.

Values:

JUSTICE - We examine bias, racism, and prejudice. We deliver culturally-responsive curricula. We succeed when students' race and class cease to predict their level of achievement.

COMMUNITY - We care. We collaborate. We respect the rights and voices of our stakeholders.

CURIOSITY - We question. We explore. We innovate.

SUSTAINABILITY - We think globally and act locally. We adapt. We encourage systems thinking to create a sustainable future.

LEADERSHIP - We listen. We think critically. We advocate. We shift public discourse. We are our own superheroes.
