Albert Dent Building Description

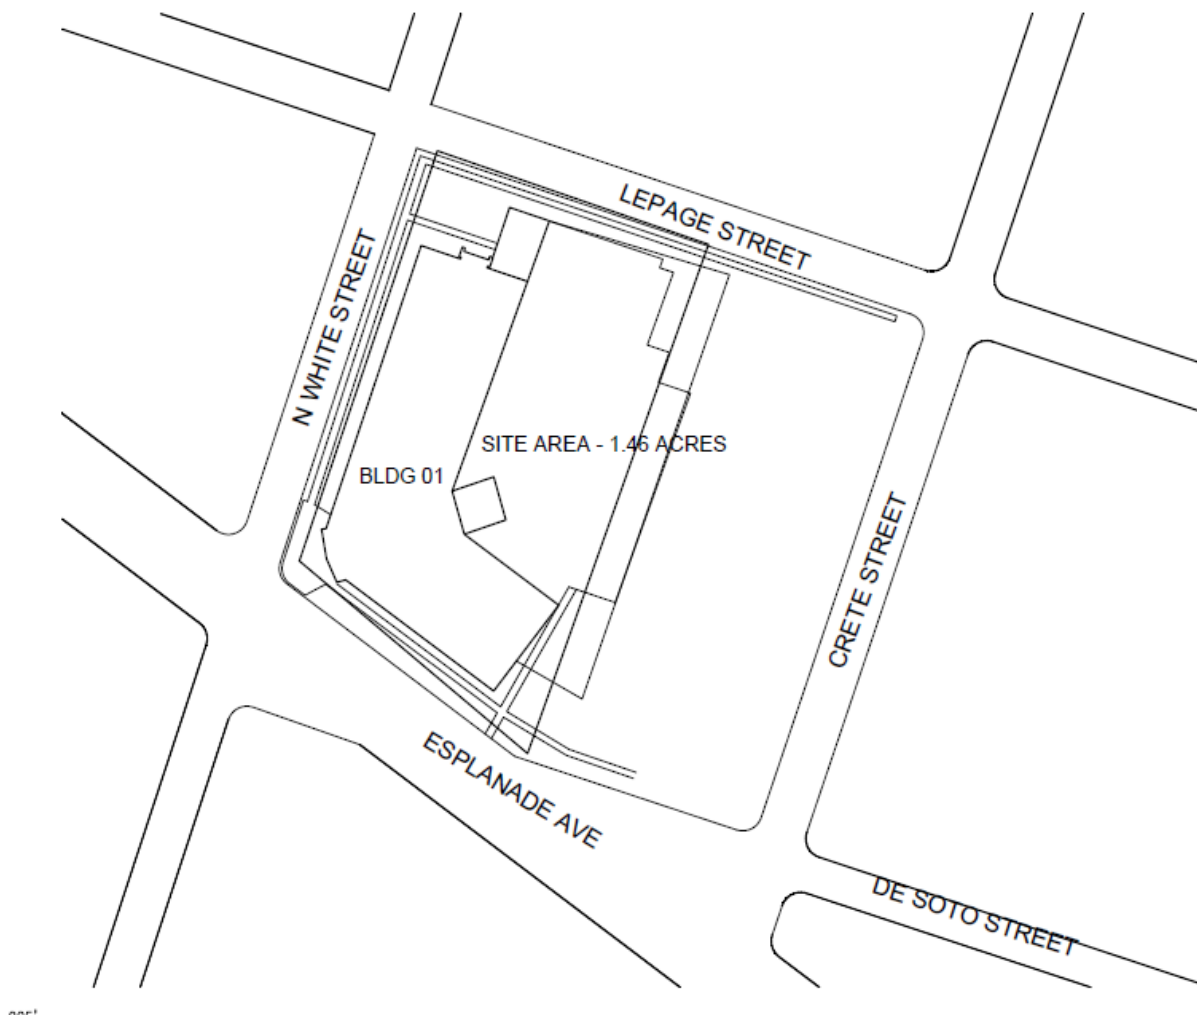

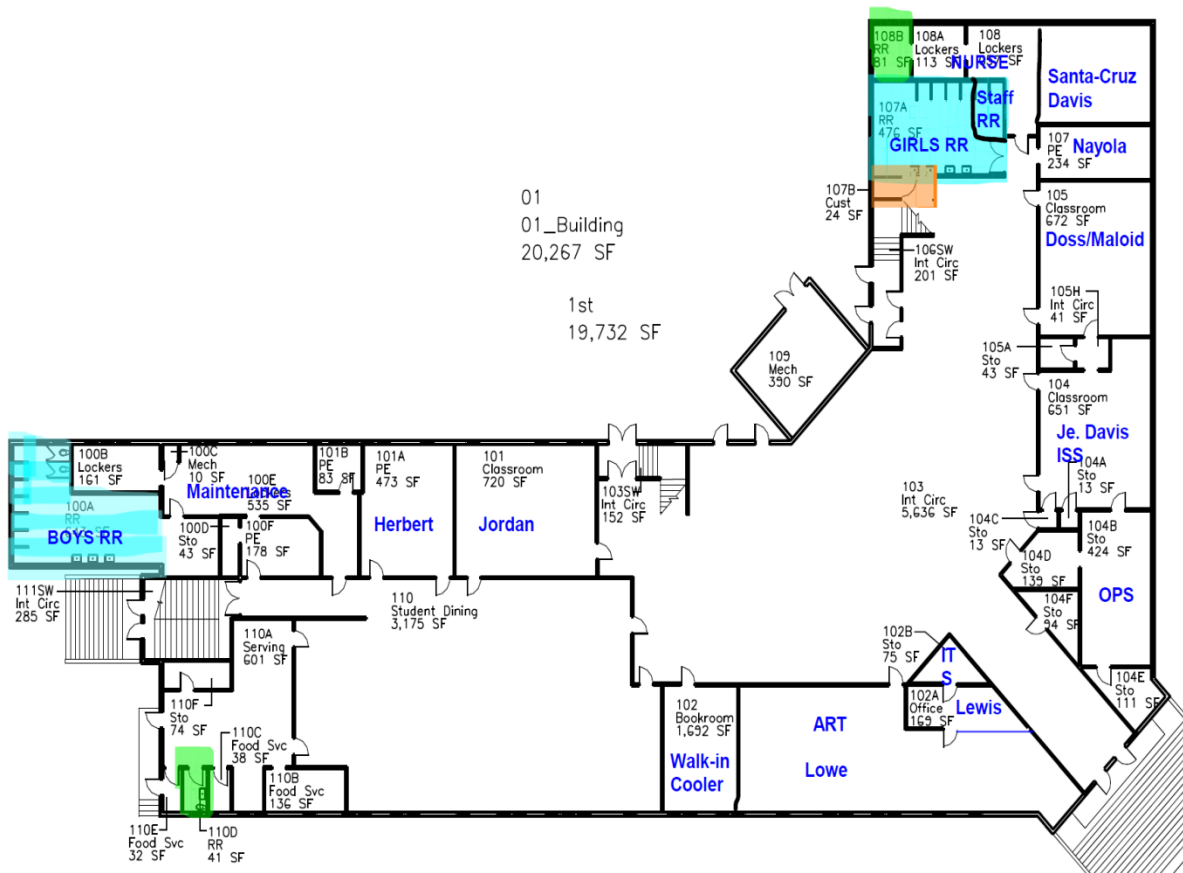

The Albert W. Dent building is located at 2733 Esplanade Avenue and is currently vacant. It was refurbished in 2016 and its 57,000 square feet can hold between 377 - 484 students. It is a 3-story school building located in the Esplanade Ridge, a Designated Historic District in New Orleans, home to the Faubourg St. John neighborhood, and referred to as the Creole Garden District. The Esplanade Ridge is a 300-year-old neighborhood with its oak-lined sidewalks, park-like neutral grounds in the center, and residential architecture of the 19th Century Creole upper class. The building is close to City Park and Bayou St. John and the near-by Fairgrounds. Both the Fairgrounds and New Orleans Museum of Art are within walking distance. Esplanade Avenue, the European-style boulevard connects the Vieux Carre to Bayou St. John.
