Meetings with LAPCS and EnrollNOLA to better position IHSNO for the 2020-2021 enrollment cycle. Enrollment application will be updated to reflect IHSNO's learning environment, and will include acknowledgement by parents that they understand requirements of IHSNO curriculum, and that IHSNO is a Type 2 Charter School.

LAPCS supports mission-driven Type 2 schools in their pursuit of distinctions for enrollment, recognizing that they are not OPSB schools. Potentially Type 2 charter schools may have a separate landing page on the EnrollNOLA platform.

MR: Do we think our families know and appreciate that distinction?

SW: Probably not. Parents sometimes call OPSB with questions or complaints. This distinction on the enrollment application should help parents understand this difference.

SC: PTO turnout and participation? Interested parent board representative?

AB: Six parents in attendance. No nominations for officer positions yet. Students and parents engaged in active dialogue. Challenged parents to bring additional parent with them next time. Some parents emailed to find out what they missed.

AW: Over 30 parents signed-up to be on PTO e-mail list.

KK: And a parent will be encouraged to join the board?

AB: Yes

BE NOLA Collective School Quality Review (in-kind grant) will include:

- Beginning of year overview
- Instructional Coaching
- Midyear Review
- Final Review

Four visitors Monday who visited classrooms and conducted five focus groups to initiate SQR. Posed question: What is rigor/what does it look like in the classroom at IHSNO? Suggested development of common language around rigor and assurance of bell to bell teaching. Team noted that everyone wants to be here, staff is engaged, students feel safe at the school, and students like the ability to participate in multiple programs through dual-enrollment options.

Louisiana Department of Education Representative, Paige Jackson, making introductory visit to IHSNO next week. Louisiana State Board of Elementary and Secondary Education (BESE) is the administrative body for all Louisiana public elementary and secondary schools. BESE adopts regulations and enacts policies governing the operations of the schools under its jurisdiction, and exercises budgetary oversight of their educational programs and services.

Decrease in security personnel from three to two for 2019-2020 school year, with addition of one Culture Team member.

S. Thomas arrived.
