II. Educational Success

A. BENCHMARK 1: Student Performance

B. BENCHMARK 2: Teaching and Learning

M. Melkonian & N. Gallagher

- Bilingual Stipend - Considered idea due to being a bilingual school. Many public schools offer this. Preliminary conversation with Board of Trustees then the Finance Committee will meet. The Finance Committee will then present to the Board of Trustees.
 - BOT member wanted more detailed information on the Bilingual Stipend.
 - Classes are taught in both languages. Need to attract more bilingual teachers. Very important for Administrative Staff to be bilingual. Many are for certified teachers. Instructional and Administrative Staff. Very important for academic model and community we served.
 - Leadership - SY23-24 Offer letters have been a challenge. Teachers ask the value at our school. ADS can show we value our teachers this way. Offer letters are pretty generous but it does not seem like enough.
Helpful tool (years of exp, certification status) Looking for more tools to add to our toolbox. Fluency in Spanish (talking point).
 - BOT member - We have been diligent in listening to the staff. Current climate is that individuals are asking for more. We are a dual language school so this has to be already part of what we do because of who we serve. Looked at as an add-on and rewarding will have to start at the hiring level and those already hired with this skill.
 - BOT Member- What is their certification. Concern is that if we begin this, then the staff will ask to be compensated for each teaching certification which they have.
 - Leadership- Teachers are asking with the certifications they hold if they can get compensated for all their degrees. Unsure what else to do to compensate staff.

- BOT Member - This is a current trend around the US with a teacher shortage. We can research different areas are paying their teachers (Upstate, LI, etc). The teachers need concrete evidence and that this is the reality no matter where we go.
- Leadership - We can make a strong case if this is part of our mission to support spanish language. Biliterate and seal of biliteracy then it would make sense to compensate people for this school.
- BOT Member - The expectation is to be fully bilingual in spanish and english. We have to think about the impact which then directs teachers back to the mission and commitment. ADS Leaders advocate for their staff. Must ensure that it is sustainable. We must look at the bigger picture.
- BOT Member - What's the motivation? It's tied to money? Are they not being compensated enough? Do they feel like they should be provided more money for their tasks. Is there something else going on that they feel overwhelmed? What is the true investment in the school?
- Leadership - It is all of this. One teacher required their next salary increase was 6% from last year to this year. Inflation rate is 6% in NYC. Meeting inflation rate and not providing a raise. You're not valuing that I'm fully bilingual. I make the same amount as my counterpart which is not bilingual.

- Offer letters were provided between late April and early May. Most have signed their contracts to return. Some declined the offer.

C. BENCHMARK 3: Culture, Climate, and Student and Family Engagement

- New family orientations were conducted at both campuses. It was smooth and well attended.
