Ilya Soroka presented the part of the front field sale the school released Star Center Properties and Upward from obligations on the back fields. The intended use has always been townhomes. Due to steep elevations the best access to the back fields require the school to give up some land at the developers cost. The site-plan and proposed improvements and plat changes are attached. The school benefits by keeping traffic on Tyger Lake Dr.

The Board approved a motion for Star Center Properties to pursue documentation and plat for the improvements shown in the site plan, which include deeding land to Star Center Properties as part of the road improvements. The following conditions and restriction are conditions:

- Improvements must be paid for by others
- Construction can not disrupt school operations, arrival and dismissal
- A deed restriction that prohibits Star Center Properties or assignees from selling land for the use as a Charter School or Daycare without written consent of GASC Board.

The board **VOTED** unanimously to approve the motion.

V. Sulakov made a motion to approve the GASC Operations Support & Services Agreement.

R. Lyubar seconded the motion.

Ilya Soroka presented The GASC Draft Operations Support and Service Agreement adds services such Academic Compliance with Cognia, Operations, Marketing, and Outreach Services for your review, consideration, and comments. Margaret opted to keep this a separate agreement given that the existing one was specifically referenced during the bond process. The Agreement includes a provision in Paragraph 10 that payment of any fees will at all times comply with the bond requirements.

One difference in the two agreements is this one has a 90 day notice termination provision, and the other has a 180 day notice termination provision. The Exhibit A detailing the services needs to also be flushed out and finalized.

The board **VOTED** unanimously to approve the motion.
