The school's cash outlook shifted by \$100k this month to align with updated state data.

This adjustment primarily reflects a reconciliation of the State FRL count, which is currently 322 (compared to the previous estimate of 352), as PK students are excluded from the Basic Formula weighted calculation.

Turning to the monthly financials, Mrs. Butler presented Page 13's Balance Sheet, showing a current Cash Balance of \$2m, and a projected year-end balance of \$2m.

She presented Page 11's Income Statement, highlighting:

- Year-to-date revenue of \$5.7m, against a budget of \$5.4m.
- Year-to-date expenses of \$5.6m, against a budget of \$5.65m.
- Net Income of \$117k, against a budget of (-\$230k).
- Forecasted year-end revenue of \$8.73m, against a budget of \$8.58m.
- Forecasted year-end expenses of \$8.76m, against a budget of \$8.49m.
- Forecasted year-end Net Income of (-\$33k) against a budget of \$92k.

- A projected 72 days of cash on hand position, decreasing by 4 days from last month.

Lastly, Mrs. Butler stated that the Finance Committee did not note anything as out of order on the Check Register or Accounts Payable.

She requested that any additional Board members wishing to attend notify her promptly, as registration is closing. Mrs. Herman noted that she would be sending additional information.

B. 2026-2027 Enrollment Update

Mrs. Lineberry reported that guaranteed re-enrollment completed on February 28th and school staff continues to process those students as available (there are currently still seats in most every grade).

Offers from the New Student Lottery were sent on March 9th, and the initial response has been strong.

Mrs. Lineberry gave an grade-by-grade overview of student re-enrollment status and highlighted strengths in rising 2nd and rising 6th.

She also noted:

- Almost all the current Operation Breakthrough elementary students are staying at Operation Breakthrough, with the exception of 4 coming to Broadway so far.
- 5 Broadway students are switching to Operation Breakthrough to be with siblings who have been attending there.
- About 50% of pending still-need-to-reenroll-students are current Operation Breakthrough and expected to stay there.

Overall, the transition of Operation Breakthrough Elementary away from Citizens will result in a lower-than-usual retention rate.

Looking to new students, the school has sent 138 offers on March 9th and another 18 since. 53% have accepted to date, with another 47 still pending. The school is currently supporting a waitlist in PK3 and PK4 and is also almost full in 1st grade.
