VI. Board Committee Business & Report: Executive

A. Reminder to Complete Missouri Ethics Commission Filing

Dr. Miles reminded all Board members to complete their annual Missouri Ethics Commission filing, with an pending deadline of May 1st.

B. Presentation of Ms. Stephanie Moore, Board Candidate

Mrs. DeWilde introduced Ms. Stephanie Moore, a prospective Board candidate from the BlaqueKC Charter Board Draft. Mrs. DeWilde serves with Ms. Moore in the Centurions program, affirmed her strong marketing background, and believes she'll be a fantastic addition to the Board.

Dr. Miles read Ms. Moore's bio and shared excitement for her to join the Board next month.

C. Review & Consideration of 2026-2027 Academic Calendar

Dr. Miles presented the proposed 2026-2027 Academic Calendar.

She confirmed that the calendar features the same number of instructional days and is very close to the same instructional hours. The Calendar exceeds both of DESE's thresholds: minimum instructional hours for no required make-up days, as well as the incentive threshold for instructional days.

She also highlighted a few changes to the proposed calendars, primarily focusing on a shift away from "Early Release Wednesdays" toward "Half Day Fridays." Dr. Miles reminded the Board that a few years ago, the school trialed "Early Release Wednesdays" to try to give teachers more time for plan and coordination. She reported that it has been "semi-successful/productive," but not as much as hoped for. The main barrier is parent pick-up, resulting in a significant number of students still on campus in the afternoon, and therefore a significant number of staff needing to provide supervision, rather than utilizing

the plan/coordination time. Therefore, this proposed calendar shifts back to one Professional Development day per month, along with approximately one Half Day Fridays per month (there are six total of these days proposed). The instructional hours almost completely offset. Operation Breakthrough can provide offsite student supervision if needed, otherwise all students should be picked up at 12p on these Fridays, which results in protected time for planning. This will also reduce the number of substitutes needed (for planning day coverages).

Dr. Miles asked for feedback.

Mrs. DeWilde asked if she anticipated a difference with student pickup on Fridays? Dr. Miles replied that it is a risk; historically, the school's half days have resulted in all students picked up by 12:30.

Mrs. DeWilde asked if she anticipated any effect on student attendance? Dr. Miles said that usually the biggest group of students that are not picked up are Operation Breakthrough students; Operation Breakthrough has agreed to pick them up.

Dr. Miles also noted that KCPS just released their final calendar, so in order to align, Spring Break needs to move to the week of March 22nd, but with an additional non-Instructional Day on March 17th. She also noted to remove the Half Day on August 22nd.

Mrs. Bond asked if all major breaks are in alignment with collaborating schools? Dr. Miles affirmed that they are.

B. Finocchario made a motion to approve the 2026-27 Academic Calendar as modified.

S. Bond seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. Update on Charter Renewal Process with KCPS

Dr. Miles confirmed she submitted the Charter Renewal Application to KCPS. The narrative illustrates and operationalizes the vision she has developed and presented over the past 18 months.

She affirmed that she is on standby to attend the State Board of Education's May meeting, if needed.

She is also working with legal counsel to update the organization's Articles of Incorporation to ensure those reflect the school's new name.

E. Update on MOU for Educational Services

Dr. Miles reported that the MOU for Educational Services has been approved and executed by Crossroads Charter Schools; we're just waiting to receive the signed copy. No material changes were made.

F. Discussion on Annual Executive Director Evaluation

Mrs. DeWilde reported that she is beginning the evaluation process and will be reaching out to Board Members for input shortly.
