A. Review & Consideration of Monthly (End-of-Year) Financials (June 2025), including Check Register

Mrs. Butler presented the July (and thus the end-of-fiscal year) Financial Report by highlighting that the school closed FY25 with a Year End cash balance of \$2.06M and 98 days of cash on hand, a positive change of +10 days from May's report. Additionally, FY25 operating expenses performed over \$750k better than budget; including Capital expenses, the year-end position reflects a \$460k gain from budget.

Looking ahead, the FY26 budget looks to end with 64 days of cash on hand. As the school begins the new fiscal year, the Committee will closely monitor this forecast for any outstanding FY25 expenses and revenue and adjust accordingly.

She highlighted page 8's Balance Sheet, showing a current Cash Balance of over \$2.1M, with a projected year-end balance of just over \$1.9M.

She presented Page 6's Income Statement, highlighting:

- Year-end revenue of \$7.57M, against a budget of \$6.37M.
- Year-end expenses of \$7.68M, against a budget of \$6.93M.
- Net Income of (-\$114k), against a budget of (-\$567k).
- 98 days of cash on hand position, increasing from last month.

VIII. Executive Director's Report

A. 2025-2026 Enrollment Update

Mrs. Lineberry reported that the school is projected to have barely any open seats; the school is basically full. As the year starts, she expects no-shows, so classes are overfilled by 2 students each and the no-shows and other attrition will reduce down to the max level.

She asked for Board questions; the Board encouraged Mrs. Lineberry for her work and also highlighted ~51% acceptance rate on new student offers.

IX. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:37 PM.

Respectfully Submitted,
