IV. COMMITTEE REPORTS

A. School Health Committee

M. Eigen opened the presentation by sharing proposed changes to the school year 2024-2025 calendar. Though the board did not vote on the calendar in this meeting, M. Eigen shared a preview to solicit feedback and questions.

R. Viera then updated the board on the organization's compensation design process, including the rationale, timeline, competitive landscape, and recruitment strategies.

R. Viera then shared information about teacher certification support and recruitment.

B. Cummings commented on the talent team's efforts to support and develop certified talent.

A. Fullard asked about the certification process and N. Wiltshire shared that teachers must take classes and complete paperwork to receive certification.

R. Viera then shared findings from the market analysis versus KIPP Philadelphia's internal data.

S. Wilson Jones asked when teachers leave, whether they are leaving the profession or moving to other school systems. R. Viera advised that teachers leave for both reasons. Teachers who stay in the field are often attracted to suburban districts.

A. Fullard asked whether KIPP's salaries contribute to teacher attrition. R. Viera shared that we can make improvements in capturing exit data, KPPS's current salary scale is not competitive, and teachers who have between 2 and 6 years of experience are more mobile. M. Eigen added that there's a challenge with a teacher drop-off between the offer stage and the first day in school.

R. Viera then moved on to the proposed direction of the new compensation model.

A. Fullard asked about KPPS' benefits contribution. R. Viera shared that KIPP pays 95%.

A. Fullard then asked if the benefits carried over into retirement and N. Wiltshire shared that they don't.

S. Wilson Jones asked about veteran teachers who may be ready to retire, and N.

Wiltshire shared that there are a couple. A. Fullard then asked about how our compensation compares to other charter networks. R. Viera shared that the proposed compensation model will make us more competitive against other charters. A. Fullard commented that strong marketing and strong schools will help attract talent. N. Wiltshire agreed and noted strong facilities as well.

R. Viera then concluded the presentation.

B.

Development Committee

A. Sinha introduced Jessica DeRivera, our new Donor Engagement Manager.

A. Sinha first updated the board on the progress-to-goals. Then, she moved on to the upcoming donor events and spring solicitation. She then shared insights from the development committee meeting that she was considering as she continued planning the donor events.

S. Wilson-Jones shared that a former KPPS volunteer reached out to her for a meeting and how well the development team helped her prepare for the meeting. A. Fullard added that he will support with connections within the business community.
