Ms. Garcia and Mrs. Polo both spoke in agreement with Ms. Rondo. Mrs. Polo stated if the children are vaccinated they should not have to be made to wear a mask.

Azucena Garcia echoed the same point Ms. Rondo made. She is concerned about the warm temperature and children being outside wearing masks.

Ms. Burrell spoke in agreement with other parents saying she is concerned with how behind her second grader is and feels it is important for him to see his teacher speak and announce his words and for the teacher to be able to see if he is pronouncing his words correctly.

Mrs. Moffat said it should be an option for kids to wear masks, especially outdoors considering some children may already be vaccinated.

Leslie De la Cruz also spoke and agreed with other parents and asked that parents have a choice in regards to mask wearing for students especially when students are outside.

Jazmin Hunter spoke and stated she is a strong believer parents should have a choice as to whether or not students need to wear masks.

Ms. Murray spoke last on the topic saying the power to choose should be highly considered.

II. Information Section

A. Organization Update

Executive Director Jason Watts shared updates about the final state budget approval. He began with the catch-up 5.07% COLA increase in addition to a significant increase to Prop 39 funding. Next, he discussed the new Expanded Learning Programs where an unduplicated count of greater than 80% would receive 1,170 per unit for prior years K-6 ADA which will be used to extend the school day for before and afterschool programs.

He moved on to universal TK programs the state wants to implement saying the current year is a planning year so that in each successive year from 2022-23 to 2025-2026 the eligibility date for TK students will continue to expand three months at a time until all four-year-olds born by September 1, become eligible. He also shared beginning in 2022-23, LEA's will be able to provide two free nutritional meals per day to pupils, something Scholarship Prep has been doing since the beginning of the COVID-19 pandemic. Lastly, he shared the state's decision to extend the charter renewal term by two years. That decision will affect both our South Bay and Oceanside campuses.

President Charles Friedrichs asked a clarifying question regarding the TK program and if Scholarship Prep had offered some kind of program since its inception. Mr. Watts stated

while Scholarship Prep has indeed done this, the changes from the state would expand eligibility for TK enrollment.
