Charles Friedrichs also mentioned that Scholarship Prep had a successful audit from LAUSD.

**C. Charter Impact Presentation - 2023-24 UARs, Change of Bank Account, and CalSTRS Employer Paid Member Contributions for Scholarship Prep - Riverside.**

Kate Eng provided the Charter Impact presentation covering UARs, Change of Bank Account, and CalSTRS Employer Paid Member Contributions for Scholarship Prep - Riverside.

On July 5, 2024, US Bank let us know about suspected fraud activity. The school implemented several measures to increase the security on the account, including payee positive pay. There was a loss of funds because checks were intercepted, counterfeited, and cashed from the account. The school has filed an affidavit with the bank and intends to recoup the stolen cash. The account is compromised and there is fraud activity daily, so the recommendation is to close the account.

Charles Friedrichs asked about what we can do differently moving forward. Kate explained that the current account did not have payee positive pay or positive pay set up.

This is a security measure that's going to be implemented from day one with the new account. The checks were intercepted, and this is something that's occurring more commonly. The schools will pay the recurring payments that they can through ACH, and that eliminates the opportunity for checks to be intercepted.

Charles Friedrichs also asked if this been turned over to authorities for prosecution or if the bank follow up with authorities? Kate stated that we have reported it to the bank and she can check on if the bank will follow up with authorities.

Pete Watson raised a concern that there may be a possibility of the new account being compromised as well, and Kate responded explaining that the information that has been compromised was the account information, so that the checking account specifically the routing information. The checking account will be new and we hope that this will curb any activity in in the near and medium term.

Barbara George asked if there are going to be any ramifications for the people who stole the funds. Jason Watts answered saying, an investigation is not something that scholarship prep would be engaging in, it would be the bank itself that would determine whether or not right it rose to a particular level of urgency. He also stated that ultimately our job is to notify the bank if we see or learn about any type of fraud.

### **I. Increase Scholarship Prep Credit Card Limit from \$50,000 to \$100,000.**

B. George made a motion to approve.

M. Toan seconded the motion.

Jason Watts explained that due to the size of our growing organization, credit card limit at \$50,000 is prohibitive. Sarah Schoenfeld-Nakamoto added that we have two school sites coming on, and there are certain months that are really cumbersome for us. We want to make sure that we don't inhibit school operations by not being able to make the purchases on the credit cards, which we only use when we have to for vendors or timeframes that require credit card use.

Pete Watson clarified that the fraud was not on the credit card and was only checks, and Kate Eng confirmed that there was nothing on the credit card accounts.

Charles Friedrichs asked if this credit increase was for the overall limit or individual limits. Sarah confirmed and explained that we updated the fiscal policy to accommodate the increase. This credit increase gives the organization extra capacity, but not necessarily the sites individually.

## **VII. Closing Items**

### **A. Board Comments and Future Agenda Items**

Barbara George stated that she is looking forward to an update regarding the status of the bank account next month.

Pete Watson asked Jason Watts to share an update on the participants who attended the last board meeting from Oceanside. Jason shared that he, Principal Nicholas Sessions, and a number of staff members put a plan in place. The parents at the meeting asked great questions about everything around parental volunteerism, electives, etc. Principal Sessions did a great job bringing his personality and sense of humor, but also answering questions very directly about how we're going to move forward positively. We have support in the classrooms and opportunities for families to come in and volunteer in a very structured and organized way that we ensure that the time that's spent is well spent.

### **B. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:05 PM.

Respectfully Submitted,  
C. Friedrichs
