M. Toan seconded the motion.

Board Treasurer, John Ing, requested to pull the approval of the Scholarship Prep contract with Paycom from the consent calendar for further discussion. He expressed concerns and had several questions regarding the decision to proceed with Paycom without a formal bidding process. He has prior experience evaluating payroll/HRIS providers and specifically with Paycom, and noted that he contacted a few other charter schools to gather additional feedback. He raised issues with the pricing structure, including the implementation fee and per-check fee, and felt there may be room for more competitive pricing. Given these concerns, he did not feel comfortable approving the item via consent and recommended it be pulled for further review and discussion.

The board **VOTED** unanimously to approve the motion.
