II. Finance

A. Budget

- Decrease in revenue from reduced enrollment projections.
 - Even with enrollment lower than expected, we are unsure how they will parse based on needs.
 - EVA is operating at ~ a 27-kid deficit, causing a ~\$300k reduction in state sources. The state will square this up around December.
 - There is also a ~\$23k reduction in federal sources.
 - EVA has offset some of these reductions by producing savings in personnel.
 - The projection is -\$118k for the end of the year.
- SCSC Dashboard
 - EVA's current score is 90, which meets the financial performance standards based on the rubric.
- Next Steps:
 - Additional CPS drawdowns
 - Budget for Title I, II, IV and begin drawdowns
 - NSLP approval

B. Fundraising

- Fundraising Event:
 - Grit N' Wit Proposal
 - After approval of the contract, EVA has 15 days to send half of the money to Grit N' Wit to execute the contract. That total is \$2.750
 - Sign the contract by the end of the year.
- Letter Writing Campaign
 - 3 of 4 initial letters and boxes have gone out

- Giving Tuesday: Board Members will be able to raise money via social media and professional networks to increase giving to EVA.
- EVA Foundation
 - The EVA Foundation will be created as an avenue for charitable giving to support EVA and the greater community (Henry County, etc).
 - The EVA Foundation will also be available for wraparound services (Kindergarten readiness, community education, coat drives, etc)
 - PTO (501(c)(6)): Organization that can be a foundation, membership-based organization

B. Enrollment

- Initially submitted to the state 107 students, at the last audit EVA enrollment was at 86 students.
- When we submitted at 107, it was a blanket submission, but at true up, EVA is not sure what the total number will be controlling for students with special needs.
- Adjustments will need to be made on enrollment targets for SY25-26
- We are anticipating an enrollment band of 4th and 6th for next year

C. Personnel Update

- EVA has hired a Special Education teacher & contracted with a paraprofessional teacher (pending more training, there may be an offer given to support this teacher)
- RBTs to come in support behavioral expectations
