II. Updates

A.

Enrollment Update + Hiring

- We currently have 223 accepted seats, but we are still awaiting completion of registration by a significant number of families.
- Keeping families on the waitlist warm as we continue to grow, to help engage those families as EVA grows
- Building expansion conversations will begin in the fall as we track the growth of EVA
- EVA is fully hired for next year

B. School EOY Data

- EVA set ambitious Winter and Spring Goals
 - For the iReady achievement, the percentage of students scoring "Early" on grade level or above increased from 28% to 70% in ELA from Fall to Spring.
 - By grade, percent "Mid" or "Above" grade level feel short of the goals set in every grade and subject, except in Grade 2 ELA where the ELA Spring Goal was met.
 - By Spring, 62% of students grew more than was typically expected in ELA, and 52% of students grew more than what was typically expected in math
- For SY26, the schedule will reflect more time for math intervention to be more aggressive in closing those gaps.
- This data has allowed us to go back and make SMART goals for kids moving forward, where in our first year, the goals were ambitious to set a high bar

C. Delegation of Task Update

 - Need - Administration Support (Ops Associate, Secretary, etc)
