B. Call the Meeting to Order

N. Brinson called a meeting of the board of directors of Excelsior Village Academies to order on Saturday Feb 22, 2025 at 11:30 AM.

C. Approve Agenda

A. Holmes made a motion to approve amendments to Special Meeting Agenda.
R. Hutchins seconded the motion.

- The board discussion and CEO presentation have been separated into two different sections to provide adequate space for comment from board members before the vote

The board **VOTED** unanimously to approve the motion.

II. Enrollment

A. CEO Presentation

Grounding for enrollment decisions:

- Balanced budget (ensuring we have enough students enrolled to have a balanced budget)
- Growth Plan & Sustainability (projecting a growth plan that will not impede the sustainability of the programming at EVA)
- Physical Space (enrolling to ensure we can pay for the physical space we are in the SY25-26)
- Mission & Values (all decisions need to be grounded in our mission and values)

In SY24-25, EVA did not meet enrollment targets.

For SY25-26, EVA is aiming to be as ambitious as possible with enrollment to impact facilities and the overall budget positively. The recommendation from the CEO is expanding into K-6 to ensure we can meet all the targets in year 2 at 9 classrooms, 15 FTEs, and ~200 students.

B. Board Discussion

Board Reflections:

- K. Rutherford - It feels like K-6 makes the most sense in the long term, but my biggest concern is the quality of the offering, specifically thinking about the coaching and the instructional model.
- A. Holmes - It is clear we have to get to 200 students, but I am wondering what resources we have to get to this goal. My question is, what is the budget we have to achieve this goal of recruiting new staff and students?
- R. Culpepper - I am wondering what our outreach has been in K-4. Are we hitting roadblocks?
- R. Hutchins - I am mostly concerned about recruiting for K. We need to ensure that we have enough bodies in this building, and we can't bank on kindergarten.

C. Board Vote for FY26 Enrollment

Recommendation from the Enrollment Taskforce:

- School Leader
 - The school Leader is authorized to monitor a waitlist beyond the charter plan (K-4)

R. Hutchins made a motion to Authorize the school leader to enroll students in K-6, which is different from the charter plan of K-4 in Year 2, pending operational cost for each grade level is met.

T. Burrell seconded the motion.

The board **VOTED** to approve the motion.
