B. Grant Award Announcement

Lisa Price - Purchased a few hundred new ChromeBooks for next year and for testing this year. Followed up to a T-Mobile email that Thomas sent and Lisa applied for the grant right before we went to break. Had an interview a few days before break. Allows us to have MYP implement the technology plan earlier than expected. T-Mobile is infusing

\$60,000 into our technology program in exchange for 2-year agreements for service anywhere. For \$40 per child, they will have internet access for 2-years.

K. Delp arrived.

C. CCRPI Changes

Donald Mason - CCRPI now has 5 indicators: Content Mastery, Progress, Closing Gaps, Readiness, and Graduation Rate.

Content Mastery Key Changes: Weighted participation rate if under 95%. Previously, the school would receive zero points if under 95% of students participated; now, it's weighted by the formula included in the slide deck.

Progress Key Changes: EL Progress based on access. Does not count for WIA, but we still use access.

Ms. Thompson:

Closing the Gaps Key Changes: Are our subgroups improving at an acceptable pace?

The end of year goals used to be fixed numbers provided the state. Now, based off of each school's individual baseline number. 2017 will be the baseline for the next five years.

Donald Mason:

Readiness Key Changes: Used to be 11 indicators; now there are 3: Literacy, Student Attendance and Beyond the Core

Scoring and Reporting: Changed from points to percentage weighting for score calculation.

N. Jones arrived.

D. Milestones Schedule

Donica Johnson:

See chart attached to agenda packet. We follow the APS testing schedule. K-2 will be going on education field trips during testing time. Results are delivered through DRC online testing portal approximately 11-14 days after the tests are completed based on when the student hits submit and are sent on a rolling basis.

E. PYP: Q3 Benchmark Action Plan

Anita Lawrence:

Met with teachers the day after last month's board meeting. Had a half day meeting with teachers to drill down into the data and comprise an updated action plan. Updated action plan included in the agenda packet. Highlights include:

- Increase frequency of classroom observations
- Streamline and deliver consistent weekly feedback on lesson plans

- Create individual student action plans using a variety of data sources
- Monitor implementation of individual student action plans
- Grade level meetings
- Monitor use of formative assessments
- Administer an additional assessments on standards retaught

III. Public Comments

Jenny Rogers:

January - 250,000 in additional revenue in January --> to email Lisa for specific follow up

Would like clarification around the decision to increase the class size. --> board made the decision to increase the maximum class size during the charter renewal process to possibly offset the loss of Title I funding

Question around FRL percentage --> Goal is to be back up to 53% in 5 years to work to continue to serve our mission

IV. Board Chair Updates

A. Charter Renewal Update with GaDOE

We have final draft of Charter Agreement (GaDOE and APS) and Addendum (Just APS - Funding agreement). See agenda packet for full documents.
