II. Executive Director Updates

A. Monthly Report

E. Buckner arrived.

Testing has been going on, so not much else has been a focus.

This has been the quietest testing experience, so would like to thank the administration and teachers for creating a wonderful testing environment. Anxious and cautiously optimistic about test results.

First day of field day today.

B. Milestones Update

Dr. Pullen

Just concluded testing; was the last week in April and first week of May.

99% participation rate. 100% MYP and all but 2 students in PYP participate. 521 students total. Cautiously optimistic about results based on some coming in.

100% of students participated online with very few technological difficulties this round.

Have results for grades 3, 5, and 8 as well as a prelim list of students that need to retake 1 or more subject areas. Compared to last year, 21% less students retaking in ELA. Math students 5 and 8, 60% less students participating in retakes. Retakes are happening right after Memorial Day, Tuesday through Thursday, after school. Informing families now and providing with tutoring options.

Expecting all results to be in by the end of the week. Results to be emailed to the board once the embargo is lifted by the district.

C. Curriculum Recommendations

Dr. Mason and Ms. Lawrence:

MYP - more of a one-stop-shop resource

PYP - Some new resources and some current resources being renewed

Ms. Goodman, Ms. Minnifield, Ms. Waterberry, and Dr. Dukes

Ensures vertical alignment, instituting common practices, and streamlining the delivery of organizational resources. (Full slide presentation included in agenda packet)

Used the strategies to get to Pearson's. (also included in full slide deck included in agenda packet)

Teachers will receive training on the new curriculum during Wesley University and preplanning; teachers can adapt to their style during this process.

2 years for full PYP roll out with Pearsons. ELA and Social Studies first, then Science and Math (Math is currently Pearsons)

Total projected cost for next year is \$280K, of which \$163K is a one-time expense

D. Budget 2018-2019

Public Hearing for FY2019 Proposed Budget:

Lisa Price:

Adopted a similar format to that of the district so we can start comparing YOY.

Objectives:

Develop a balanced budget

Pursue the implementation of a competitive multi-year compensation model for teachers

Manage escalating pension and healthcare expenses

Maintain an unrestricted cash balance between 30-45 days of working capital

Enrollment assumptions (FTE)

FY2018 funded - 792 FY2019 forecast - 800. Full capacity per Charter is 824

Revenue assumptions

Assumes QBE held flat and federal funds goes to zero due to loss of Title I funding

Local: assumes tax digest remains frozen at 2016 levels.

Other: field trip, athletic club, and other school fees

Cash Reserves: Special one-time funding for roll-out of new school-wide curriculum (\$163K) and seniority based signing bonuses (\$93K). \$244 in additional funding to offset rising healthcare expenses and pension due to some one-time expenses. Need roughly \$500K to balance the budget.

Function Codes: Using function codes consistent with the district and the state. Function codes include: Instruction, Pupil Services, Improvement of Inst. Services, General Admin, School Admin, Support Services - Business, Maintenance and Ops Facility, Student Transportation, and School Nutrition.

Total Budget - \$11,062,397

\$214K increase in personnel from 107 to 111

\$235 increase in TRS employer contribution

\$100K increase for APS district fee

\$295K increase in employer healthcare subsidy

\$163K - one time expense for new curriculum

\$93K - one time expense for seniority based signing bonuses (excludes leadership)

Healthcare Expenses

2018 - \$826,728; 2019 BCBS Renewal projected at \$1,542,639; 2019 budget \$1,295,483 (changed around some of the plans and worked with BCBS to reduce cost). Long term disability becoming optional and fully subsidized by the employee. next year cost is \$7881 per employee.

Compensation Overview:

82% to Instruction

10% to school admin

7% to general admin and support services

1% to maintenance

Proposing using \$500,017 of cash reserves to balance the FY19 budget

Second year in a row we have not put money in reserves. Plans going forward to ensure we can run profitably include looking at our organizational structure to look for ways to streamline

Sensitivity Analysis: Scenarios and Action Plans

If APS receives an additional \$49M in revenue from taxes, our revenue will increase by \$600K

\$300K to retroactive salary step increases for all teachers to obtain 95% APS pay scale

\$300K to cash reserves

If enrollment shortfalls by 30 pupils, revenue shortfall is \$386K

Board approve reduction of unrestricted cash balance from 45 to 30 days freeing up \$420K

If the APS 2% district fee remains flat 2% for FY2019, WIA's funding is expected to increase by \$100K

Reduce the use of cash reserve to balance the budget
