IV. Board Chair Updates

A. Housekeeping Matters

Charter Renewal Update: We have signed everything we need to sign and it is out the door to APS. Waiting on copies of executed contracts. APS has signed and we are now waiting on GaDOE.

Financial Addendum with APS needs to go to August board meeting of APS for approval. They have a hiatus in July, so they have not yet had the opportunity to present to the full board. We will not have it for our August meeting because of our meeting time change, but should have it by September meeting.

Board documents - Each year, we have to execute member agreements, code of ethics and acknowledgement of conflicts. We currently have 5 in, but need to get the other 6 back in so they are completed. Were sent through DocuSign.

B. Dashboard Concept

Have been discussing Dashboard concept for a few months. Continuing to work on it. Discussed with Elisa Falco to see if there are any best practices in the Charter world; Elisa sent a really wonderful template for layout, which has been one of our largest challenges. Breaks down into monthly, quarterly, etc. Need to have a focus on our growth and this template seems to be a good start. Hope to have a final version to show in September.

Jason - Has been working with APS to get access to their system to be able to view their dashboard. Hope to have access to it in the next couple of weeks, which could help us pull information in a more streamlined manner. Previously, had a cost associated with it, but has since become complimentary.

Mazie Lynn and Jason met with two individuals from APS who shared that the GaDOE is starting a performance metrics report (report card) for all charter schools to track performance on an on-going basis to make the renewal process easier in the future. Will include, Achievement, Value Added Measure, Progress, CCRPI, BTO, and SWSS target (began in 2016-2017).

C. 2018-19 Committee Meeting Schedule

Committee meetings will be held the third week of the month beginning in August.

Tentative Schedule as follows:

Katie Delp - Development - Third Thursday at 4:00pm

Jan Hansen - Academic Excellence - Third Tuesday at 4:45pm

Tom Tidwell - Governance - Third Monday at 4:30pm

Chip Hill - Finance - Third Wednesday at 8:00am

Primary committees this year:

Chip - Finance

Tom - Governance and Finance

Darryl - Finance

Katie - Development and Finance and ED Evaluation

Thomas - Governance and ED Evaluation

Andrea - Academic Excellence

Ilham - Development

Jan - Academic Excellence

John -

Mazie Lynn - Ex officio on as many as possible

Suzanne - Development

Committee chairs need to put the committee meetings into BOT for the rest of the year prior to the August board meeting. Also, reminder to create agendas and make public within 7 days of the meeting. Bring membership rosters to the October meeting; we will vote to ratify them then.

Working to promote committees via PTA and also work through the PTA to have a member of PTA board at each committee meeting.

D. 2018-19 Calendar Discussion

Board meetings are moving to the first Tuesday of the month beginning in August.

China night will be February 1st and it's going to be BIG! So be ready. Activities the 4th - 8th with another possible function on 9th. Biggest challenge is finding an affordable space to have China night in. Looking at 300 people total attendance.

We will meet in December this year since it's the first week of the month; will not meet in January. July and April will shift to the second week of the month. Mazie Lynn will create an annual calendar and send out sans details; details will always be listed on the public portal.

Thomas to reach out to Elisa Falco to see if training requirements are the same for FY18-19.

Potential training dates for board members:

Implicit Bias Training and Board level training around academics are two modules we're looking at with Elisa Falco.

Looking at 4:30 to 8:30

September 10, 11, 12 and October 22, 24 --> after looking through calendars, decided on September 11th.
