**II. Executive Director Updates**

**A. APS Unified Lottery Proposal**

Gail Burnett - Office of Innovation at APS

Nanna - Performance Data Manager in the Office of Innovation

Why APS is going down this road - been speaking to Charter schools for about a year around unifying enrollment.

Access to a charter school at this point is not equitable in the eyes of APS. Having a unified enrollment would allow APS to have a single platform to inform parents of all charter school options in the City of Atlanta.

Information would be consistent and unified throughout the portal.

Creating from the standpoint of partnership. District is leading the technical effort; schools are coming together to discuss what they want, how to meet their needs, and how enrollment affects them.

Every child one only get one seat. Currently, students can be accepted to multiple schools.

Goal - all charters to come together.

Preferences per our Charter will remain the same and would be coded into the unified enrollment system.

Currently no technology solution in place. Have an RFP out right now - not looking to build a custom system.

Based on the current state of where APS is in the process and feedback from other schools, target implementation is 2020 lottery.

Working to get all Charter schools on board. Working on cost structure. Would not anticipate the cost in year 2 moving forward not to exceed what we are currently paying.

T. Tidwell arrived.

**B. Wesley Marketing**

Dana Roberts:

Recruiting FRL Students and Families - Currently estimated at 43%. 143 families have not completed the application.

Ideas to increase FRL student and family population:

Targeted Audiences:

- Capitol Gateway Apartments
- Parkside/Columbia at Mechanicsville
- Auburn Glenn Apartments
- Villages at East Lake & Carver

Transportation has been a key issue in the past, so working to target people that live close to the school.

We currently provide Marta cards to those that need it.

Possibility to purchase a bus or two to have pick up and drop off locations at designated neighborhood spots.

Incentives to encourage families to carpool.

Uniform scholarships.

Needs based services such as field trip and school supply assistance, social/emotional wraparound services (Pathways), and possible addition of social worker.

Need to develop partnerships and programs with Pre-K programs that are close by.

Need to include in marketing materials that we are a free charter school - the name Wesley International Academy implies a private school when people drive by.
