II. Executive Director Updates

A. Benchmark Data

Testing starts May 1st and runs through the 16th. After that, moving toward the 24th, last day of school and graduation, awards days and ceremonies.

Graduation on May 24th at 10:00am at Atlanta Metropolitan State College. Plenty of parking and seating at the venue.

Benchmark Data - Dr. Pullen

Reviewed benchmark data included in the dashboard.

Benchmarks are not cumulative for PYP; the content is different each time benchmarks are taken. They are cumulative in MYP.

Watching trends in 4th and 6th grades in particular. Have been focusing on instructional goals to close those gaps.

In PYP, implementing small group instruction and providing additional resources to the teachers in small group.

Discipline:

Still working on the best way to capture this data. Reviewed discipline referrals by month and number of students referred for discipline by month. In MYP, we've had 1 teacher make 18 referrals this semester. While FRL students are being referred at a disproportionate rate, they are being suspended less. Demographics for referrals are also not balanced to properly represent the student body. Want to start putting more focus on suspension, as the teachers have been taught "when in doubt, refer." Need to look at the outcome of the referral.

B. Budget Revision

Don't need to draw down cash reserves to fund 1 time expenses. Revenue slightly up from projections. All in all, a very good place to be. YE Cash reserve estimate at \$2.1M

T. Ryan-Lawrence made a motion to adopt the revised budget as presented.

T. Tidwell seconded the motion.

The board **VOTED** unanimously to approve the motion.

Areas of need include: Professional Education, Facilities, Fundraising, and Organizational Leadership skill sets. Timeline - recommendation from governance will come in June and be voted on. June is our annual meeting. Further update to come in governance update.

Matt Underwood has invited board members and school leaders to a conversation about the unified lottery. There is an RSVP requirement. It's April 18th 6:30 to 8:00.

B. Dashboard Highlights

Highlights not covered during ED update:

At 56% board giving for this fiscal year

Just over \$65K pledged for this year and have realized over \$55K of that

The rest was covered in the ED Update.

VI. Development

A. Committee Report

Upcoming donor event - One of WIA's founding board members recently came with a visit that went very well. They offered a fundraising opportunity they wanted to host to bring awareness of WIA to the broader community. Tour of the home is tomorrow; have been building a guest list with the hopes of inviting 50 people. The event is May 16th.

VII. Finance

Next finance committee meeting will be working on next year's fiscal budget.

May Board Meeting - 1st public meeting

VIII. Governance

A. Board recruitment

We have 3 openings. Interviewed Ewa Cater. Have 3 parent candidates. Running close to the limit on parents on the board. Have another candidate lead through the United Way; Darryl has also given a recommendation. Working to run the interviews prior to May governance committee so that in the governance May meeting, we can approve the slate to present to the board in June for a vote.
