II. Gender Policies

A. Discuss need for additional policies surrounding gender issues

We want to focus on gender inclusion, and work with Admin on issues as they come up.

Perhaps we can get federal BOE to provide update on legal issues.

We are hopeful new Board Members will weigh in on this issue. [Done](#)

III. School Climate Code

A. Develop timeline for research what it takes to get 2 school codes

D. Mason arrived.

We have 2 physical buildings in order to have 2 codes identified by State. Lisa has talked Drew, they have 2 different charters. Drew has segregated finances, but bring them together for audited finances. Funding for elementary is significantly different than middle school. If we segregated financials, there might an imbalance in funding. Funding for students in Kindergarten is much higher than middle school and high school. ANCS only has 1 charter.

Westside Charter is K-8 in one building; ACA is K-12 in one building;

We need to look at the issue of surveys, who prepares them, sends them out, etc. Can we create our own survey?

We need to look at details of Climate ratings in detail to see exactly what we can.

For purposes of Charter compliance, we should prepare a white paper on what we've done to research 2 school codes re climate points.

D. Johnson arrived.

IV. Board Goals for 2019-20 School year

B. Review Bylaws

Section 3.5 Removal of Directors - should we describe the process with more particularity
> What constitutes cause and what is the process for removal

> section 4.7 address emergency authority of Executive committee; need to assimilate these 2 section
