## **D. Financials Reporting**

Moving to quarterly reporting.

Revise board member agreement will be sent out

## **IV. Academic Excellence**

### **A.**

## **Report on 2018-2019 Committee Goals**

Received info on milestones from last year.

Goal 1: retain 80% of teachers + score 3 on TKES. Retained 78% of teachers.

Goal 2: didn't make that goal; according to milestone we did get it; but because goal says MAP assessment, we didn't get it

MAP is indication of assessment (external)

Milestone is better indication. Will adjust measure to milestones in the future

3% achievement on milestones

Math in 8th grade is problematic; All advance students do not take it; numbers are skewed

Goal 3: school climate > Discipline Referrals & Suspensions: 72 to 66 - well done. Will continue on this trend.

Plan on breaking down that data; focusing on African American boys trends.

## **V. Development**

### **A. Red Thread Project Update**

Good start of the school year.

#### **Red Thread:**

- 40 families in school who pledge monthly
- 70 staff pledge monthly

#### **Letter of Challenge:**

Will go out to our school community to call for additional pledges.

Board is encouraged to pledge / give as well.

Working on Chine Week : the week of Chinese New Year. Already receiving sponsorships.

Looking for new venue since Jackson has capacity of 500 only.

Partnering with Generosity (5k RUN) at the end of October, staff will be walking / running. Support your favorite WIA staff member.

A. Hunter arrived.

## **VI. Finance**

#### **A. Update on FY 2019 Audit**

November 1: audit due to the state. We are on track.

#### **B. Update on FY 2020 Budget**

Wesley Funding: State of GA + APS.

Funding available based on various formulas.

This year's budget was built based on various assumptions. (similar to prior years)

Once FY started, realized we have \$500k budget deficit.

Leadership team is working on evaluating what expense items can be reduced to close this gap. There is also focus on revenue growth.

Budget Deficit:

Some of the expense categories considered

- PD by 15% by conducting training locally versus traveling; bringing trainers onsite.
- Substitute teachers cost is high. Looking at this area to as well in order to stay on plan and not exceed it as in previous year.
- Maintenance
- Business Ops

70% of our is compensation which will not be considered for adjustments.

This year: 70% of budget is compensation so not much room for adjustments. We are competing with the district.

- salary increases
- enhanced benefits packages

These will not be considered for adjustments to the budget.

By 2023, plan to grow by 824 students. Working towards exalarating this number

One time issue

Budgeting Process: using 3-4 scenarios to determining budget

Balance of gap after adjustment will come from reserves

Budget revision scheduled for mid-year.

### **VII. Governance**

#### **A. Update on school climate and 2 school codes**

**School Climate:**

- Goal : 4 Star Rating.

Since we are both PYP & MYP, it is impossible to obtain this rating since each school has different criteria.

Looked at what it would take to create two schools. In order to do that, we would have to have 2 campuses.

Writing white paper to rationalize why this goal is unattainable.

Chris Adams, our council, encouraged us to complete the white paper on weighted lottery.

Melanie Velez will be joining the committee meeting in October discuss gender issues, specifically gender inclusivity.

### **Registration Process Updates**

State of the School Meeting by GA Charter Association

Update to legislation regarding the registration process.

Charter school has to enroll students that are in the zone at the time of registration. We have to accept application from anyone as long as they will be in the zone at the time of registration. They would be in the lottery.

This could impact enrollment numbers since the students may not move by the time of enrollment or first day of school must have City of Atlanta address.

### **Rolling Offers for Grade Levels with Opening Only:**

Would like to see numbers of how many students are rolling off of the wait list. School keeps reaching out to families. Aiming for 824.

## **VIII. Staff Changes**
