#### **A. School Update**

##### **WEsley MOVEember**

Great participation from Wesley community. We met our miles goal, and are very close to our goal, just shy of \$3k. The team, especially Laura Compton, did a phenomenal job putting together this fundraiser. Thanks to everyone for the support & participation!

##### **Tuesday Giving**

Today is Tuesday Giving. We sent out communication to our community encouraging them to consider Wesley for their donations.

##### **Macy's Thanksgiving Parade**

Our very own Tracy Trammell was part of the parade this year and we couldn't be prouder! Ms. Trammell is an exceptional educator, driving professional development programs at Wesley and pursuing personal development through advanced degrees.

## **V. Board Chair Updates**

### **A. Board Member Intent to Return**

We will have two openings on the board next year as Katie's & Tom's terms will end. Governance Committee is beginning the recruiting process.

All board members are asked to submit their intent to return to Thomas & Doug via email by the end of this month.

## **VI. Committee Updates**

### **A. Governance Committee Update**

Governance Committee is actively working on enhancing **new board members orientation** and **mentoring program**. In addition to the board member binder, we plan to introduce "**orientation day**".

In order to create greater transparency, the committee is working on a **master calendar** listing major board milestones, including decision making deadlines.

Finally, we are working on developing a **custom Board On Track training program** for both the board members and school's leadership team. Presented proposed plan for the pilot roll out as well as key subject areas included in the program. Estimated launch date: January 2021.

### **B. Academic Excellence Committee Update**

Committee reviewed iReady Data, program for personalized instruction for students. When reviewing the virtual learning, we noticed racial and social economic gaps. There is a plan in place to address those. (Targeting Intervention Program)

Mr. Pavone is leading the effort to get more teacher IB certified, especially in MYP.

### **C. Finance Committee Update**

- Update on the FY20 Financial report, clean audit, and 990 filing with APS.

- Wesley received PPP Loan, which could be converted into a grant pending satisfying certain requirements. The finance department is currently working on securing the grant.
- Overview of SY21Q1 financial report (attached). If there are any specific question, please reach out via email and / or join the next Finance Committee meeting.
- The committee also reviewed the budget. Due to virtual instructions during the first semester and several one time supplemental funding, the school is in a strong financial position. As a result, **ALL of Wesley staff will receive a one time stipend in December.** We know that this is an unusual year and everyone has been working extremely hard to continue learning at Wesley. We truly appreciate all the hard work and dedication! And in the spirit of giving, Mr. Marshal pledged to donate his entire stipend amount to MOVEmebr.

#### **D. Development Committee Update**

Despite the unprecedented year, 2020 has been a generous year. We are well on track for meeting our annual goal. As of now, we are at 90% of our goal which shows that we've truly cultivated the culture of giving at Wesley.

- MOVEmber has been a great fundraiser and we've extended the deadline to Friday to hopefully close the \$3k gap.
- Drive In Movie event has been moved to December 18th. More information about this event will be shared in this week's "Wesley Weekly",

### **VII. Closing Items**
