## **Status Updates**

WIA has started the process of creating 1099s from the financial system. Staff are starting this process a little earlier than usual.

December 2020 financial review will occur at Feb committee meeting. Those statements will be used as a basis for the mid-year budget revision, also to be presented in February.

Best predictor at this point is the 50% hybrid budget model that was discussed at the start of the fiscal year.

\$230k in Title I and CARES Act reimbursements have been submitted to various grantor agencies. Approximately \$195k in reimbursements have been received.

## **G. Other Items**

Ms. Price let the committee know that school leadership will evaluate whether it is appropriate to conduct a 2-year review of salaries across peer systems to ensure competitive salaries. A variety of Covid factors complicate the feasibility of such a study.
