## **May 2018 Financial Reporting Highlights**

### **Revenues**

Revenue projections have not changed much since the final PPA invoice was received. However, there were a few changes this month; (A) amendment was filed for Title I funding for an additional \$27,000, (B) there was additional contributions in the amount of approximately \$4,800. (C) DOE PPA supplemental rate is down to \$200 from a projection of \$300 or a reduction of projected revenue of \$32,400. Total revenue after these changes moved to \$5,775,826 which is \$29,857 more than what was budgeted for the year.

### **Payroll and Benefits**

Payroll is adjusted throughout the year for employee additions and terminations. Additionally, there are also deductions for time off taken if the employee doesn't not have off days available. Revised projection shows a saving of \$7,500 for the year.

### **Admin Expenses**

At the end of April, Admin expenses was projected at \$179,000. This was increased by \$7,000 due to mainly increase spending for Staff Appreciation and office supplies. Classroom Expenses Had a small increase in projection of \$3,500 form increases in Athletics, field trips and senior activities.
