B. Call the Meeting to Order

M. Bernard called a meeting of the board of trustees of Summit Academy Charter School to order on Tuesday Mar 26, 2024 at 6:07 PM.

C. Approve Minutes

L. Almonte made a motion to approve the minutes from February Board Meeting on 02-27-24.

C. McCants seconded the motion.

The board **VOTED** unanimously to approve the motion.

II. Finance

A. February Financials

- 3 Million in the bank
- The current deficit is **(\$43,015)**. The **(\$78,090)** is the YTD cash deficit
- We projected a deficit of **(\$559,349)** in the budget
- The new deficit is **(\$446,956)** based on **242 FTE** students
- We will actually be breakeven with **270 FTE** based on our projections.
- We currently have about 260 scholars as of now but because most of them started during the year, they will not be counted as a full time equivalent. For example, if 20 students start in January which means they missed about 50% of the school year then they would be counted as 10 FTE (50% of 20 students)
- Expect the budget to balance out 2024 - 2025 and possible surplus

Lottie asked if our current anticipated deficit will make the school fiscally unsound.

Dighant was able respond. Given the reserve and cash on hand, the school is sustainable.

III. Academic Achievement

A. Principal's Report

Personnel

- In need of one Spanish teacher

Enrollment

- MS has 94 and HS has 165
- There is a drop in our number because some of our migrant scholars have been moved out of state. The 2 in middle school are migrant families that were displaced

and in high school some of our over aged, under credited scholars shifted to alternative schools.

IV. Renewal Review

A. The Process thus far

Erin Cochran, The Senior Executive Director of the Office of Nonpublic and Charter Schools reached out to myself board the Board Chair. In their email they asked some follow-up questions to their visit and the renewal application along with some next steps in this process. In order to ensure they had the information needed to advance our school's potential renewal recommendation on the May Board of Regents meeting timelines, we submitted various documents that were due on this past Friday at 5pm.

They informed us that they are aiming for a May Board of Regents, which has some tight upcoming deadlines with the Easter holiday. They tentatively plan to send a draft board of regents item on Monday for turnaround within 48 hours. These documents are quite short and will mostly include the data we have already shared. When we share that they will also share additional information on the renewal decision and charter agreement. Ms. Cochran is requesting a 2-3 hour-long blocks on 3/27 and 3/28 for the board to join a recommendation call. I informed them that I am available to have this call on Thursday from 1-4pm. Please let me know if that works for the board. I need to inform her of the meeting time this evening.

Meeting with DOE and board on Thursday, March 28, 2024.

Do you have the time to be an active board member?

I am willing and able to be present at board meetings.
