Director's Report

1. Enrollment:

Current count is 394. Five day count, which sets our funding until the 45 day count occurs. The 45 day count sets the funding until the 135th day, which sets the funding for the remainder of the year and beginning of the next school year. We are offering seats continuously to fill the spots and are working on a marketing campaign to attract families. On the flip side, while the numbers are lower, they are better for the overall functioning of the classrooms. If we could afford to not max out the classes, that would be ideal. The current breakdown by level is:

- a. Primary - 87
- b. Lower EI - 86
- c. Upper EI - 86
- d. Middle School - 45
- e. High School - 90

2. Personnel:

- a. We had one Lower EI Assistant Guide quit after the first week of school. Her position was replaced by someone on staff with experience in that level. The new team is thriving.
- b. The role was replaced by another previous Montessori trained Guide and we anticipate this being a perfect fit. This is for the role of Math Interventionist.
- c. We hired a part time MTSS Coordinator the day before preplanning (July 31).
- d. Amy's last official day is 8/31/25, but she will be available this year as a consultant as needed for additional support. She has been doing observations for us and helping tie up loose ends with sponsorships and the student shirts, among other things. It has been extremely helpful having her on campus this last month.
- e. Our Culinary Guide needs to go to Part-Time for family reasons. We really need full time, so we are interviewing people.
- f. We met with PRPD and will be getting a SRO. This is something we have wanted for some time. Now we are working on finding space

for that person to have an office with all the requirements of the program.

3. Architect/New Building Update:
 - a. We still have some ongoing issues with the new build that Martha will be able to elaborate on in her facilities report.
4. Conversations with District/Montessori trainers: None at this time
5. Litigation pertaining to our school.
 - a. No updates to share as of yet.
6. Student injuries:
 - a. No known student injuries this month
7. LMS items pertaining to management
 - a. None at this time
8. Academic results/progress:
 - a. State testing results remain embargoed.
 - b. Fall iReady results are in except for MS Reading and Primary Math - It is our Title I focus to increase our Math scores across the board.
 - c. Bain will give us a report in September once all the data has been gathered.
 - d. Plan to work with the Guides on using the iReady data to identify lagging skills/gaps in knowledge and use the Montessori materials to teach the concepts.
9. Highlights:
 - a. Parent Engagement Night was well attended and well prepared for.
 - b. Title I beginning steps have been completed.
 - c. Sarah attended the Federal Programs Kick-off at the District
 - d. Sarah had her first meeting with Wanda Whatley, PhD., who does the Principal evaluation process. Discussion included setting three goals for the year, timeline of check-ins, possible Masters programs for Sarah.

- e. We received a WholeKids Garden Grant to help with a Green House and raised beds.
 - f. We have a Seed Exchange Box set up at the flagpole area. This was started by the Garden Department and volunteers.
 - g. We have done our first Green Step School step. Finishing our Rain Barrel project, the Storm Water project, and our Monarch tagging/milkweed growing will help us reach the goal of being a [Green Step School](#).
10. Management items for executive session
- a. None at this time on our end
11. Fundraising Needs/Upcoming Events:
- a. Senior Retreat is 8/25 - 27
 - b. Maria Montessori's Birthday celebration on 8/29 at 9am. Please come to help honor Amy.
 - c. Middle School Parent Breakfast on 9/6 from 9am - 11am
 - d. Sarah at the District for September 9 - 10 for the Leadership Summit and the CLIC training for new school leaders.
 - e. Special Olympics Soccer Trip 9/12 - 14 with a school send-off for them and all of our athletes on 9/11 at 10:50am. Please attend if you would like.
 - f. Sarah is attending the Chamber of Commerce event on 9/12 on 'Maximize Your Membership' breakfast. Attendance at Chamber events is part of the plan to advertise the school and increase attendance.
 - g. Met with a grant writer and are looking into possibly engaging with him to focus on finding funds to offset field trip costs.
 - h. September 21 is the International Day of Peace. We will celebrate it on campus on the 19th. This is the day the elementary classes reveal the country they will study for International Night and we will sing, 'Sing Peace Around the World' together. Please join us if you are able.
12. **Non-recurring matters:**
- a. Getting set up with PowerSchool's enrollment and SchoolMessenger features. We should be ready to roll out the enrollment part Oct. 1 so

the lottery and future years will be digital. 25-26 school year will continue to be paper/digital as it leaves more consulting hours and will speed up the lengthy process.

13. Main goals to be working on for the next months:

1. Strategic Planning continues. We are working towards our goals and need to meet to re-evaluate the plan as many things are being done.
2. Getting the free Math Club and other clubs started after school.
3. Garden Department has a Storm water Drain project that will include a mural and educational content
4. Addressing the remaining issues with the new build
5. Continuing to work on the Title 1 requirements
