## **IV. Finance**

### **A. Monthly Financials**

Diana Foskett presented regarding the monthly financials based on her discussion with the accountant. Although the Finance Committee meeting did not have a quorum this month, financials were reviewed with the accountant prior to the Board Meeting. Explain some front-loaded expenditures that account for line items that are currently overbudget

- Ductwork, fire system maintenance were an unexpected expense earlier this year, but Kendra and the accountant have worked together to update a grant application and this money may be recoverable through grant funding.
- Instructional/curriculum materials were prepaid, this was expected to be a front-loaded expense for the year and is not likely to pose any problems with the annual budget.
