Denise Pagan-Vega made a motion to approve the minutes from Monthly Board of Trustees Meeting on 02-11-25.

Donna Carroll seconded the motion.

The board **VOTED** to approve the motion.

D. Welcome Guests

No guests

II. Executive Director's Report to the Board

A. Executive Director's Report to the Board

Teremar shared he town hall experience - it was so organized and awards were encouraging for the students. Discussed open house and how successful it was and how it will not be an annual event. Craft fair is a new event - it's a fun thing to build community. Intent to return forms for current staff were sent. Donna asked about AIC and the staffing and mentorship offerings. Drafted budget will be sent to vote and discuss at next meeting.

III. Committee Updates

A. Academic Excellence

Kiyota reported that assessment are being reported. Results for the student social emotional learning surveys are coming in - 86.6% of students feel that their teachers really care about them most (if not all) of the time and make an effort to get to know them. Looking for people to join our committee. Teremar asked whether we take the weakest indicators on those surveys and make a plan - Kendra indicated that they do like last year the weakest indicator was belonging, so they created groups, they let students take art of townhalls to improve. Denise asked whether we share with families - Kendra indicated that they do not but it is a good idea to share.

B. Finance Committee

Made good progress - numbers look good. School needs to invest their cash returns to maximize our money. Having an investment advisor is a reasonable option to look at our numbers and investments- figuring out an RFP. Budget is being worked on.

C. HR Committee

Kendra has been working with the staff in anti-racism work - a question has resurfaced about benefits accrual and PTO policy. Staff wants to get all of their PTO upfront. Board discussed about concerns around payouts if we decided to give all PTO up front and the liability that comes with that. Negative balances or PTO were also discussed for emergency situations. Talked about updating the handbook - 90 day probationary period to get pto. We want to consider it, and we want to meet the staff halfway. 10 days of sick time - next year they will get 111 days with the floating holiday, and they are able to carry 5 days. Another idea is they will keep track of the balance, it can pro-rate it. Any change we want to make will be effective for next school year.

D.

Governance Committee

Discussing recruitment for the board. We had two more interviews and we are looking for individuals with finance background.

Denise Pagan-Vega made a motion to Approve to have Teremar as a Board Member.

Alton Jones seconded the motion.

The board **VOTED** to approve the motion.

IV. Board Chair Updates

A. Updates

Continue to assess the board's needs, Teremar is asking for a clerk in order to provide support to the chair.

V. Other Business

A. Discussion of Remote Board Issues

Mass legislators wanted to extend the ability to meet remotely to 2027. Bill was being pulled and it has a lot of support. Keeping an eye just in case.

VI. Executive Session

A. Executive Session

Joined executive session at 6:30 and returned at 7:00pm

VII. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:30 PM.

Respectfully Submitted,
Teremar Rodriguez-Vazquez
