<b>III. CONSENT AGENDA</b>		
<b>A.</b> Approval of Board Meeting Minutes - April 29, 2026	Approve Minutes	
<b>B.</b> Approval of Study Session Minutes - May 13, 2026	Approve Minutes	
<b>C.</b> Approval of Payroll & Warrants	Vote	
<b>D.</b> Approval of the Enrollment Report	Vote	
<b>E.</b> Approval of the Personnel Report	Vote	
<b>F.</b> Review of Public Records Requests	FYI	
<b>G.</b> Approval of All Consent Agenda Items	Vote	
<b>IV. NEW BUSINESS</b>		
<b>A.</b> Tiered Fidelity Inventory Presentation (Commitment #2: Welcome & Supportive Learning Environments)	FYI	Erin Hagen
<b>V. OLD BUSINESS</b>		
<b>A.</b> ASB Student Leadership Club Constitution & Bylaws	Vote	
<b>VI. POLICY - NEW</b>		
<b>A.</b> 1250 Students On Governing Boards	Vote	
<b>B.</b> 2140 Comprehensive School Counseling Program	Vote	

Purpose                      Presenter

**VII. POLICY - UPDATES**

- A. 5011 Sexual Harassment of District Staff Prohibited                      Vote
- B. 6100 Revenues from Local, State & Federal Sources                      Vote
- C. 6112 Rental or Lease of District Real Property                      Vote
- D. 6500 Risk Management                      Vote

**VIII. POLICY - REVIEW**

- A. 6120 Investment Funds                      Vote
- B. 6216 Reimbursement for Goods & Services: Warrants                      Vote
- C. 6513 Workplace Violence Prevention                      Vote

**IX. POLICY - REMOVAL**

**X. DISTRICT REPORTS**

- A. Finance Director's Report                      FYI                      Kim Ferra
- B. Superintendent's Report                      FYI                      Kirsten Rue

**XI. Closing Items**

- A. For the Good of the Order                      Discuss
- B. Executive Session                      Discuss
- C. Adjourn Meeting

*"Where students thrive, feel valued, and shape a better world."*

## I. Opening Items

### A. Record Attendance

## B. Call the Meeting to Order

Trish Hefton called a meeting of the board of directors of Griffin School District #324 to order on Wednesday Apr 29, 2026 at 6:00 PM.

Julie Osterberg made a motion to Approve the Agenda.

Tesa Frevert seconded the motion.

The board **VOTED** to approve the motion.

## C. Restorative Center Presentation

Bonnie Duncan, the Restorative Practices Paraeducator at Griffin School District #324, presented an update on the Restorative Center (RC). She introduced herself as the advisor to the seventh and eighth-grade student advocates and provided a foundational overview of the program's philosophy.

Ms. Duncan explained that restorative practices are rooted in Indigenous culture and focus on resolving community conflicts by recognizing that harm to one individual affects the entire community. She noted that:

- The program shifted away from punitive discipline to address the root causes of conflict.
- The process allowed involved parties to be heard, held accountable, and work collaboratively to repair relationships.
- The program utilized trained seventh and eighth-grade students who served as peer advocates.

Ms. Duncan highlighted the rigorous expectations for these students:

- Code of Conduct: Advocates adhered to a strict code of conduct and served as role models both inside and outside the center.
- Confidentiality: Students were held to high standards regarding the privacy of matters brought to the RC.
- Peer Support: Advocates assisted students in grades 1 through 8 with resolving lower-level conflicts.

Since the Restorative Center opened on January 29, 2026, it recorded 399 student visits. These sessions provided students with the opportunity to reflect or engage in restorative conversations.

Ms. Duncan expressed her strong confidence in the program, noting that advocates were not only gaining lifelong interpersonal skills but were also actively teaching those skills to their peers.

Student advocates Mikey and Leiliana detailed the core functions and ethical standards of the Restorative Center (RC):

- Conflict Resolution: The RC utilized "Reflections" for individual processing and "Restorative Conversations" for group mediation to find collaborative solutions.

- Confidentiality: Advocates maintained strict privacy and a "no-gossip" policy, with exceptions only for threats of harm to self, others, or the school.
- Code of Conduct: The team adhered to principles of honesty, equal respect ("Clean Slate"), and leading by example. They also practiced internal accountability to maintain program integrity.
- Methodology: Advocates facilitated sessions by listening without judgment and using guided questions to help peers repair harm and prevent future conflict.

The presentation concluded with a recognition of the student advocates serving in the 3rd, 4th, and 6th periods.

#### **D. Science Fair Presentations**

5th grade teacher Wendy Potkonjak introduced three students who completed outstanding projects for the PTO-sponsored Science Fair. She commended the students for their courage in presenting their scientific findings to the Board and the Superintendent.

##### **Project 1: Plant Hydration and Pigmentation**

**Presenter:** Miss Pernula (Kindergarten)

The student investigated how flowers absorb nutrients and color through their stems using food coloring and water.

**-Findings:** She observed that hydrangeas remained softer than other flowers during the experiment because their stems were less woody, allowing for better hydration.

**-Observation:** The student noted that the blue food coloring was particularly effective in transporting visible color through the petals.

##### **Project 2: Magnetic Slime (The "Symbiote")**

**Presenter:** Legend McCarthy (2nd Grade)

Inspired by a similar experiment performed by his older brother, Maverick, the student demonstrated the creation of magnetic slime.

**-Process:** The "goo" was created by mixing water, baking soda, and a solution containing boric acid.

**-Mechanism:** By adding iron filings to the mixture, the slime became responsive to strong magnets.

**-Conclusion:** The student successfully demonstrated how the slime could be manipulated and "woken up" through magnetism.

##### **Project 3: The Tea Leaf Paradox**

**Presenter:** Santiago (Santi) Houston (5th Grade)

Santi presented a sophisticated study on fluid dynamics titled "The Tea Leaf Paradox." He investigated why stirred tea leaves gather in the center of a cup rather than being pushed to the edges by centrifugal force.

**-Hypothesis:** He hypothesized that at low speeds, secondary flow—a loop-like current moving down the sides and up the center—would push leaves inward. At higher speeds, he predicted centrifugal force would spread them outward.

**-Testing:** Using both manual stirring and a magnetic stirrer, he confirmed his hypothesis.

**-Findings:** The experiment showed that heavier leaves at the bottom of the cup were more susceptible to the secondary flow, effectively gathering in the center, while lighter leaves on the surface remained spread out.

The Board and the Superintendent thanked the students for their hard work and impressive technical knowledge. The session concluded with a commemorative photo of the young scientists with the Board members.

## II. Public Comment

### A. Comments from the Public

#### **TK Teacher Cami McGregor**

Mrs. McGregor spoke on behalf of herself and fellow TK teacher Janelle Hutnik, advocated for the preservation of the Transitional Kindergarten program. She described TK as a vital pipeline for district enrollment, citing the following statistics for the upcoming school year:

-Without TK: Only six in-district students were currently slated to enter kindergarten.

-With TK: The program had already secured 18 students moving into kindergarten, with an additional seven out-of-district families expressing interest in continuing at Griffin.

Mrs. McGregor stated that cutting the program would be short-sighted during a period of widespread enrollment challenges. She noted that families seeking TK elsewhere were unlikely to return to the district in later years.

Beyond enrollment, Mrs. McGregor highlighted data showing that TK students enter kindergarten with significantly higher levels of confidence and academic readiness. She concluded by emphasizing the staff's dedication to the program, including their efforts in community outreach and personal advocacy to ensure the school's future growth.

#### **TK Teacher Jenelle Hutnik**

Mrs. Hutnik addressed the Board to reinforce the critical role Transitional Kindergarten played in the district's viability. She noted that while legislative advocacy for TK had faced significant hurdles at the state level, she felt it was imperative to advocate locally for the program's future. She expressed concern over the potential reduction from two TK classrooms to one, stating that such a cut would negatively impact both staffing and long-term enrollment.

Mrs. Hutnik highlighted a stark shift in enrollment data:

-The district currently maintained three full kindergarten sections.

-Projections for the following year indicated that even with two full TK classes, the district would barely fill two kindergarten sections.

-She emphasized that TK served as a primary "draw" for both in-district and out-of-district families who sought early academic preparation.

She shared that many out-of-district families specifically utilized the TK program as a pathway to remain at Griffin long-term. Ms. Hutnik cautioned that if the district reduced these opportunities, families would seek placement elsewhere and likely would not return.

To demonstrate the program's long-term efficacy, Mrs. Hutnik pointed out that two of the students who presented science fair projects earlier in the meeting were former TK students. She cited this as a "full-circle" example of how early intervention fostered the confidence and academic skills seen in older grades. She concluded by formally requesting that the district maintain full support for two TK classrooms.

#### **5th Grade Teacher & GEA President, Johanna Dowler**

Ms. Dowler, speaking as the President of the Griffin Education Association (GEA), expressed deep concern regarding the potential elimination of three teaching positions. She noted that since joining the district in 2002, Griffin had never faced cuts of this magnitude that resulted in teacher displacement.

Ms. Dowler raised questions regarding the transparency of the district's budget projections. She pointed out a significant discrepancy between the previous year's projected ending balance of \$20,000 and the actual September balance of approximately \$1.5 million.

While acknowledging the challenges of declining enrollment and rising costs, she urged the Board to evaluate administrative overhead. Specifically, she questioned:

-The necessity of maintaining four front-office assistants and a full-time superintendent as student enrollment dropped from 650 to 580.

-The equity of cutting frontline teachers and paraeducators while administrative staffing levels remained unchanged.

Ms. Dowler emphasized that maintaining a robust TK program was the most effective way to address the enrollment crisis. She warned that state regulations might prevent the district from expanding the program in the future if a classroom were cut now.

She suggested that Griffin should capitalize on the closure of TK programs in neighboring Olympia to recruit new families. To assist with district costs, she proposed:

-Spreading tuition costs across non-exempt students to increase affordability.

-Implementing modern payment systems, such as autopay or upfront payment discounts, to ensure consistent revenue.

Ms. Dowler concluded by urging the Board to be proactive and "think outside the box" rather than allowing fear to dictate budgetary decisions. She advocated for a forward-thinking approach to protect the long-term future of the students and the community.

#### **Kindergarten Teacher, Ali Daugherty**

Mrs. Daugherty spoke as both a kindergarten teacher and a prospective parent of an incoming TK student. While acknowledging the difficulty of the district's budgetary situation, she urged the Board to consider the varying long-term impacts of specific cuts. She noted that since the implementation of TK at Griffin, she had observed a significant improvement in student outcomes, particularly for those requiring more support.

Drawing on her professional experience, Mrs. Daugherty highlighted several key benefits of the program:

- Acclimation: TK allowed students to build relationships with trusted adults and become familiar with the school environment a year before entering kindergarten.
- Stronger Foundations: Students entered her classroom with better-developed foundational skills, both socially and academically.
- Efficiency of Resources: She argued that TK functioned as a research-backed investment, providing early interventions that reduced the long-term need for special education services and student retentions.

Mrs. Daugherty encouraged the Board to think creatively to preserve the program, emphasizing that early intervention was the most effective way to support students' long-term success. She concluded by reiterating the widespread staff and community support for the program's continuation.

#### **5th Grade Teacher, Wendy Potkonjak**

Mrs. Potkonjak, speaking as a former student, parent, and current teacher within the district, emphasized the long-standing reputation of Griffin School District as a "sought-after" community. She noted that real estate listings frequently highlight the school as a primary selling point for the area. She cautioned the Board that cutting foundational programs like Transitional Kindergarten (TK) would damage this reputation and hinder the district's ability to attract and retain families.

Mrs. Potkonjak raised concerns regarding the loss of in-district students at the upper elementary and middle school levels. She reported that:

- Coordination with 4th-grade staff indicated a projected loss of nearly seven in-district students moving into the 5th and 6th grades next year.
- The district currently lacked an exit survey or formal process to determine why local families were choosing to leave (e.g., relocation, financial reasons, or dissatisfaction).

She urged the Board to investigate the root causes of student attrition to prevent further population loss. Regarding the budget, Mrs. Potkonjak echoed previous sentiments that:

-Equity in Reductions: If cuts were necessary, they should be applied across the board rather than targeting specific grade levels or programs.

-Creative Problem Solving: The district should "think outside the box" to find alternative funding solutions to maintain the programs that make the school a desirable destination for families.

### III. CONSENT AGENDA

#### A. Approval of Board Meeting Minutes - March 25, 2026

Tesa Frevert made a motion to approve the minutes from Griffin School Board Meeting on 03-25-26.

Julie Osterberg seconded the motion.

The board **VOTED** to approve the motion.

#### B. Approval of Study Session Minutes - April 15, 2026

Tesa Frevert made a motion to approve the minutes from Griffin School Board Study Session on 04-15-26.

Julie Osterberg seconded the motion.

The board **VOTED** to approve the motion.

#### C. Approval of Payroll & Warrants

#### D. Approval of the Enrollment Report

#### E. Approval of the Personnel Report

#### F. Review of Public Records Requests

#### G. Approval of All Consent Agenda Items

Tesa Frevert made a motion to Approve all Consent Agenda items.

Julie Osterberg seconded the motion.

The board **VOTED** to approve the motion.

### IV. NEW BUSINESS

#### A. Student Representative Process

Superintendent Kirsten Rue presented a draft proposal for a new policy and procedure aimed at bringing student representatives onto the School Board beginning in the 2026–2027 school year. She noted that this draft incorporated feedback from the Board's previous study session.

The proposed timeline for the policy is as follows:

**-First Reading:** Presented during the current meeting for initial review.

**-Study Session:** To be discussed in detail at the next scheduled study session.

**-Potential Adoption:** Slated for formal adoption by the end of May 2026.

The Board expressed unanimous support for the proposal, noting that incorporating student voices had been a long-standing goal of the members. They thanked the Superintendent for moving the initiative forward and indicated they would review the draft in preparation for the upcoming study session.

## V. OLD BUSINESS

### A. Resolution 25-26-03

Superintendent Rue requested Board approval for a formal resolution to be submitted to the Office of Superintendent of Public Instruction (OSPI). The resolution seeks a waiver to allow two days dedicated to Family Connection Meetings to be counted as official school days within the instructional calendar.

The Superintendent noted that the previous year marked the inaugural implementation of these meetings, which yielded the following results:

**-Positive Parent Feedback:** Families responded well to the initiative, and the district is currently incorporating community suggestions for further improvement.

**-Student Success:** Staff reported a smoother transition on the first day of school, specifically noting "fewer tears" as students felt more comfortable with their teachers and classrooms prior to the official start.

The Superintendent recommended approval of the resolution to ensure the district can continue this process, which has proven effective in fostering a supportive start to the academic year for students and families.

Tesa Frevert made a motion to Approve Resolution 25-26-03.

Emma Rose seconded the motion.

The board **VOTED** to approve the motion.

## VI. POLICY - NEW

### A. 3411 Accommodating Students with Seizure Disorders or Epilepsy

Superintendent Rue introduced agenda items A through E, which consisted of new policies regarding student health and wellness. She explained that these additions were necessary to address gaps in the district's current policy manual and would provide formal guidelines for health room operations and general student well-being.

Julie Osterberg made a motion to Approve Policy 3411.

Tesa Frevert seconded the motion.

The board **VOTED** to approve the motion.

### B. 3419 Self Administration of Asthma and Anaphylaxis

Emma Rose made a motion to Approve Policy 3419.  
Tesa Frevert seconded the motion.  
The board **VOTED** to approve the motion.

**C. 3420 Anaphylaxis Prevention and Response**

Tesa Frevert made a motion to Approve Policy 3420.  
Julie Osterberg seconded the motion.  
The board **VOTED** to approve the motion.

**D. 3422 Student Sports: Concussion, Head Injury and Sudden Cardiac Arrest**

Emma Rose made a motion to Approve Policy 3422.  
Julie Osterberg seconded the motion.  
The board **VOTED** to approve the motion.

**E. 3424 Opioid Related Overdose Reversal**

Emma Rose made a motion to Approve Policy 3424.  
Julie Osterberg seconded the motion.  
The board **VOTED** to approve the motion.

**F. 4129 Family Involvement**

Superintendent Rue presented Policy 4129 (Family Involvement), noting that while the policy is discretionary rather than legally mandated, it directly aligns with the district's Strategic Plan. She emphasized that adopting the policy would formally reinforce the district's commitment to prioritizing family connections and community relations. The Board reviewed the policy as a proactive step to ensure operational consistency with their stated strategic goals.

Emma Rose made a motion to Approve Policy 4129.  
Tesa Frevert seconded the motion.  
The board **VOTED** to approve the motion.

**VII. POLICY - UPDATES**

**A. 3124 Removal-Release of Student During School Hours**

Superintendent Rue presented updates to an existing district policy that had not been revised in several years. She noted that the current draft included minor language adjustments to ensure the policy remains current and accurate. These updates were proposed to modernize the policy manual and reflect contemporary terminology.  
Julie Osterberg made a motion to Approve Policy 3124.  
Emma Rose seconded the motion.  
The board **VOTED** to approve the motion.

**B. 3413 Student Immunization and Life Threatening Conditions**

Superintendent Rue informed the Board that the Educational Service District (ESD) conducted its annual review of the district's health room operations. The audit focused on analyzing internal processes to ensure high standards of student care. The Superintendent noted that the district's health room Nurse, Chelsea, received excellent performance marks during this evaluation.

As part of the audit, the ESD reviewed the district's health-related policies for legal compliance. Policy 3413 was identified as requiring an update to meet current standards. The Superintendent provided the Board with the following for review:

-Current Version: The existing policy for comparison.

-Proposed Version: The updated draft reflecting the ESD's recommendations for immunization and health condition protocols.

Julie Osterberg made a motion to Approve Policy 3413.

Tesa Frevert seconded the motion.

The board **VOTED** to approve the motion.

## VIII. DISTRICT REPORTS

### A. Finance Director's Report

Finance Director Kim Ferra presented the budget status reports for all district funds, reflecting data through **March 2026**. She noted that the April reports would be finalized following the reconciliation of state apportionment, which is distributed at the end of each month based on OSPI enrollment data.

#### **Budget Development for 2026-2027**

Ms. Ferra provided an update on the ongoing budget development process, highlighting several key factors:

**-Timeline:** Per OSPI regulations, the formal budget must be adopted by **July 1st**. Ms. Ferra noted that while the budget is a legally required document, it remains a fluid plan throughout the fiscal year.

**-Priorities:** The finance department is focused on maximizing resources to maintain as much district programming and staffing as possible.

**-Pending Data:** The district is still awaiting final federal funding allocations. Program-specific allocations are currently being finalized.

#### **Revenue and Expenditure Projections**

The preliminary budget process involves utilizing the state's revenue projection tool. Ms. Ferra explained that the final proposal will integrate:

**-Enrollment Data:** Analyzed and projected to determine state funding levels.

**-Expenditures:** Comprehensive accounting of salaries, benefits, and **MSOCs** (Materials, Supplies, and Operating Costs).

**-Fund Balance:** Balancing projected revenues against the anticipated beginning fund balance.

Ms. Ferrera concluded by stating that the process remains in its preliminary stages as OSPI continues to release updated data. She committed to providing regular updates as the July adoption deadline approaches.

## **B. Superintendent's Report**

Superintendent Rue highlighted a successful community event held earlier that day involving Mrs. Stottlemeyer's class. Local seniors, who serve as pen pals for the students throughout the year, visited the building to meet their student counterparts in person. The Superintendent noted the value of the intergenerational conversations and the positive energy the visitors brought to the school.

Superintendent Rue invited the community to the upcoming **Senior Luncheon** scheduled for **May 19th**. The event will feature:

**-Student Performances:** Highlights include a performance by the kindergarten classes and a presentation by the school band.

**-RSVP Information:** Interested residents can find details on the district website or RSVP directly through the district office via Allison.

The Superintendent encouraged everyone to spread the word to local seniors to ensure a strong turnout for this annual community celebration.

## **IX. Closing Items**

### **A. For the Good of the Order**

### **B. Executive Session**

The Board entered Executive Session at **6:56 PM**.

The session was initially anticipated to last 45 minutes; however, the Board subsequently moved to extend the session by an additional 30 minutes.

### **C. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:28 PM.

Respectfully Submitted,  
Trish Hefton

---

*"Where students thrive, feel valued, and shape a better world."*

## I. Opening Items

A.

## Record Attendance

### B. Call the Meeting to Order

Trish Hefton called a meeting of the board of directors of Griffin School District #324 to order on Wednesday May 13, 2026 at 6:02 PM.

### C. Pledge of Allegiance & Land Acknowledgement

### D. Approval of Agenda

Blair Baker made a motion to approve the agenda.

Julie Osterberg seconded the motion.

The board **VOTED** to approve the motion.

## II. New Business

### A. ASB Constitution

#### [ASB Constitution Proposal](#)

Superintendent Kirsten Rue introduced a first reading of the revised Student Leadership Club (ASB) Constitution. She highlighted a key update in Article 3, Section 4 regarding the addition of student representatives to the School Board, pending final policy approval in two weeks.

ASB Advisor Anneka Brown explained that the revisions aimed to increase student accountability and momentum. She noted that while 27 students initially joined the club, consistent attendance dropped to 10–15 members. To address this, Mrs. Brown moved meetings to Friday Advisory periods to ensure accessibility while reducing absences caused by students choosing social "flex" time over club obligations.

The Board spoke in favor of the official name change to "Student Leadership Club" and commended the new accountability standards. The revised constitution was slated for formal approval at the next board meeting.

### B. District Communication Update

#### [District Communication Update](#)

Executive Assistant Allison Adair provided an update on the district's communication goals, which focused on clarity, consistency, and connection. Key achievements from the past year included:

-Operational Consistency: Establishing rigorous processes for message double-checking and optimal channel use.

-Volume Control: Actively managing the frequency of communications to prevent "information overload" and ensure families remained engaged.

- The Grizzly Gazette: Successfully launching a monthly district-wide newsletter sent on the first school day of each month.
- Community Responsiveness: Prioritizing professional and timely responses to parent and community inquiries, typically within the same business day.

A mid-year survey of district families revealed that email and Facebook remained the most consistent platforms for receiving information. Notably, 70% of respondents felt the current volume of communication was appropriate.

Based on survey feedback and student requests, Ms. Adair announced several upcoming digital initiatives:

- Instagram Launch: A new account was planned for summer 2026 to better reach the student population.
- Video Messaging: The district began exploring the feasibility of video updates.
- Platform Streamlining: In response to parent frustration regarding the variety of apps used by individual teachers, the district planned to work with staff to streamline classroom-level communication.

Ms. Adair detailed three major initiatives for the 2026-2027 school year:

- Parent Communication Team: A new advisory group was being formed to act as the "eyes and ears" of the community. A Google interest form was being distributed to ensure representation from elementary, middle, tribal, and SPED families.
- 100th Anniversary Celebration: The "1927 Crew" planning committee—comprising staff, board members, and community representatives—had begun organizing centennial festivities.
- Griffin PAWS Program: Standing for *Partners Aligning With Students*, this new sponsorship model allowed local businesses to support specific clubs or classes (e.g., a \$500 sponsorship for the cooking club) in exchange for digital branding and district recognition.

Superintendent Rue commended Ms. Adair for her work in elevating the district's professional image and improving communication systems. The Board noted the impressive volume of work and expressed support for the upcoming engagement projects.

### III. New Policy

#### A. 1250 Students on Governing Boards

Emma Rose arrived at 6:30 PM.

Superintendent Kirsten Rue presented a second reading of Policy 1250, which established the framework for student representatives to serve on the School Board. She emphasized that because Board members would interact with these students regularly, it was essential to understand the underlying procedures.

Key points regarding the selection process included:

- Joint Selection: A designated Board member would collaborate with the Superintendent to review applications and conduct interviews.
- Selection Criteria: The Board discussed whether the role should be tied to a specific office (such as Board Chair or Legislative Representative) or remain open to any member with the capacity and availability to mentor the students. The consensus leaned toward a flexible appointment based on individual member bandwidth.

The Board engaged in a robust discussion regarding whether student representatives should be granted an advisory vote. Superintendent Rue noted that this practice was encouraged by the Washington State School Directors' Association (WSSDA) to ensure student voices were formally recognized.

The Board reached several conclusions regarding this privilege:

- Purpose of the Vote: While student votes would not be legally binding, they would serve as a formal "temperature check" of the student body's perspective. If student representatives voted in opposition to a proposal, it would signal the Board to engage in more robust discussion or provide further clarification.
- Language Adjustments: The Board suggested amending the policy language from "will" to "may" regarding the advisory vote. This change aimed to provide students with the opportunity to weigh in without the pressure of being required to vote on every issue, especially those where they might feel uninformed or intimidated.
- Voting Procedure: To minimize individual intimidation, the Board proposed that student representatives vote as a group—similar to the standard Board procedure—by calling for all in favor and then those opposed.

The Board expressed significant enthusiasm for the initiative, viewing it as a respectful way to integrate student opinions into district policy-making. Superintendent Rue committed to working with the students to help them review complex policies ahead of time so they could provide informed feedback during meetings.

This policy was scheduled for final approval at the next board meeting.

## **B. 2140 Comprehensive School Counseling Program**

Superintendent Kirsten Rue introduced Policy 2140, a new policy concerning the district's school counseling "footprint". She noted that while the district did not previously have this specific policy in place, it was recently identified as a high-priority item in the Washington State School Directors' Association (WSSDA) policy and legal updates.

Key points of the discussion included:

- Professional Value: Superintendent Rue expressed her strong support for the district's counselors and the essential work they perform.
- Staffing Challenges: She acknowledged the ongoing challenge of staffing.

-Program Scope: The Board reviewed the policy language.

The policy was presented to be added to ensure the district remains aligned with current legal recommendations regarding student support services.

#### **IV. Policy Updates**

##### **A. 5011 Sexual Harassment of District Staff Prohibited**

Superintendent Kirsten Rue presented an update to Policy 5011, which addresses the prohibition of sexual harassment of district staff. She noted that this revision was prompted by updates from the Washington State School Directors' Association (WSSDA) in March.

The primary driver for the update was recent changes in Title IX law. Superintendent Rue explained that the revision was not a major shift in policy but rather the addition of specific language regarding sexual harassment to ensure the district remains in full legal compliance.

##### **B. 6100 Revenues from Local, State & Federal Sources**

Superintendent Kirsten Rue introduced an update to Policy 6100, which governs the intake and management of district revenues from local, state, and federal sources. She noted that the existing policy dated back to 1999 and required significant revisions to reflect modern standards.

The primary objectives of the update included:

- Modernization: Bringing the policy's language and procedures into the 21st century as part of a broader effort to update the district's 6000-series financial policies.
- Regulatory Alignment: Addressing the significant shifts in how school revenues have been structured and managed since the policy's original adoption.
- Management Oversight: Outlining the specific processes the district follows to manage and track various revenue streams effectively.

##### **C. 6112 Rental or Lease of District Real Property**

Superintendent Kirsten Rue presented updates to Policy 6112, which were part of an ongoing series to modernize district financial policies. The revisions included significant changes to the setup and the addition of specific language highlighted in the draft. The Board reviewed optional sample language regarding an exception for property rented or leased as a personal domicile. Although the district's 41st property is occasionally rented for day use, the Board determined that the domicile exception was not applicable to current operations. The Board reached a consensus to exclude the domicile language to ensure it was clear that district property is not intended for residential use.

##### **D. 6500 Risk Management**

Superintendent Kirsten Rue introduced updates to Policy 6500, noting the outlined additional language included in the draft. During the review, it was clarified that because the district is categorized as a second-class district, the language specific to first-class districts would be removed to shorten and simplify the policy. In response to Board inquiries, the Superintendent explained that the distinction between first and second-class districts is based on student population, with first-class districts serving 2,000 or more students. The Board discussed how these classifications affect various administrative deadlines and agreed to proceed with the more concise version of the policy tailored to the district's size.

## V. Policy Review

### A. 6120 Investment Funds

Superintendent Kirsten Rue transitioned the session to a formal review of Policy 6120, concerning investment funds. This review was part of a larger administrative effort to update and maintain clean copies of district policies, specifically focusing on those that had not been formally revisited by the Board in the last 25 years. The Superintendent clarified that Policy 6120, along with the subsequent two policies on the agenda, were presented for review to ensure the Board remained current on all financial and administrative procedures. The process was described as a standard measure to maintain institutional accuracy and ensure that every governing document has been recently vetted by the active Board.

### B. 6216 Reimbursement for Goods & Services: Warrants

### C. 6513 Workplace Violence Prevention

## VI. Superintendent Updates

### A. Superintendent Kirsten Rue

#### I. Understanding the Five District Funds

Superintendent Kirsten Rue grounded the Board in the reality of school finance, noting that the district operates five distinct budgets with very limited ability to transfer money between them:

- General Fund: The primary area of concern, used for staff salaries, curriculum, and daily operating costs.
- ASB Fund: Student-managed funds for extracurriculars.
- Transportation Vehicle Fund: Restricted for the purchase of school buses.
- Capital Projects Fund: Funds designated by voters for building maintenance and repairs (currently healthy).
- Debt Service Fund: Used for principal and interest payments.

#### II. Staffing Reductions and Enrollment Realities

Due to a projected decrease of 36 students for the 2026-27 school year, primarily in Kindergarten and Transitional Kindergarten (TK), the Superintendent announced necessary staffing reductions to stabilize the General Fund:

- Certificated & Administrative: Reduction of 2.0 Teacher FTE and 0.2 Assistant Principal.
- Classified Staff: Reduction of 2.0 Paraeducator positions, 1.0 Office Professional, 1.0 Food Service Assistant, and 1.0 Custodial position.
- Operational Changes: All Paraeducators will move from 7-hour to 6.5-hour shifts.
- District Office: The Fiscal Director role will transition to a Business Manager model, resulting in a 27% salary reduction through reallocated duties.

The Superintendent noted that while keeping staff "close to the kids" is the priority, enrollment is currently at a post-COVID low across Washington State, largely due to declining birth rates.

### III. The Structural Deficit

The Superintendent highlighted a "structural deficit," where expenditures—driven by state-mandated costs—grow faster than state revenue.

- Salary Gaps: The state provides a flat \$80,000 per teacher, but the average Griffin teacher salary is approximately \$97,000. The district must use local levy dollars to cover the \$17,000 difference per teacher.
- The Levy Lid: While the community is generous, state "levy lids" cap how much the district can collect (\$2.50 per student). As enrollment drops, the total levy revenue also drops.
- Unfunded Mandates: Costs for health benefits (SEBB), utilities, insurance, and substitutes (state funding for subs is typically exhausted by mid-October) continue to outpace state funding.

### IV. Financial Outlook and Fund Balance

The district's ending fund balance has seen a "precipitous drop," falling from \$2.8 million to \$1.4 million over the last few years.

- Cash Flow Challenges: The district faces its lowest cash reserves in January, February, and March when state apportionment is at its minimum.
- Binding Conditions: The Superintendent warned that without these current cuts, the district would risk "binding conditions"—a state of financial insolvency where the state takes over district decision-making or forces a merger with a neighboring district.

### V. Advocacy and Next Steps

The Board discussed making "levy lid" reform a legislative priority. Superintendent Rue emphasized that the current system prevents taxpayers from paying the full amount they have already voted to approve for their schools. A fiscal update with graphics showing the gap between voter-approved amounts and actual collections is planned for the next meeting to further illustrate this point to the public.

## VII. Closing Items

## A. For the Good of the Order

### I. WSSDA Regional Meeting Takeaways

Board members Osterberg and Frevert shared insights from the recent WSSDA (Washington State School Directors' Association) Director Area 5 regional meeting held in Tenino. Key discussion points included:

**-WSSDA Strategic Plan:** The association is actively seeking feedback on how they can make the greatest impact. Board members were encouraged to submit feedback on legislative priorities and district needs through the Legislative Representative.

**-Legislative Advocacy:** A key takeaway was the importance of engaging legislators outside of the active session. The Board discussed inviting legislators to low-pressure events such as promotion ceremonies, celebrations, or monthly study sessions to build relationships and showcase district programs.

**-Community Outreach:** The meeting sparked a discussion on increasing Board presence at community events. Potential opportunities identified included:

**-Neighborhood Association Picnic:** This was identified as a major event for direct community engagement.

**-Local Groups:** Increasing participation or presentations at the Griffin Neighborhood Association, the Grange, and the Lions Club.

**-Digital/Market Events:** Exploring presence at the "monthly market" sales or Grange events.

### II. Collaboration and Regional Networking

The Board discussed the benefits of networking with neighboring districts to share strategies and address common challenges:

**-District Networking:** There was a noted interest in joining regular meetings held by superintendents and legislative representatives from Olympia, North Thurston, and Tumwater.

**-Student Engagement:** A member shared an idea from another small district regarding a "tech-free weekend" challenge between neighboring middle schools to foster student relationships across district lines.

### III. Celebrations and Upcoming Events

The Board highlighted several upcoming milestones and community recognitions:

**-Senior Luncheon:** The Griffin School Foundation is hosting a luncheon for seniors (55+) on Tuesday, May 19th at 12:00 PM. Board members were encouraged to attend to connect with community members.

**Student Achievement:** The Board will recognize a local Girl Scout for her impressive work on a battery recycling project.

**-Promotion and Graduation:** Griffin 8th Grade Promotion June 11, CHS Graduation June 12

## B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:37 PM.

Respectfully Submitted,  
Trish Hefton

## ASB Student Leadership Club Constitution & Bylaws

**Section:** V. OLD BUSINESS  
**Item:** A. ASB Student Leadership Club Constitution & Bylaws  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** ASB Constitution Griffin Middle School - May 27, 2026 (1).pdf

# GRIFFIN MIDDLE SCHOOL ASSOCIATED STUDENT BODY (ASB) STUDENT LEADERSHIP CLUB CONSTITUTION & BYLAWS

---

## **PREAMBLE**

We, the students, for the promotion of good government, good sportsmanship, student activities, and the general welfare of Griffin Middle School, establish the constitution of the Associated Student Body Student Leadership Club.

## **ARTICLE 1 - PURPOSE**

The purpose of this organization shall be to foster a spirit of loyalty among students of Griffin Middle School. It shall also support all forms of student activity, and strive to build a sense of school pride and community at Griffin Middle School.

## **ARTICLE II - NAME, COLORS, AND MASCOT**

### Section 1 - Name

The school government shall be known as the Griffin Middle School Associated Student Body Council.

### Section 2 - Colors

The official school colors for Griffin Middle School are red, white, and black.

### Section 3 - Mascot

The Griffin Middle School mascot will be a grizzly bear.

## **ARTICLE III - Membership**

### Section 1 - Student Eligibility

- A. Only students registered as full-time or part-time students at Griffin middle school may be in the Associated Student Body (ASB) Student Leadership Club or serve on the ASB student council.
- B. All prospective members must complete a short application. Applications shall be reviewed by the ASB Advisor and at least one school administrator.

### Section 2- Term of Membership

- A. The term of membership is for the present school year only, and all membership must be re-established each school year.

### Section 3- Requirements of Membership

- A. All members will abide by Griffin School District policies and Washington State laws, regulations, and codes.

- B. Members are required to attend all club meetings. Absences may be excused at the discretion of the ASB Advisor. Valid examples of excused absences include, but are not limited to, teacher summons, the need to complete or make up schoolwork, or illness. Unexcused absences will result in the following:
  - a. 1st Unexcused Absence: Verbal warning from ASB Advisor.
  - b. 2nd Unexcused Absence: Written warning from ASB Advisor issued to the student and the student's parents or guardians.
  - c. 3rd Unexcused Absence: Student will be placed on probation for one month.
  - d. 4th Unexcused Absence: The ASB Officers will vote as to whether the student may continue as a ASB and Student Leadership Club member or not.
- C. All members are required to volunteer for at least two school related functions per semester.

#### Section 4 - School Board Student Representatives

- A. Two student representatives will be selected by the Superintendent and one or more members of the Board of Directors in the spring of the year to serve on the Board for the following year.
- B. If the selected student representative is not a current member of the Griffin ASB Student Leadership Club, the student representative will become a member of the ASB Student Leadership Club.
- C. Students will provide reports to the Board during the agenda item titled, "Student Representative Board Report." The reports will include student activities, topics, and concerns which the Griffin ASB Student Leadership Club wished to share with the Board.

### **ARTICLE IV - Officers**

#### Section 1 - Officers

The officers of the ASB shall be as follows: President, Vice-President, Secretary, and Treasurer. Grade Officers will include one (1) representative from each grade level. Officers and representatives must maintain a minimum of a 2.0 grade point average with no failing (F) grades. In the grading term prior to elections, candidates must have the minimum grade point average or higher. If an officer's grades fall below minimum during a quarter, he/she/they will be placed on probation until the next quarter. At that time, if the grades have not improved to satisfactory levels, the student will be removed from office. A new officer will be appointed by the remaining officers. This appointment must be confirmed by majority vote of the Student Council. The appointee is subject to advisor veto prior to the Student Council confirmation.

#### Section 2 - President

- A. The duty of the president shall be to preside all of the student council meetings.
- B. The president must be in the 8th grade.
- C. The president must enforce the constitution.
- D. The president must be a representative at all ASB school related functions.
- E. The president may assign committees to specific tasks.
- F. The president will lead the Pledge of Allegiance at school assemblies.

#### Section 3 - Vice President

- A. The Vice President shall fill the office of president in the absence of the president.
- B. The Vice President shall be in the 7th grade.
- C. The Vice President shall typically chair committees on which he/she/they serve except if the president chairs that committee.

- D. The Vice President must be a representative at all school related functions in the absence of the president.

#### Section 4 - Secretary

- A. The secretary shall record the minutes of the student council meetings, prepare a report of each meeting on a bulletin type form, present the report to the Principal, and post the report on the bulletin board in the middle school office.
- B. The secretary may be in the 6th, 7th, or 8th grade.
- C. The secretary is responsible for recording all motions made by the student council and including those in the minutes of the meeting.
- D. The secretary is responsible for recording verbatim any rules added or changed in the constitution.

#### Section 5 - Treasurer

- A. The treasurer shall keep a record of all the student body finances and make up to date reports each month at the student council meetings.
- B. The Treasurer shall be in the 6th, 7th, or 8th grade.
- C. The treasurer, along with the ASB advisor, will sign authorized vouchers for bills to be given to the Griffin School District Business Manager.

#### Section 6 - Grade Level Representatives

- A. The Grade Level Representative will be responsible for providing input and information from their specific grade level to share at the ASB Student Council meetings.
- B. There will be one Grade Level Representative for 6th, 7th, and 8th grade.
- C. The Grade Level Representative will be responsible for reviewing the Suggestion Box at each ASB Student Council meeting.

### **ARTICLE V - Election of Officers**

#### Section 1- Election Timeline

Elections will be held no later than the full fourth (4th) week after the school year begins.

#### Section 2 - Nominations

Each candidate must be nominated by members of the ASB student leadership club. Nominations will be held on or before the second scheduled ASB meeting.

#### Section 3- Candidate Review

Each candidate will be reviewed by the ASB advisor to confirm that they meet the minimum grade point average and review the student's behavioral data.

#### Section 4- Election Meeting

There will be an election meeting by the end of the fourth (4th) full week of school. At the election meeting, each candidate will present a speech (President, Vice President, Secretary, and Treasurer) to the other student members. Grade Level Representatives will not be required to present a speech.

## Section 5 - Voting

The candidate who receives the plurality (highest number of votes) will be declared the winner. If two candidates are tied for most votes, the members will do a re-vote to determine the winner. If the re-vote results in another tie, the candidates will co-chair the position.

## **ARTICLE VI - Legislative Student Council**

### Section 1- Student Council Members

The Student Council shall consist of the four elected ASB Officers and the class representatives from grades 6, 7, and 8.

### Section 2- Student Council Proceedings

All proceedings of the Student Council shall be according to Robert's Rules of Order. The ASB Advisor will be given the ability to limit discussions or debates.

### Section 3- Meeting Conduct

The ASB President, presiding officer, or ASB Advisor may remove a Student Council member for disorderly conduct during a meeting. If a student misses 3 or more consecutive Student Council meetings, the ASB Officers will vote as to whether the student may continue on the student council or must be replaced.

### Section 4- Quorum

The Student Council meeting must have a quorum (4) of students to present or conduct business.

### Section 5- Motions

Motions made at the Student Council meetings must be passed by a majority vote of the members present. Prior motions may be repealed by the same manner.

### Section 6- Voting Procedures

All members of the student council shall have one vote. The president shall not vote except to cast the deciding vote or in the case of a tie vote.

## **ARTICLE VII - Administrative Approval**

All Student Council actions must meet the approval of the Griffin Administrator overseeing ASB. The administrator has the right of veto over any motion or appointment.

## **ARTICLE VIII - Amendments**

The constitution may be amended by a 2/3rds majority vote of the Student Council. Any amendment to the constitution is subject to the approval of the Griffin ASB Advisor and the Griffin Administrator overseeing ASB.

## **ARTICLE IX - Meetings**

Meetings of the Student Council shall not be held less than once per month following the election of the ASB Student Council officers. Additional meetings can be scheduled by the ASB Advisor or by a majority decision by the ASB Council.

**ARTICLE X- Funds**

Prior to the last day of school, the Student Council shall approve the budget for the following school year. Records of funds shall be maintained. The Student Council will comply with all District and state regulations pertaining to revenues, disbursements, and handling of funds.

**ARTICLE XI - Recognition**

The constitution, when approved by the Griffin School Board of Directors, recognizes the ASB Student Council as a District Student organization.

Griffin School Board of Directors approval on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.

Signatures of Associated Student Body Council:

- \_\_\_\_\_, President
- \_\_\_\_\_, Vice President

## 1250 Students On Governing Boards

**Section:** VI. POLICY - NEW  
**Item:** A. 1250 Students On Governing Boards  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** 1250 Students On Governing Boards.docx (1).pdf

**Policy: 1250**  
**Section: 1000 - Board of Directors**

---

## **Students On Governing Boards**

The Griffin Board of Directors recognizes the value of student representation on the school board so that student voice and input is included in the board's work. The school district will annually seat two student representatives. Student representatives will communicate with other district students and receive their input and perspectives.

Student representatives on the board are expected to attend all study sessions and alternating board meetings. The student members will contribute to board discussion by providing student insight and perspective, serve as a liaison for the associated student body, and report to students about the work of the board and district activities. Student representatives will not attend executive sessions or hold board offices. Student representatives may provide the board with advisory votes on agenda items as follows. Immediately before the board votes on an agenda item, the student board representatives will have the opportunity to provide their advisory vote – whether pro, con, or abstain.

## 2140 Comprehensive School Counseling Program

**Section:** VI. POLICY - NEW  
**Item:** B. 2140 Comprehensive School Counseling Program  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** 2140 Comprehensive School Counseling Program.docx.pdf

**Policy 2140**  
**Section: 2000 - Instruction**

---

## **Comprehensive School Counseling Program**

The Griffin Board of Directors recognizes that a comprehensive school counseling program based on current national and state standards of best practice is an important part of the district's total program of instruction and support for all students.

The district will create a written plan to develop a comprehensive school counseling program of tiered services in accordance with state laws and regulations, school improvement plans, ethical standards, and district policies and procedures. The district will revise its plan as necessary based on relevant data. The district will also create a transition plan that supports the long-term goal of full implementation of the written plan over time.

A school counselor is a professional educator who holds a valid school counselor certification as defined by the professional educator standards board. School counselors serve a vital role in the comprehensive school counseling program. The school counselor plans, develops, organizes, and leads delivery of a comprehensive school counseling program that focuses on the academic, career, and social-emotional needs of all students, based on the national standards for school counseling programs of the American School Counselor Association and state standards. School counselors align supports with the district's vision, mission, and school improvement goals. In addition to school counselors, all Educational Staff Associate (ESA) staff, in collaboration, serve to support the implementation of a comprehensive, multi-tiered system of student supports.

It is the goal of the Griffin Board of Directors that the district's comprehensive school counseling program will assist every student in acquiring the knowledge, skills, and attitudes needed to become an effective student, responsible citizen, productive worker, and a lifelong learner. To that end, the district will develop and use materials, orientation programs, professional learning, and evidence-based counseling techniques that encourage participation in all available guidance and support opportunities, school programs, and courses of study, including career and vocational technical programs and employment opportunities.

The district will not deny any student the ability to participate in or benefit from its student support system based on sex, race, ethnicity, homelessness, immigration or citizenship status, creed, religion, color, national origin, honorably discharged veteran or military status, sexual orientation, gender expression or identity, the presence of any sensory, mental, or physical disability, neurodivergence, or the use of a trained dog guide or service animal, whether they take place on or off school grounds or are offered as part of the district's online or alternative learning programs.

The board will provide resources to support the foundation, content, and continuous improvement of a comprehensive K-8 school counseling program, consistent with best practices described in state and national models. As feasible within existing resources, all school counseling programs will include the following elements: classroom counseling curriculum, individual student planning, responsive services, and systems support for the counseling program.

## 5011 Sexual Harassment of District Staff Prohibited

**Section:** VII. POLICY - UPDATES  
**Item:** A. 5011 Sexual Harassment of District Staff Prohibited  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** 5011 Sexual Harassment of District Staff Prohibited.docx.pdf

**Policy: 5011**  
**Section: 5000 - Personnel**

---

## **Sexual Harassment of District Staff Prohibited**

This district is committed to a positive and productive working environment free from discrimination, including sexual harassment. This commitment extends to all employees and other persons involved in academic, educational, extracurricular, athletic, and other programs or activities of the school, whether that program or activity is in a school facility, on school transportation, or at a class training held elsewhere.

### **Definitions**

For purposes of this policy, sexual harassment means unwelcome conduct or communication of a sexual nature. Sexual harassment can occur student to adult, adult to adult or can be carried out by a group of students or adults and will be investigated by the district even if the alleged harasser is not a part of the school staff or student body. The district prohibits sexual harassment of district employees by other students, employees or third parties involved in school district activities.

The term "sexual harassment" is defined by the regulations implementing the federal law Title IX of the Education Amendments Act of 1972 at 34 C.F.R. § 106.30.

Under federal and state law, the term "sexual harassment" may include:

- acts of sexual violence;
- unwelcome sexual or gender-directed conduct or communications that interferes with an individual's employment performance or creates an intimidation, hostile, or offensive environment;
- unwelcome sexual advances;
- unwelcome requests for sexual favors;
- sexual demands when submission is a stated or implied obtaining work opportunity or other benefit;
- sexual demands where submission or rejection is a factor in a work or other school-related decision affecting an individual.

A "hostile environment" for an employee is created where the unwanted conduct is sufficiently severe or pervasive to create a work environment that a reasonable person would consider intimidation, hostile, or abusive.

### **Investigation and Response**

If the district knows, or reasonably should know, that sexual harassment has created a hostile environment, the district will promptly investigate to determine what occurred and will take appropriate steps to resolve the situation. If an investigation reveals that sexual harassment has created a hostile environment, the district will take prompt and effective steps reasonably calculated to end sexual harassment, eliminate the hostile environment, prevent its occurrence and, as appropriate, remedy its effects. The district will take prompt, equitable and remedial

action within its authority every time a report, complaint and grievance alleging sexual harassment comes to the attention of the district, either formally or informally.

Allegations of criminal misconduct will be reported to law enforcement and suspected child abuse will be reported to law enforcement or Child Protective Services. Regardless of whether the misconduct is reported to law enforcement, school staff will promptly investigate to determine what occurred and take appropriate steps to resolve the situation to the extent that such investigation does not interfere with an on-going criminal investigation. A criminal investigation does not relieve the district of its independent obligation to investigate and resolve sexual harassment.

Engaging in sexual harassment will result in appropriate discipline or other appropriate sanctions against offending staff or third parties involved in school district activities. Anyone else who engages in sexual harassment on school property or at school activities will have their access to school property and activities restricted, as appropriate.

### **Retaliation and False Allegations**

Retaliation against any person who makes or is a witness in a sexual harassment complaint is prohibited and will result in appropriate discipline. The district will take appropriate actions to protect involved persons from retaliation.

It is a violation of this policy to knowingly report false allegations of sexual harassment. Persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

### **Staff Responsibilities**

The superintendent will develop and implement formal and informal procedures for receiving, investigating and resolving complaints or reports of sexual harassment. The procedures will include reasonable and prompt timelines and delineate staff responsibilities under this policy.

Any school employee who witnesses sexual harassment or receives report, informal complaint, or written complaint about sexual harassment is responsible for informing the district's Title IX or Civil Rights Compliance Coordinator. All staff are also responsible for directing complainants to the formal complaint process.

This policy applies to sexual harassment (including sexual violence) targeted at district employees carried out by a student, employee, or a third party involved in school district activities.

A formal complaint filed by an employee or filed by or on behalf of a student complainant against an employee respondent will be investigated under the definitions, requirements, and procedures of Policy 3205 and Procedure 3205P.

Reports of sex discrimination and sexual harassment will be referred to the district's Title IX Coordinator. Reports of discrimination based on sexual orientation, gender expression, gender identity, ethnicity, race, creed, color, national origin, religion, homelessness, immigration or citizenship status, the presence of any sensory, mental, or physical disability, neurodivergence, or the use of a trained guide dog or service animal, honorably discharged veteran or military status, or age, or complaints alleging violations of the Boy Scouts of America Act will be referred to the district's Civil Rights Compliance Coordinator.

Reports of disability discrimination or harassment will be referred to the district's Section 504 Coordinator.

### **Notice and Training**

The superintendent will develop procedures to provide information and education to district staff, parents and volunteers regarding this policy and the recognition and prevention of sexual harassment. At a minimum, sexual harassment recognition and prevention and the elements of this policy will be included in staff and regular volunteer orientation. This policy and the procedure, which includes the complaint process, will be posted in each district building in a place available to staff, parents, volunteers, and visitors. Information about the policy and procedure will be clearly stated and conspicuously posted throughout each school building, provided to each employee, and reproduce in each staff, volunteer, and parent handbook. Such notices will identify the District's Title IX coordinator and provide contact information, including the coordinator's email address.

### **Policy Review**

The superintendent will make an annual report to the board reviewing the use and efficacy of this policy and related procedures. Recommendations for changes to this policy, if applicable, will be included in the report. The superintendent is encouraged to involve staff, volunteers, and parents in the review process.

## 6100 Revenues from Local, State & Federal Sources

**Section:** VII. POLICY - UPDATES  
**Item:** B. 6100 Revenues from Local, State & Federal Sources  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** 6100 Revenues From Local, State and Federal Sources.docx.pdf

**Policy: 6100**

**Section: 6000 - Management Support**

---

**Revenues From Local, State and Federal Sources**

**Revenues from Local Resources**

*Use of Local Revenues for Enrichment*

All local revenues will be used only for documented and demonstrated enrichment of the state's program of basic education.

Local revenues include the following:

- Enrichment levies collected under RCW 84.52.053;
- Local effort assistance funding received under chapter 28A.500 RCW; and
- Other local revenues such as, but not limited to, grants, donations, state and federal payments in lieu of taxes, or any local revenues that operate as an offset to the district's basic education allocation under RCW 28A.150.250.

Enrichment of the state's program of basic education includes supplementing the following:

- The minimum instructional offerings of RCW 28A.150.220 or 28A.150.260;
- The staffing ratios or program components of RCW 28A.150.260, including providing additional staff for class size reduction beyond class sizes allocated in the prototypical school model and additional staff beyond the staffing ratios allocated in the prototypical school formula;
- The program components of RCW 28A.150.200, 28A.150.220, or 28A.150.260; or
- The program of professional learning as defined by RCW 28A.415.430 beyond that allocated pursuant to RCW 28A.150.415.

The district can pay for the following with local revenues:

- Extracurricular activities;
- Extended school days;
- An extended school year;
- Additional course offerings beyond the minimum instructional program established in the state's statutory program of basic education;
- Activities associated with early learning programs;
- Any additional salary costs attributable to the provision or administration of permitted enrichment activities; and

- Additional activities or enhancements that the office of the superintendent of public instruction determines to be documented and demonstrated enrichment and for which the superintendent approves proposed expenditures during the preballot approval process required by RCW 84.52.053 and 28A.505.240.

### *Enrichment Levies*

As necessary, the district will consider requesting voter approval of an enrichment levy. Such a levy will be for an amount permitted by law. The board will solicit advice from staff and community members prior to establishing the amount and purposes of the levy. The levy will be presented by program and expenditure in the district's annual descriptive guide for community members as required by law. OSPI must approve the district's expenditure plan for the enrichment levy before the district can submit the levy to the voters.

### *Response to Audit Findings on the Use of Local Revenues*

As part of the state auditor's regular financial audit, it will review the district's expenditures to ensure they are in compliance with RCW 28A.150.276, the statute that limits the district's use of local revenues to supplementing the state's basic education program.

Within 30 days of receiving the auditor's findings, the board will hold a public hearing to review the findings.

### **Revenues from State Resources**

The responsibility for financing public education in Washington falls primarily upon the state. To provide educational services beyond the levels possible under the basic education allocation, the district must depend upon state and federal special purpose funding programs and grants or enrichment levies approved by district voters.

The state provides special purpose appropriations for programs of transportation, for children with disabilities, and for such other programs as it deems appropriate to assist schools.

If the superintendent or designee identifies an optional state grant and determines that the benefits of accepting the grant outweigh the costs, he or she may provide a report to the board describing the benefits and the costs associated with accepting the grant. After reviewing the report, the board may formally authorize accepting the grant.

### **Revenues from the Federal Government**

The objective of the board is to provide the best educational services possible within resources available to the district. Federal grants and programs may provide helpful financial resources towards pursuing that objective. When it is optional for the district to participate in a federally

funded program, the board will receive detailed analysis from the staff regarding both the advantages to be realized from the program and the additional costs in terms of staff time, impact on existing programs, and new obligations that the program may require. Before authorizing participation in such a program, the board will first determine that the advantages outweigh the disadvantages and that the program will not detract from other programs already in operation.

The board agrees to comply with all applicable federal and state requirements that may be a condition to receipt of federal funds including, but not limited to:

- Maintenance of fiscal records that show the receipt and disposition of federal funds;
- Provision for eligible private school students to participate in programs and/or services designed for the educationally disadvantaged as well as other programs that are supported by federal funds;
- Provision for testing to identify target students as well as to measure program results; and
- Provision for staff and parent involvement, program planning, budget development, and program evaluation.

The district agrees to comply with Title I requirements pertaining to the implementation of internal controls for travel, contracted services, training, and capital outlay purchases and expenditures. The following controls are established for the Title I program:

- All Title I funded purchases and expenditures will be directly related to allowable Title I activities and services that are necessary to carry out the objectives of the current program effectively, and for the benefit of eligible participants;
- Title I purchases and expenditures will be restricted to those incurred by persons with direct Title I duties and responsibilities and/or that benefit only eligible Title I participants;
- Title I funded in-service trainings will be directly related to specific Title I program activities and provided only to persons with Title I program responsibilities and duties; and
- Appropriate documentation of all Title I purchases and expenditures incurred will be maintained for accountability and audit purposes.

The district further assures that a district-wide salary schedule is in effect and that the staff are assigned equitably among schools. Instructional material will also be distributed equitably among all schools. The board grants authority to directors and staff to participate in the development of any state and/or federal regulations deemed to be necessary for the implementation of federally-funded programs.

### **Federal Impact Funds**

Federal impact funds are provided to the district as a supplement to taxes and other revenue sources. State appropriated funds and local taxes contribute to the development and implementation of a basic education program for all students enrolled in the district. The district gives assurance that tribes and parents of Indian children will be afforded the opportunity to make recommendations regarding the needs of their children and will be involved in the planning and development of the basic education program, including those educational programs and services to be provided with federal impact funds. Indian students will have the

equal opportunity to participate in the district's program with other students.

Recognizing that the board is the ultimate authority in defining the educational program of the district, the superintendent or designee will establish procedures to assure the involvement of the tribes and parents of Indian students in the development of the basic education program, including the education services to be provided with federal impact funds and the participation of Indian children in the program on an equal basis. The superintendent or designee will provide opportunities for parents and members of the tribal council to suggest if any policy and/or procedure changes as well as program changes are necessary to better serve the needs of the Indian students.

## 6112 Rental or Lease of District Real Property

**Section:** VII. POLICY - UPDATES  
**Item:** C. 6112 Rental or Lease of District Real Property  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** 6112 Rental or Lease of District Real Property.docx.pdf

**Policy: 6112**  
**Section: 6000 - Management Support**

---

## **Rental or Lease of District Real Property**

When district real property is not needed, the board has the authority to call for bids to rent or lease any surplus real property. A notice of the intent to rent or lease property will be published in a newspaper of general circulation in the district at least 45 days before the rental or lease takes effect, if the value of the rental or lease is \$10,000.00 or more. The district may establish a minimum acceptable bid based upon the fair market value, provided that such minimum bid is non-discriminatory within classes of users.

Such property will be rented or leased for lawful purposes. The rental or lease will be in the best interests of the district and not interfere with the conduct of the district's educational program and related activities. The lease or rental agreement shall permit the recapture of the leased or rented surplus property should such property be needed for school purposes in the future unless proximity to an international airport precludes the possible or appropriate use of the property for a school, or the property is leased or rented for affordable housing purposes.

Proceeds from rental or lease of district property which are in excess of the operational costs incurred for such rental or lease will be deposited in the capital projects fund or debt service fund.

At the option of the board of directors, after evaluating the sufficiency of the school district's capital projects fund for purposes of meeting demands for new construction and improvements, moneys derived from the lease or rental of real property may be deposited into the district's general fund to be used exclusively for nonrecurring costs related to operating school facilities, including but not limited to, expenses for maintenance.

## Risk Management

The board believes the district must identify and measure risks of loss due to the damage or destruction of district property or to claims against the district by others claiming to have been harmed by the action or inaction of the district, its officers, or employees. A risk management program will be implemented to reduce or eliminate risks where possible, to determine the risks the district can afford to assume and to transfer to an insurance company those risks that the district does not wish to assume or cannot economically afford to assume.

Such a program will consider the benefits, if any, of joining with other units of local government for joint purchasing of insurance, joint self-funding, joint self-insuring, or joint employment of a risk manager. The superintendent may assign the primary responsibility for the administration and supervision of the risk management program to a single person. The district will make available to claimants its standard tort claim form.

The superintendent or designee will establish procedures to implement this policy.

## Investment of Funds

The superintendent is authorized to direct and authorize the county or state treasurer to invest district moneys which are not needed for current obligations in any district fund. Such investments will be made with the objective of producing the greatest return, consistent with prudent practice.

## 6216 Reimbursement for Goods & Services: Warrants

**Section:** VIII. POLICY - REVIEW  
**Item:** B. 6216 Reimbursement for Goods & Services: Warrants  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** 6216 Reimbursement for Goods & Services - Warrants.docx.pdf

**Policy: 6216**

**Section: 6000 - Management Support**

---

**Reimbursement for Goods and Services: Warrants**

A majority of the members of the board will approve the issuance of all warrants, except that advance payments may be made on vouchers when authorized by the board.

Expenditures of district moneys will be made on approved vouchers by a warrant signed by the secretary of the board or, in his/her absence, the board *chair/president*.

Warrants to be issued will first be recorded with the county auditor's office and the county treasurer's office showing date, payee, and amount.

**Unclaimed or Reissued Warrants**

Warrants which have not been redeemed within a period of twelve (12) months or longer will be cancelled by the authority of the board. Such action will take place on or before the end of each calendar year. In the event that a warrant has been lost, a replacement warrant may be issued following acknowledgement of a "stop payment" with the district's depository. A replacement warrant may also be issued to the estate of a deceased staff member upon notice from the court. A replacement warrant may also be issued to a claimant whose warrant has been cancelled because of the time limitation imposed by this policy.

## 6513 Workplace Violence Prevention

**Section:** VIII. POLICY - REVIEW  
**Item:** C. 6513 Workplace Violence Prevention  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** 6513 Workplace Violence Prevention.docx.pdf

**Policy: 6513**

**Section: 6000 - Management Support**

---

**Workplace Violence Prevention**

The district does not tolerate violence in the workplace and will work to prevent violent incidents from occurring by implementing a workplace violence prevention program. All employees of the district are responsible for implementing and maintaining the violence prevention program. The workplace violence prevention program establishes and requires adherence to work practices that are designed to make the workplace more secure. It also reinforces the ban on verbal threats or physical actions by employees that create a security hazard for others.

Additionally, the district does not tolerate domestic violence, including harassment of any employee or other person while in the district's buildings or vehicles, while on district property, or while engaged in school or work-related activities. The district is committed to working with employees who are victims of domestic violence to prevent abuse and harassment from occurring in the workplace. No employees will be penalized or disciplined solely for being a victim of domestic violence. The district will provide appropriate support and assistance to employees who are victims of domestic violence. Any employee who threatens, harasses, or abuses someone in the district or from their workplace using district resources such as work time, district telephones, fax machines, mail, or e-mail will be subject to disciplinary action up to and including discharge. Corrective action or discharge may also be taken against employees who are arrested, convicted, or permanently enjoined as a result of domestic violence when such action is directly related to their position with the district.

Under state law, an employee who is a survivor of domestic violence, sexual assault, sexual abuse, stalking, or harassment may submit documentation to the district allowing the district to exempt their name and other personally identifying information from public disclosure under the Public Records Act, chapter 42.56. RCW.

All violent incidents will be reported and investigated, whether or not a physical injury has occurred. There will be no discrimination against victims of workplace violence. Copies of this policy and support materials will be made readily available to all employees. The superintendent or designee is directed to adopt procedures to implement this policy, including creation of the workplace violence prevention group and procedures for survivors of domestic violence, sexual assault, sexual abuse, stalking or harassment to submit documentation to exempt their name and other personally identifiable information from public disclosure. The workplace violence

prevention group will assess the district's vulnerability to workplace violence, recommend preventive actions and employee training programs, and review the program annually for possible adjustments.
