Review and Discuss Quarterly Rocks and Monthly Goals

October 9-Upcoming financial training with Prestige after Finance committee meeting via zoom.

Still working to complete our monthly and quarterly goals. Making good progress so far.

B. Review Updated July Financials

Prestige will go over this when the auditors are complete. Do this instead of including several revisions.

Bambo should be complete with audit by end of September.

C. Review August Preliminary Financials

Prestige went over balance sheet.

Rosalynne Price posed a question regarding reporting cash on hand monthly bumped up against the required metric. Ivan L. will communicate with Prestige via email on the type of reporting RP is requesting.

Prestige discussed profit & loss vs. budget statement.

ED Meadows asked if a grant was received for \$125k. Prestige will look into this to see if it was received. Note that this item was not in the budget and will need to be added.

ED Meadows asked about nutrition school reimbursements to see if this can be pulled from the portal by Prestige.

Prestige is working with ADP to get Payroll line items more clearly allocated in expense lines.

Salaries are at 82.5% which is where we would expect it to be.

Fluctuation in unemployment compensation (probably due to new employees).

CAM charges will be reclassified from Repair & Maint. to other property services

Overall expenses are in line with what Prestige expects.

Prestige will need to do a budget update. New grant will bring us back to a positive bottom line.

ED Meadows asked about updates on new pro forma. Andrew from Prestige will follow up on this.
