#### A. Review of Audit Results

- Bambo discussed the results of the audit

  - Highlighted financial statements
  - $\circ$  This audit is three audits in one-single federal audit
  - $\circ$  Gave opinion on internal controls over financial reporting
  - Highlighted that the one finding was that our funds were not collateralized for more than \$250K.
    - Law requires that we call the bank and let them know to enroll us in program so that we are covered.
    - Patrice confirmed that this had been done for the current fiscal year.

### **B.** Review October Preliminary Financials

- Jenna did a high level overview of the October financials
  - Additional benchmarks were added
  - Balance sheet review
    - Credit card payable listed due to timing of payment
  - Benchmarks were higher than SCSC standards; Prestige will include in financial package moving forward
  - Profit & Loss
    - Benchmark is 66 percent for remaining amount in budget
    - Expenses:
      - Reviewed what was spent for the month of October and YTD
      - Supplies-may have lower remaining percentage due to supplies bought at beginning of school year
      - A few items are sitting in awaiting admin classification

- Payroll needs to be updated with ADP
- Still working through coding things correctly which is throwing off percentages
- · Looks like some items have been miscategorized
- · Some expenses we incurred might be reimbursed later on in the fiscal year

#### C. Construction Loan Discussion

- Will need to amend our budget; ED Meadows covered the following:
  - $\circ$  QBE-will change due to lower enrollment than what was budgeted
  - Some grants may have not been included in original budget
  - Bus transportation issues
    - One bus has been out of service
    - Working on finding a new company that can provide service
    - New vendor will cost \$24,350
  - $\circ$  There is an additional \$85K expense that we have not budgeted for
    - Need to find a way to get transportation sponsored
      - Let a business promote themselves on the school bus
      - We used MTI transportation last year-too expensive
- Patrice wants to cater giving Tuesday to help raise funds for transportation.
- We need to amend the lease term since amortization of construction loan is over 10 years, but we only have 8 years left in current lease.
  - Will take some work but can get it done. SCSC has to approve this.
- We have roughly \$300K in additional grants that were not included in original budget.
- Lease needs to be amended
  - Amended lease needs to be sent to SCSC ED Meadows will send this over to them.
