III. Finance, Facility, Development, and Strategic Partnership Committee

A. Review March Financials

Finance Committee meeting held Monday April 14th. Lenora Holt has joined the committee. She shared ideas on fundraising.

March Financials

Ivan discussed the budget and financials for the month of March. He mentioned that the budget has been shared with everyone, and we official budget hearings in May. Ivan also noted that the school is currently reporting a loss for the year and are working on reducing expenses.

He mentioned that they are waiting on some budgets and items to be approved so they can get the funding. Prestige is still waiting to draw down on some title one funds and other items. Ivan also noted that they have made progress in reducing undocumented transactions.

Rosalynne suggested adding explanatory footnotes to the budget document to help with highlighting specific areas for better tracking (e.g. key funding sources and draw down timing, etc.). Ivan agreed to this suggestion and will ask the team to add this.

Prestige reviewing allocations and projections are in alignment (e.g. Contract and Professionals) is an area to review.

Patrice explained the issue of undocumented transactions, which have decreased from 35,000 to 13,000. She clarified that these are not new expenses but rather items that the finance team doesn't recognize. The majority of the remaining balance is attributed to an Amazon purchase, which is considered supplies.

There was also discussion regarding the school's revenue, including a shortfall in collected funds due to Esser grant reduction and the need to continue to fundraise and get additional grants.
