II. Finance, Facility, Development, and Strategic Partnership Committee

A. Review May Preliminary Financials

- Prestige presented the May financials to the committee and noted the following:
 - The school is performing well across multiple areas, with net income ahead of schedule, zero undocumented transactions, and positive operating cash.
 - The committee also discussed balance sheet components including accounts receivable, accounts payable, and unearned revenue, with ED Meadows and Prestige confirming that remaining Kaboom grant funds would be spent by June 30.

B. Discuss FY6-27 Budget

- The committee reviewed the budget for the next fiscal year with Prestige and noted the following:
 - Based on a projected head count of 200 students, expected revenue is approximately \$3.5 million in state funding and projected net income profit is \$248,000.

- Total expense budget of \$3.7 million, a decrease of \$250,000 from the previous year, primarily due to staff reductions and decreased debt service.
- The committee discussed salary adjustments, including new hires and placeholders for unfilled positions, with ED Meadows explaining the methodology for setting placeholder salaries.
- The committee confirmed they would present the budget at the board meeting the following week for final approval.

C. Fundraising/Grant Review

D. Accounting Vendor Onboarding/Contract Review
