III. Finance, Facility, Development, and Strategic Partnership Committee

A. SCSC Governance Training - Fundraising Action Items

- A. Kennedy requested that each Board Member compile a list of 10-20 locally owned businesses near ASA or ones they regularly patronize to engage about a point-of-sale round-up donation campaign. These businesses must have POS systems like Square, Shopify, Toast, and Clover.
- L. Cofield asked if ASA needs to be pre-registered in Square, Shopify, Clove, etc to receive round-up donations. Will confirm and send an email.

B. Other

- Funding will not be adjusted as ASA was deemed to be held harmless for the student headcount reduction.
- Prestige submitted their Letter of Engagement and is waiting on clarity around federal grant management and annual training for the Board of Directors.
- Budget draft sessions are coming up, and committee members are encouraged to participate in the formulation and audit.
- A facilities sub-committee will need to be formed to assist in analyzing the needs for school expansion and to review funding sources.

- Prioritize coming up with action items and delegating them to Board Members before budget season is in full swing.

- A. Kennedy to confirm if ASA is listed in Zillow data and determine what needs to be done to list the school in public education proximity data.
- W. Brasher suggested collaborating with talent agencies to promote ASA enrollment. Director Meadows to confirm with the drama teacher what sources are available.

V. Executive Director Updates

A. Charter Contract Renewal

- Notified that the charter contract has been tentatively renewed for another 5 years to serve grades K-8. All evidence indicates ASA will continue to operate a high-quality charter school consistent with SCSC standards and state goals. The official vote takes place on 2/25, and the updated charter contract will be sent shortly thereafter.

B. FY25-26 Monitoring Results

- The SCSC reported no findings under Finance monitoring. This is the first time achievement for ASA.
- The SCSC reported 3 findings for Operations monitoring - allegedly, the admission application requests students' previous schools, the number of Conflict of Interest forms, 7, does not match the number of Board Members, 11, and the Grievance Policy is not sufficient.
- Each finding has been appealed with supporting documentation by the due date, 2/24.

- ASA's chorus production was featured in the SCSC newsletter, and 101 people attended the event.
- Students participated in the January Read-A-Thon where they engaged in reading through different formats, such as an escape room, Soul Train line, and won prizes.

- A Day in the Life allowed 18 prospective families to tour the school during school hours, engage with faculty, and participate in a panel discussion to learn how the school will be a good fit for their children. Parents gave positive feedback, and all families submitted applications for enrollment.
- Reminder: The Children Marched end-of-year Arts production takes place on 2/28 with doors opening at 2:00 pm.
