- Marketing materials have been sent to announce the partnership and instructions to connect.

B. B. Engagement Letter with Prestige School Solutions

- Prestige School Solutions will be phasing Georgia schools out of its network. They will not be available for a new contract at the end of the fiscal year. Board Members are tasked to create a transition plan and shop for a new accounting service provider.

V. Executive Director Updates

A. STEAM Truck Partnership / Science Fair

B. 8th Grade Promotion Venue

- A venue is still needed for the 8th-grade promotion ceremony. The venue used in the past is currently under construction.

- Student Engagement: Students participated in Love Week to celebrate Valentine's Day, Field Lessons, NHJS, and trip to the State capitol for Capitol Day.
- Community Engagement: Several events were held to engage with the community and families, including BINGO Night, InspirEdu Family Workshop, 8th Grade Breakfast, and the annual arts production.
- Academic Updates: 7th-grade math proficiency to the benchmark improved from 38% to 67% . 6th-grade math proficiency improved from 23% to 51%. The success drivers include Wednesday night tutoring and new co-teaching in all math classes except advanced 8th-grade math and algebra. Progress for i-Ready Intervention included stats on average lesson time on task per student in Reading and Math subjects. As these indicators continue to increase, we expect to see improved progress toward goals.

- Operation Updates: Enrollment campaigns for the 2026-2027 school year are underway. Funds will be diverted from a marketing specialist to billboards in target zip codes. The most effective marketing tool so far is the "Day in the Life" school tours, where families can tour the facility and ask questions to a panel of teachers and staff.

VI. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:59 PM.
