T. Reddicks stated the need for an electric bus is a result of Paramount's partnership with the Cottage Home neighborhood association.

P. Blackard stated the need for procedures to be in place for issues, such as what happens when the bus is out of commission.

G. School Charter Goals

J. Monk explained school goals are currently based on ISTEP+ pass rates, but ILEARN is a different test and goals need to be revisited. For example, Paramount Community Heights is the highest performing school corporation in the state, but it will earn a "does not meet standard" based on current goals.

S. Frye explained part of this is due to the change of testing accommodations for English Language Learners and Special Education, which are the two populations all Paramount school goals are based on. For example, an accommodation for some special education students on ISTEP+ was the use of a calculator; this is no longer an option on ILEARN.

T. Rude recommended using a growth index, where goals are set at a percentage above State pass rates for these subgroups.

T. Reddicks recommended rewriting goals to reflect progress toward closing achievement gaps between subgroups.

T. Reddicks, J. Monk, and S. Frye will write draft goals to present to the Board by the December meeting.

V. Operations Report

A. Operations Report

T. Reddicks reported the IHPC (Indiana Historic Preservation Committee) variance of use hearing was approved to allow 1203 E St. Claire to be used as a school.
