B. Principal Report Discussion

Darius Sawyers, Principal at Englewood: Candidates are applying to all three schools individually, but principals are sharing resumes where there is a need. The Navigation team has been working with schools to get enrolled in virtual fairs and to keep Sentric up to date. Meal deliveries have been ongoing at all schools. Staff deliver meals for the week to families who need this service. It has been enjoyable to work with all the principals and Kyle on building strong academic systems.

Dexter Taylor, Principal at Brookside: The schools are working to position themselves so any staff loss over the summer will not be challenging to fill. Brookside has worked on a virtual assessment to ensure students are learning during eLearning. Data showed students performed on par with end of year AIRWays data.

Sarah Shaffer, Principal at Community Heights/Cottage Home: Schools are being mindful of how to retain current staff and only offering positions to new staff that is 100% aligned with the organization. A lot of work has been done with teacher collaboration to build academic frameworks for eLearning. Social and emotional supports put in place have

been integral for families. These include health, counseling, and social services resources.
