C. 18-19 OEI Annual Report Review

All Core Question reports for Brookside and Community Heights have been distributed to the Board for review. These reports can also be found at <https://www.indy.gov/activity/find-a-mayor-sponsored-charter-school-mscs>.

J. Monk will send out the Board Assurance signature sheet. OEI is requesting all Board members sign this form prior to June 30th.

D. Update on PCH and PEN Progress

Tara Gustin has accepted the position of principal at Paramount Cottage Home. Both sites are still on track to open July 1. Furniture move-in will complete July 15th at both locations.

Staffing is on track. The schools continue to interview to build depth in the event there is an unexpected departure.

E. Intercompany Debt Write-Off

Because there is one large school supporting two smaller slow-grow schools, the organization has been supporting the two smaller schools. Due to Indiana's charter school structure, each school is its own corporation. When the organization moves funds from one school to another, it is in the form of a loan. This makes it look like the smaller schools are perpetually in debt. This is acceptable to OEI and auditors, but it puts the organization at risk to lose potential grant funders. Writing off the debt owed to

Paramount Brookside would allow Paramount Cottage Home and Paramount Englewood to appear more solvent.

B. Eldridge voiced concerns about this harming Brookside, as funders may see this as Brookside not needing funds if they are able to forgive the loans. She also stated concern for forgiving debt multiple times.

B. Richardson stated all schools are under the same 501c3, which allows funders to see the organization as a whole.

T. Reddicks stated funders want to see the 5-year projection for the individual schools. Intercompany loans will continue as needed until Paramount Englewood and Paramount Cottage Home reach independent budget enrollment numbers. This would need to be decided by the spring. We will discuss what other schools do in this situation with Charter School Growth Fund tomorrow.

H. Okerson stated by not forgiving the debt, OEI reports will show not meeting standard based on days cash on hand.

F. School Culture Update

Paramount wants to recognize the tough time the community is going through with the events leading up to George Floyd's death and the protests. The organization put out a statement, but that is just the first step to ensure the organization is closing gaps and being responsive to community needs. Organization and school leadership are beginning scheduled discussions to determine how to best bring about change for the better.

T. Rude agreed to start adding this discussion to the Governance Committee. He asked the Board to document ideas and it will be discussed in July's meeting.

J. Amu stated this should be something discussed with the whole board at the next meeting. T. Rude agreed.

T. Reddicks also shared Paramount is working with OEI and IDOE to develop a re-entry plan that provides parents a dual pathway at the start of the school year. This would mean parents had the choice to continue eLearning or to send students to a physical campus. Paramount will have a plan developed, with input from school leadership, for re-entry to physical locations. This plan will include thermal image scanners, social distancing, and increased sanitization.

V. Operations Report

A. Operations Report

T. Palacios reported on work completed to contract staff for 20-21 and set up UMR with our benefits providers.

T. Gustin reported transition work with Cottage Home staff as she completes tasks assigned as Director of Special Programs and moves into the principal role.

B. Richardson reported work done with summer program funders to share out what summer activities look like.

K. Beauchamp shared out lessons learned from eLearning staff surveys. A parent survey will go out next week to provide additional information on how Paramount can enhance the eLearning program.

J. Monk reported work completed on the re-entry plan and ensuring Cottage Home and Englewood have everything they need to open on time.

J. Braun reported on projects completed at Brookside. New copiers, a new phone system, outdoor WIFI, and new internal switches are being installed.

B. Principal Report Discussion

D. Taylor shared its nice to have more staff members on site. Over 37,000 meals have been delivered to students since March. Summer school started June 1st in an eLearning environment. STEAM also began June 1st on campus with social distancing and other public health measures put in place.

VI. Closing Items

A. Next Meeting

July 14th

5:30 PM

Location TBD

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:55 PM.

Respectfully Submitted,

T. Rude
