**IV. New Business**

**A. Approve New Board Member Policy**

This policy will be reviewed in more depth at the February Governance Committee.

**B. New Benefits Policy**

T. Rude explained based on budgetary findings, there is a need to restructure the current 403b employer contribution. The proposal is to withdraw the current guaranteed 7.5% employer contribution to a 100% match up to 3% and up to a 50% match up to 2%. The vesting schedule would change from a 3-year vesting schedule (0%, 75%, 100%) to a 5-year vesting schedule (0%, 25%, 50%, 75%, 100%) which would begin 6 months after the employee's date of hire. This plan encourages employees to contribute and be an active participant in their financial future. The 6-month wait period would encourage new employees to stay on for a full year.

J. Hazzard added moving to a 5-year vesting schedule still keeps the policy above market, and thus a competitive vesting program.

T. Palacios added everyone currently on the plan will be grandfathered into the current vesting period.

T. Rude added the new plan would go into effect starting February 1, 2020. He also requested the Director of Human Resources and the broker to provide financial education to staff about the change.

B. Eldridge asked if we have been audited on the 403b. T. Palacios explained Paramount's 501c3 status exempts the organization from this audit, but the school submits census data to ensure compliance. B. Eldridge asked if there were any consequences to transitioning mid-year. T. Palacios stated there would not be any consequences to this timing.

B. Eldridge asked if the staff was upset about this change. T. Reddicks explained S. Frye has polled current staff, and there was not a negative culture/response created by implementing this change.

T. Rude made a motion to approve the new 403b program adjustment as distributed and discussed.

B. Eldridge seconded the motion.

The board **VOTED** to approve the motion.
