All outstanding items listed below are scheduled to be completed prior to 7/23 unless otherwise noted.

Outstanding items for Cottage Home include:

- Playground installation
- Cores
- Roller shade install
- External signage
- Internet (7/28)

- Furniture Placement (last minor delivery 8/6)
- Coffee Shop Install
- Ceiling Baffle/sound cloud installation
- Art Walk installation
- Punch list items
- elevator install (7/26)

Outstanding items for Englewood include:

- Internet (7/28)
- Furniture Placement (last minor delivery 8/15)
- Coffee Shop Install

OEI's walkthrough is 7/23. Both locations passed all city inspections.

Staffing includes dual pathways for brick and mortar and virtual. About 20-23% of families have chosen the virtual option, which led to the creation of a 10 person virtual team to run a high-quality virtual program. Paramount's version of synchronous learning is all grade level teachers (regardless of location or virtual) will follow the same curriculum map, assignments, and assessments. This program was developed in collaboration with teachers, leaders, and parents.

#### **E. School Preparedness for Re-Entry**

Parents are able to choose between brick and mortar and virtual, with the option to re-enter the building on the first of every month. Specific teaching staff will oversee grade level virtual instruction, which will allow virtual students to get more personalized feedback and instruction from a licensed teacher. This also allows in-person teachers to focus on the students in their classrooms.

Building safety plans have been established and school leaders have been trained in implementing the plans. Additional supplies have been ordered and placed in schools to carry out these plans.

Lesson plans are due every Thursday (instead of the previous Friday due date) to allow for virtual teachers to have all plans and materials in place for the next week. All virtual staff will be involved in building-level professional development, data meetings, and other meetings.

Virtual staff will office out of open classrooms in Cottage Home and Englewood (grade dependent). Parent workshops will be run every Wednesday to provide support for parents with technology, reading instruction, and other areas of need related to virtual learning.

## **F. Opportunity Committee**

T. Rude shared the schools have formed an Opportunity Committee to address and close existing gaps related to race and ethnicity. This includes gaps in student groups and gaps in staff groups. This committee is made up of leaders within the school with the goal to identify gaps caused by systematic racism.

## **V. Operations Report**

### **A. Operations Report**

Work completed to get all three schools prepared for the school year was shared by the Navigation Team.

### **B. Principal Report Discussion**
