E. First Week Back Report Out

T. Reddicks reported on enrollment: 1121 students; 46 to the positive compared to budget projections. Virtual programming started with a focus on parent support to connect and engage with lessons. Staffing is in a good place, balanced between virtual and on-campus according to student enrollment in both programs. Staff have worked incredibly hard to make sure everything is in place for the organization, kids, staff, and families.

Areas for board support include emailing Tommy, Jess, and Kyle to bounce ideas off of, as new shifts given the current climate are made necessary.

IV. Operations Report

A. Operations Report

T. Palacios (HR) shared work completed on benefit enrollments, terminations, and staffing changes.

B. Richardson (Advancement) shared work completed on ribbon cuttings and enrollment.

J. Monk (COO) shared ongoing work completed with principals and ops managers to ensure beginning of year procedures are solid.

M. Bouckley (Virtual) shared work done in the virtual program to contact parents, engaging students, and getting rosters and curriculum up and running.
