Academic and Special Programs Coordinator Keith Thomas reviewed the ILEARN accountability performance by school and compared that to the state average. All of our schools performed above the state average.

V. Operations Reports

A. Navigation Team Reports

CEO Tommy Reddicks shared the progress made at Paramount Lafayette and Paramount South Bend. The ribbon cutting ceremony at South Bend will be held on July 14. Tommy shared the current enrollment numbers for both schools, and both are approaching capacity. There is work being done to find a finalized location for GISA.

B. Principal Reports

PBR - The school is reflecting on ILEARN scores to plan for the upcoming school year. Summer school is wrapping up at the end of the month. A summer social will take place on July 12th for new families as the school continues to focus on securing enrollment and student registration for the upcoming school year. The school has over 85% of staff returning and only one vacancy for the upcoming school year which they should be filled in the next 2 weeks.

PCH - The school has been busy with summer school and working hard to ensure students in need of summer school remediation have been in attendance. IREAD retests recently took place for students who were close to passing on the first attempt. Interviews and screenings have been taking place for new hires to fill the remaining vacant positions at the school. The admin team is also working on planning for the Back to School BBQ as well as Back to School day to welcome families for the start of the school year.

POA - The school is figuring out the best next steps based on the school year ILEARN data and is making adjustments to curriculum maps for the upcoming year. The school team has been focused on summer school attendance and engaging new families who are enrolling for the upcoming school year. All teaching positions have been filled for the upcoming school year and they are just searching for someone to fill a front office position.

VI. Closing Items

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:16 PM.
