II. Executive Committee Updates

A. KA Strategic Plan (Vote)

NWEA, MAP, and GPTW will be in the charter renewal definitively. There will be a tracker to report against higher level metrics. Activity/behavior based metrics are important for characteristics (i.e. MAP scores) out of our control but are not included at this level. Updated financials will be presented in September/October. Next steps are an accountability calendar, create an implementation plan, and create a communications plan.

H. Eastwood made a motion to approve continuing the strategic plan as laid out by Simmons Lettre.

E. Schlafly seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. MCPSC APR Update

Presented by Martha McGeehon of Missouri Charter Public School Commission.

Areas of concern:

Did not meet growth goals for ELA or math.

Proficiency rates in math have dropped a little.

Family satisfaction rates and participation rates were below charter goals.

Student learning growth and population growth are areas of most concern. Proficiency isn't bad and trends are generally baseline or improving. "Students who come into Kairos improve over time" is the narrative that Martha believes would be most comforting for the MCPSC.
