# JENKINS & KEMPER CERTIFIED PUBLIC ACCOUNTANTS, P.C.

JACK JENKINS, CPA MICHAEL KEMPER, CPA

July 14, 2025

Honorable Board of Trustees Harding Charter Preparatory School District Oklahoma City, Oklahoma

We have compiled the accompanying statement of assets, liabilities, and net assets – cash basis for the Harding Charter Preparatory School District as of June 30<sup>th</sup>, 2025, and the related statements of revenues and expenses – cash basis for the twelve (12) months then ended. Our compilation was performed in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting and the budget laws of the State of Oklahoma, which is a basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting, in the form of financial statements and supplemental information that is the representation of the management. We have not audited or reviewed the accompanying financial statements and supplemental information and, accordingly, do not express an opinion or any other form of assurance on them. However, we did become aware of a departure from the cash and budgetary basis of accounting that is described in the following paragraph.

The regulatory basis of accounting requires a specific format of presentation of governmental funds and the accompanying presentation does not comply with that format. Additionally, fixed assets and any related debt are not included in the statement of assets, liabilities and net assets presented on a cash basis. Any such accounts are reflected in the statement of revenues and expenses as a corresponding receipt and/or expenditure of funds. The effects of these departures on the financial statements have not been determined.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the school's assets, liabilities, net assets, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Harding Charter Preparatory School District.

Sincerely,

Jenkins & Kemper

Certified Public Accountants, P.C.

#### IMPORTANT INFORMATION

Balance Subject to Interest Rate. We use a method called "average daily balance (including new purchases)." Accordingly, we figure the interest charge on your account by applying the periodic rate to the "average daily balance" of your account. To get the "average daily balance," we take the beginning balance of your account each day (any credit balance is treated as a "0" balance), add any new purchases, cash advances and fees, and subtract any unpaid interest, other finance charges, annual fees, returned check fees and any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

What To Do If You Think You Find A Mistake On Your Statement If you think there is an error on your statement, write to us at:

Arvest Bank PO Box 6139 Norman, OK 73070

You may also contact us on the Web: www.arvest.com

In your letter, give us the following information:

- Account Information: Your name and account number.
- · Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill
  describe what you believe is wrong and why you believe it is
  a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing or by going to <a href="https://www.arvest.com">www.arvest.com</a> and completing a Dispute Form. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the reminder of your balance.
- · We can apply any unpaid amount against your credit limit.

#### What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

- Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
- Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchase If you are dissatisfied with the good or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

- 1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- 3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:

Arvest Bank PO Box 6139 Norman, OK 73070 www.arvest.com

While we investigate, the same rules apply to the disputed amount as discussed previously. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

IF YOUR CARD IS LOST OR STOLEN, PLEASE NOTIFY US AS SOON AS POSSIBLE AT 1-800-356-8085

#### CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Oklahoma

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2025, as certified by the Board of Education of Harding Charter Preparatory Public Schools, District Number E-30 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2025 tax and the proceeds of the 2025 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 10.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Harding Charter Preparatory Public Schools, School District No. E-30 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit Y and any other legal deduction, including a reserve of 10.0% for delinquent taxes.

RECOMMENDATION:

Dear Members of the Governance Board,

I am writing to request approval for a quote from Schoolytics to implement a data dashboard solution across Harding Charter Preparatory School District, with a targeted launch in Fall 2026.

Schoolytics offers a comprehensive, user-friendly platform that consolidates student performance data, attendance trends, behavior metrics, and intervention tracking in real time. This platform will strengthen our district's ability to implement data-driven instruction, monitor student progress, and deploy timely academic and behavioral interventions.

The quote provided includes annual licensing, onboarding support, and integration services to ensure a successful and efficient rollout. This project is scheduled for phased implementation during the 2025–2026 school year to prepare for full districtwide use beginning Fall 2026.

All associated costs for the initial year of implementation will be fully reimbursed by the Charter School Program (CSP) Grant for the 2025–2026 academic year. No general funds will be used for this initiative.

Thank you for your continued support.

**RECOMMENDATION:** 

Dear Members of the Governance Board,

I am writing to formally request approval for the purchase of kitchen refrigerators for Harding Charter Preparatory Elementary School. This equipment is essential for safely storing perishable items and ensuring compliance with health and food safety standards as we prepare for full-scale operations in the upcoming school year.

The total cost of the refrigerators will be covered through the Charter School Program (CSP) Grant. This means that no district general funds will be used, and the full expenditure will be reimbursed through the CSP grant as part of our approved start-up implementation plan.

We propose purchasing the refrigerators from MarketSource, a reputable vendor that offers competitive pricing and timely delivery. This investment will directly support our efforts to provide a safe and well-equipped environment for students and staff.

Thank you for your consideration.

Sincerely,

#### Reflection

In just four short years, Harding Charter Preparatory School District (HCP) has undergone a remarkable transformation. Once serving only grades 6–12, the district has boldly expanded to include a full PK–12 program—opening a brand-new elementary school and expansion of the middle school without incurring a single dollar of debt. This growth was fueled by an extraordinary fundraising effort, generating more than \$4 million to strengthen facilities, programs, and student opportunities. At the same time, the district reversed a trend of declining academic performance, achieving significant gains in growth and achievement across grade levels.

HCP has also invested in building a strong, recognizable brand rooted in academic excellence, equity, and opportunity—one that resonates with families and the community. Through intentional planning and the development of a sustainable leadership model, the district has ensured stability at the helm, creating the conditions for continued progress well into the future. HCP continues its proud tradition of graduating 100% of seniors, all of whom are accepted into post-secondary opportunities. This is a story of vision, commitment, and a community united to ensure excellence for every student.

**RECOMMENDATION:** 

Dear Members of the Governance Board,

In accordance with newly enacted legislation in the State of Oklahoma, I am requesting the Governance Board review and take action on a proposed United States Flag and Pledge of Allegiance Policy for Harding Charter Preparatory School District.

The new law requires students be provided the opportunity to recite the Pledge of Allegiance once each school day. While current district practices generally align with these expectations, formal policy adoption is necessary to ensure full compliance and provide clear guidance for all school sites.

The proposed policy outlines the following key components:

- Daily opportunity for students to voluntarily recite the Pledge of Allegiance
- · Schools requirement to display flag.

A draft of the policy is attached for your review and consideration. If approved, implementation will begin at the start of the 2025–2026 school year.

Thank you for your attention to this matter and for your continued commitment to lawful and respectful civic practices within our schools.

Sincerely,

#### Steven Stefanick

#### **United States Flag and Pledge of Allegiance Policy**

It is the policy of the district that the United States Flag shall be flown and displayed on the school grounds of each school of the district. Students shall be permitted to display the United States Flag on the school grounds of each school of the district. To ensure that the flag is respectfully presented and treated with the honor it deserves all such displays shall comply with the United States Flag Code.

It is further the policy of the district that once a week, during the school year, each school of the district shall lead its students in reciting the Pledge of Allegiance. This policy shall recognize the Constitutional rights of students in the recitation the Pledge.

Item: B. Discussion and board action to use the hourly method (1088 hours) to

operate during the 2025 - 2026 school year.

RECOMMENDATION:

Dear Members of the Governance Board,

House Bill 1864, passed in the 2009 Legislative Session, gives districts the option of operating the school year based on the required 1088 hours of instruction rather than the traditional daily schedule used prior to the legislation. For the last several years, Harding Charter Preparatory School District has opted to adopt the hourly method of fulfilling the required instructional mandate, which proves to be very advantageous when inclement weather causes schools to be closed.

The daily school schedule for Harding Charter Preparatory School District yields 1,107 hours of school activity which may be counted as instructional time, 30 hours of professional development which may be counted toward "days taught," and 12 hours during parent conference days. The total 1,149 hours of instructional activity gives our students the equivalent of 61 hours beyond the required amount and allows our district to have that allotted amount of time for inclement weather or emergencies.

I am requesting your approval to adopt the hourly method of calculating the minimum instructional time of 1,088 hours for Harding Charter Preparatory School District for the 2025–2026 school year.

Thank you for your consideration of this request.

Sincerely,

Steven Stefanick Superintendent

**RECOMMENDATION:** 

Dear Members of the Governance Board,

I am writing to formally request your approval of a proposed Facilities Use Agreement between Harding Charter Preparatory School District and Rainbow Fleet. This partnership would allow Rainbow Fleet to utilize the high school kitchen at our Harding Charter Preparatory High School campus for the preparation of meals by Keystone Food Services, an arrangement that supports both organizations without disrupting HCP operations.

The attached agreement outlines the terms and conditions of the partnership. Notable provisions include:

- Rainbow Fleet will be responsible for 15% of the costs associated with any kitchen equipment repairs, maintenance, or general upkeep required as a result of their use.
- All utilities (gas, electric, water) will remain the responsibility of HCP and are excluded from reimbursement.
- Rainbow Fleet will not involve HCP in any financial transactions or liabilities related to their food service operation.

The agreement clearly defines liability, indemnity, and termination terms to protect the interests of HCP.

This collaboration offers a mutually beneficial opportunity to support a local organization serving young children while ensuring the continued integrity and maintenance of our kitchen facilities.

I recommend approval of the Facilities Use Agreement with Rainbow Fleet as presented in the attached document.

Sincerely,

Steven Stefanick

Discussion and board action on approving Rachelle Milam, Julianne Varghese, and Christine Carllson for the HCP Teacher Empowerment Program to be recommended to the Oklahoma State Department of Education for 2025-2026.

Section: VIII. Action Items

Item: E. Discussion and board action on approving Rachelle Milam, Julianne

Varghese, and Christine Carllson for the HCP Teacher Empowerment Program to be recommended to the Oklahoma State Department of Education for 2025-2026.

Purpose: Vote

Submitted by: Steven Stefanick

RECOMMENDATION:

Dear Members of the Governance Board,

I am writing to formally recommend the approval of three outstanding educators for designation under the **Oklahoma Teacher Empowerment Program (OTEP)** for the 2025–2026 school year:

**Rachelle Milam** 

**Christian Carllson** 

Julianne Varghese

Each of these educators has successfully completed the HCP Teacher Empowerment Program application process and met all district-established criteria for the designation of **Advanced Teacher**, including:

- A minimum of three years of teaching experience;
- Receipt of Proficient or Distinguished ratings on the district's educator evaluation model;
- Active leadership through school teams or committees;
- Mentorship of new teachers or service as an extracurricular sponsor;
- Demonstrated student academic growth based on approved assessments; and
- Nominated for School Teacher of the Year.

Their commitment to professional excellence and student success exemplifies the values of our district and supports our mission to provide high-quality, college-preparatory instruction across all schools.

If approved by the Governance Board and subsequently accepted by the Oklahoma State Department of Education (OSDE), each teacher will be eligible to receive a state-funded stipend of \$3,000 or \$4,500 for the 2025–2026 school year, based on final designation. In accordance with

program requirements, all recipients will also complete **five (5) additional contractual days** (totaling 41.25 hours) under the direction of the Chief Academic Officer.

Please note that the stipends are not the financial responsibility of the district and are contingent upon available state funding. Approval at the district level is a required step before final submission to OSDE.

I respectfully request that the board approve the designation of Rachelle Milam, Christian Carllson, and Julianne Varghese as Advanced Teachers under OTEP. Their leadership and instructional impact make them deserving candidates for this recognition.

Sincerely,

#### Steven Stefanick

RECOMMENDATION:

Dear Members of the Governance Board,

I am writing to formally request the Board's approval to initiate the recruitment process for the position of *Elementary School Principal* for Harding Charter Preparatory School District's second elementary campus, scheduled to open in Fall 2027.

As we continue our efforts to expand high-quality, college-preparatory education to underserved communities in Northeast Oklahoma City, identifying and securing transformational leadership for the new elementary school is a critical next step. The principal of this new school will be instrumental in shaping the school's academic culture, recruiting and mentoring instructional staff, and ensuring the foundational implementation of our district's values and instructional vision from the ground up.

To ensure adequate time for a thorough search, comprehensive screening, and stakeholder engagement, I respectfully request the Board grant the Superintendent authority to begin seeking qualified candidates for the position during the 2025–2026 school year. Early recruitment will allow the selected principal to participate in pre-opening planning, including curriculum design, staffing, and community engagement.

Thank you for your consideration and continued support as we build the next chapter of HCP's mission.

Sincerely,

Steven Stefanick, M.Ed. Superintendent

RECOMMENDATION:

Dear Members of the Governance Board,

I am requesting formal board discussion and action to authorize the Superintendent to sign documents that have been duly approved by the Governance Board. This includes, but is not limited to, contracts, agreements, memorandums of understanding (MOUs), grant documents, and other official records related to board-approved actions.

This authorization will streamline operational processes, ensure timely execution of board directives, and align with best practices observed in public charter school governance across the state.

This action does not alter the board's authority or approval process. All documents requiring board action will continue to be presented for discussion and approval prior to execution. The authorization simply allows the Superintendent to sign on behalf of the board once action has been taken.

I respectfully recommend the board consider and adopt this authorization to support the effective and efficient administration of district operations.
