December 2, 2025

Honorable Board of Education  
Harding Charter Preparatory School District  
Oklahoma City, Oklahoma

I have compiled the accompanying statement of assets, liabilities, and net assets – modified cash basis for the Harding Charter Preparatory School District as of November 30, 2025, and the related statements of revenues and expenses – cash basis for the five (5) months then ended for the General, Building, and Gift Funds. Prior year's comparative revenue and expense information and current year budgetary information are included in the related statements of revenue and expenses, as well as items listed in the table of contents under the heading supplemental information, which are presented only for analysis purposes. My compilation was performed in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting and the budget laws of the State of Oklahoma, which is a basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting, in the form of financial statements and supplemental information that is the representation of the management. I have not audited or reviewed the accompanying financial statements and supplemental information and, accordingly, do not express an opinion or any other form of assurance on them. However, I did become aware of a departure from the cash and budgetary basis of accounting that is described in the following paragraph.

The regulatory basis of accounting requires a specific format of presentation of governmental funds, and the accompanying presentation does not comply with that format. Additionally, fixed assets and any related debt are not included in the statement of assets, liabilities, and net assets presented on a cash basis. Any such accounts are reflected in the statement of revenues and expenses as a corresponding receipt and/or expenditure of funds. The effects of these departures on the financial statements have not been determined.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the School's assets, liabilities, net assets, revenues, and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to Harding Charter Preparatory School District.

Sincerely,

*Jenkins & Kemper, CPAs P.C.*

#### BACKGROUND:

In accordance with standard financial management practices and Oklahoma statewide accounting procedures for school districts, Harding Charter Preparatory School District conducts periodic reviews of all activity funds to ensure appropriate fund balance levels, compliance, and alignment with district fiscal priorities.

Following this review, the District recommends sweeping specific Fund 60 accounts—specifically **841, 855, and 901-941**—into **Fund 11**.

This sweep will reimburse the school district for costs from Fund 11.

#### RECOMMENDATION:

It is recommended that the Governance Board approve sweeping Fund 60 accounts **841, 855, and 901-941** into Fund 11.

Statement Closing Date: 11/28/25

**IMPORTANT INFORMATION**

**Balance Subject to Interest Rate.** We use a method called "average daily balance (including new purchases)." Accordingly, we figure the interest charge on your account by applying the periodic rate to the "average daily balance" of your account. To get the "average daily balance," we take the beginning balance of your account each day (any credit balance is treated as a "0" balance), add any new purchases, cash advances and fees, and subtract any unpaid interest, other finance charges, annual fees, returned check fees and any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

**What To Do If You Think You Find A Mistake On Your Statement**

If you think there is an error on your statement, write to us at:

Arvest Bank  
PO Box 6139  
Norman, OK 73070

You may also contact us on the Web:

[www.arvest.com](http://www.arvest.com)

In your letter, give us the following information:

- *Account Information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of Problem:* If you think there is an error on your bill describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing or by going to [www.arvest.com](http://www.arvest.com) and completing a Dispute Form. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**What Will Happen After We Receive Your Letter**

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

**Your Rights If You Are Dissatisfied With Your Credit Card Purchase**

If you are dissatisfied with the good or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
  2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
  3. You must not yet have fully paid for the purchase.
- If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:

Arvest Bank  
PO Box 6139  
Norman, OK 73070  
[www.arvest.com](http://www.arvest.com)

While we investigate, the same rules apply to the disputed amount as discussed previously. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

IF YOUR CARD IS LOST OR STOLEN, PLEASE NOTIFY US AS  
SOON AS POSSIBLE AT 1-800-356-8085

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

**What's New**

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

Quote 14492 - Harding Charter Preparatory School - Projection Screen Replacement.pdf

#### BACKGROUND:

As part of ongoing facility upgrades and to support high-quality instructional, performance, and community-use programming, Harding Charter Preparatory High School requires the replacement of the main projector screen in the auditorium. The existing screen has reached the end of its functional lifespan and no longer meets the visual or reliability standards needed for instructional presentations, school events, fine arts performances, and assemblies.

The District received a quote from **Cory's Spaces** totaling **\$8,369.49** for:

A new, high-quality auditorium projector screen

All necessary mounting hardware and equipment

Removal and disposal of the existing screen

Professional installation and alignment

Warranty and post-installation support

The replacement screen will significantly improve visibility, enhance presentation quality, and support the diverse academic and extracurricular programming held in the auditorium throughout the school year.

This has already been budgeted to be replaced, so no additional impact.

#### RECOMMENDATION:

To approve the quote from **Cory's Spaces** in the amount of **\$8,369.49** for the purchase and installation of a new projector screen in the Harding Charter Preparatory High School auditorium.

## Joint Objective

This project outlines the screen replacement by Cory's for the Harding Charter Preparatory School auditorium. Our joint objective is to restore full functionality to the main projection system by professionally installing a new, high-quality screen fabric and roller assembly into the existing housing, providing a reliable and cost-effective solution for the school's presentation needs.

## Scope of Work

This Scope of Work details the screen replacement and installation by Cory's for the auditorium at Harding Charter Preparatory School. The following document outlines the installation methods and responsibilities for replacing the main projection screen's roller assembly and fabric while reusing the existing screen housing.

## 1. Installation Plan

### Projection Screen System:

- Cory's will remove the existing, damaged screen fabric and roller assembly from the auditorium's main screen case.
- Cory's will provide and install one (1) new replacement motorized screen fabric and roller assembly. The new assembly will be sized to fit the existing screen case.
- The new assembly will be professionally installed into the existing screen case. All existing mounting hardware will be inspected and reused if found to be safe and adequate.
- Cory's will connect the new assembly to the existing electrical and control connections.
- The system will be tested for proper operation (up/down limits, control) upon completion.

## 2. Scope Inclusions

To ensure a successful project, this proposal includes the following professional services:

- **Project Coordination:** A Cory's representative will coordinate the installation timeline with the client.
- **Equipment Procurement:** Cory's will manage the procurement, staging, and delivery of the new screen/roller assembly.
- **Professional Installation:** All cabling, mounting of equipment, and connections will be performed by certified technicians.
- **Installation Equipment:** Cory's will provide a suitable rental lift (e.g., scissor lift) capable of safely reaching the high-level screen case, to be used by installation technicians for the duration of the on-site work.
- **Tools & Materials:** Cory's will provide all necessary tools and miscellaneous materials required to complete the installation as described.

## 3. Commissioning and Handover

- **Commissioning:** Includes a manual test-out of the new screen's operation (up, down, stop) using the existing controls to ensure a working system before client sign-off.
- **Handover:** A final walkthrough will be conducted with the client to demonstrate the functionality of the replaced screen and ensure all project requirements have been met to the client's satisfaction.

## 4. Client Deliverables

The client (Harding Charter Preparatory School) agrees to provide or facilitate the following:

- Clear and safe access to the auditorium and the screen installation area.
- Clearance of the immediate work area under the screen (e.g., moving chairs or stage equipment) to allow for the placement and operation of the lift.
- Access to the facility and necessary building areas during the scheduled installation time.
- Clear and timely communication regarding the project timeline.

## 5. Electrical Requirements

- This scope assumes the reuse of the existing electrical power and control wiring for the screen.

• [www.corys.pro/spaces](http://www.corys.pro/spaces)

## CONNECTING PEOPLE

- Electrical Connection: Cory's will provide a licensed electrical contractor to handle and make all necessary high-voltage connections from the existing building wiring to the new screen assembly.
- The client is responsible for ensuring a functional 120V power circuit and the existing control wiring are present and operational at the screen location prior to the start of AV installation.
- This scope does not include the installation of new circuits, conduit, or wall boxes.

### 6. Structural Considerations

- Corys will visually inspect the existing screen case and its mounting to the building structure upon arrival.
- This scope assumes the existing screen case and its mounting are structurally sound and adequate to support the new roller assembly.

### 7. Assumptions

The following assumptions have been made. If any prove inaccurate, a change order may be required.

- **Site Readiness:** The work area will be clean, secure, and free of obstruction prior to the scheduled start of AV installation.
- **Lift Access & Suitability:** The facility floor and structure are able to safely support the weight and operation of the installation lift. The auditorium provides clear, level access for the lift to be positioned directly under the screen.
- **Structural Integrity:** The existing screen case and its mounting points are structurally sound, have not been compromised, and are suitable for the new equipment.
- **System Compatibility:** The existing electrical power and control system (wall switch, remote, etc.) are functional and compatible with the new replacement roller assembly. If the existing controls are found to be faulty or incompatible, a change order will be required to replace them.

### 8. Scope Exclusions

This Scope of Work does not include:

- Provision or installation of high-voltage electrical infrastructure (conduit, outlets, circuit breakers) *beyond the final connection to the screen assembly.*
- Repair, replacement, or modification of the existing screen case itself (only the internal roller/fabric).

• [www.corys.pro/spaces](http://www.corys.pro/spaces)

**CONNECTING PEOPLE**

- Repair or replacement of the existing screen control system (e.g., wall switches) if found to be faulty.
- Any structural modifications to the building.
- Acoustical treatment.
- Disposal of old equipment; the removed screen roller/fabric will be neatly left on-site and turned over to the client for disposal.
- Patching, texturing, or painting of any surfaces.

## **9. Project Timeline & Payment Terms**

- **Proposal Expiration:** This proposal and its associated pricing are valid for thirty (30) days.
- **Payment Terms:** A deposit of fifty percent (50%) of the total project cost is required to order equipment. The remaining fifty percent (50%) balance is due in full upon final system acceptance by the client.
- **Lead Time:** The replacement screen assembly is a custom-order item and typically arrives within 4-6 weeks from receipt of a signed agreement and the required 50% deposit, subject to manufacturer availability.
- **On-site Duration:** On-site installation is estimated to take approximately one (1) working day.

## **10. Warranty**

- All new equipment (screen/roller assembly) is covered by the original manufacturer's warranty.

Each Order may consist of (but is not limited to) a proposal for or confirmation of the goods or services you have requested. Upon your acceptance of the Order, we agree to diligently begin to fulfill that Order, whether through the procurement of goods on your behalf or the provision of services to you. When you ask us to perform repairs or similar services, and where such services are not covered under Additional Terms between us, you agree that your verbal request and direction for those services constitutes an Order under this Agreement, and, in any event, we will document such services in a written work order.
- ii. Subject to Article III below, you agree that you will be invoiced by us as goods are procured or services performed, or as otherwise agreed in the Order between us, including any authorized expenses or related charges. Unless otherwise agreed between us, you are responsible for reasonable and necessary travel and out of pocket expenses related to the performance of services under this Agreement.
- iii. You agree to promptly provide access to delivery locations, facilities, and any reasonably necessary approvals or responses required in the performance of services. Additionally, you agree that, unless we agree otherwise in the Order, you are responsible for providing, or reimbursing us for, any specialized or rental equipment (i.e., man lifts or safety equipment) necessary for the performance of services at your facilities. We will not be deemed in breach of our obligations under this Agreement or otherwise liable for any costs, charges, or losses sustained or incurred by you to the extent arising directly or indirectly from prevention of our performance or delays caused by you.

**2. Title and Risk of Loss.**

- i. All sales of Equipment under this Agreement are final. Returns, if any, are subject to our approval and, if approved, may be subject to additional shipping, handling, and restocking fees.
- ii. Equipment will be delivered to the location specified in the Order subject to availability and, unless specified in the Order, in accordance with our standard methods for packing and shipping. Title to the Equipment passes to you when delivered to the location specified in the applicable Order; provided, however, we are not liable for any delays, loss, or damage to the Equipment while in transit.
- iii. You are responsible for acceptance and inspection of the Equipment upon delivery. In the event such Equipment does not conform to the Order upon delivery, you must notify us in writing within ten (10) days of delivery. We will, at our sole option, promptly repair or replace nonconforming Equipment (or assist in the enforcement of manufacturer's warranties applicable to the Equipment), or, in the event such Equipment cannot be made conforming to the Order, refund amounts (including shipping costs) you paid to us for such nonconforming Equipment.

  - ii. All prices quoted in any Order are exclusive of all sales, use, excise or similar taxes, duties, or charges, and you agree to be responsible for and pay all such additional costs, and all such additional costs will be applied to amounts owing under this Agreement where required by law; provided, however, you are not responsible for taxes imposed on us or with respect to our revenues, property, or assets.
  - iii. Unless otherwise agreed in the Order, payment terms are fifty percent (50%) deposit upon acceptance of the Order, with the remaining fifty percent (50%) due upon completion.
  - iv. We may charge you interest on all late payments at a rate of 1.5% per month (annual percentage rate of 18%), or, if lower, the highest rate permissible under applicable law. You agree to reimburse us for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. In addition to all other remedies available under this Agreement or at law (which we do not waive by the exercise of any rights hereunder), we shall be entitled to suspend the delivery of any Equipment or performance of any services if you fail to pay any amounts when due and have not paid such amounts within ten (10) business days of our notice to you regarding such nonpayment.

4. **Limited Warranty.**
- i. We warrant to you that we will perform services under this Agreement in a professional and workmanlike manner, using skilled and experienced personnel, and in accordance with generally recognized industry standards for similar services. In the event of a claim under this warranty received by us within thirty (30) days of our performance of the applicable services, we will, in our sole discretion, reperform the affected services or refund to you amounts you paid for the affected services at the pro rata rate under the applicable Order. **THE FOREGOING REMEDY IS YOUR SOLE REMEDY AND OUR ENTIRE LIABILITY WITH RESPECT TO A BREACH OF WARRANTY UNDER THIS PARAGRAPH.**

## **Highlights**

- Eight of our Student Council officers represented HCP at the annual Oklahoma Association of Student Councils conference in Ponca City! Alongside more than 2,000 student leaders from across the state, they spent three inspiring days learning, growing, and building the leadership skills that reflect our mission of college preparation and community engagement.

- Last week, our K–3 students participated in Junior Achievement in a Day at HCP! They explored financial literacy through hands-on activities and engaging lessons that taught them about money, work, and smart financial choices.

A huge thank-you to Junior Achievement of Oklahoma and our amazing partners at Quail Creek Bank for providing the volunteers who made this experience possible. Your support helps our students build essential life skills that align with our college-preparatory mission, preparing them for a bright, financially confident future!

- Huge shoutout to our incredible HCPHS musicians who performed in the All City Orchestra! Under the direction of Levi Dobrinski of Shawnee Public Schools, our scholars showcased both talent and dedication on stage.

Meet our All City Orchestra scholars:

Violins: Danna Zuniga Moore, Hector Moreno Enrique, Elijah Webster, Myles Wilson

Violas: Cameron Tippin, Raimi Shadik, Mareli Dominguez, Peter Etherington

Cellos: Zoe Hsu, Benjamin Peters, Joshua Taylor

Bass: Austin Stewart

- Huge shoutout to our amazing Harding Charter Preparatory Middle School at Independence students!

We're so proud of everyone who had the courage to audition for the All-City Band. Auditioning takes confidence, preparation, and perseverance—qualities that reflect our college-prep mindset. Just like applying for college or interviewing for scholarships, these students took a risk, put in the work, and showed what they've learned!

Special congratulations to Preston B.! He earned 6th chair Alto Saxophone in the All-City Band! Your dedication and hard work truly paid off, and we couldn't be prouder.

- We're thrilled to celebrate an incredible Eagle Scout project completed right here at Harding Charter Prep! Senior Aidan Pemberton has spent months planning, fundraising, and rallying community support to bring her vision to life—and the results are amazing. With the help of her troop, Aidan built and installed beautiful raised garden beds that will serve as a brand-new hands-on learning space for our elementary students.

Each elementary grade level now has its own garden bed to care for, giving students the opportunity to learn, grow, and take ownership of their space—perfectly reflecting our mission to empower students through leadership, responsibility, and community service.

Thank you, Aidan, for modeling what it means to give back with purpose. Your hard work and heart for service continue to inspire our entire school community!

- We are proud to share that Principal Joe Hughes and HCP High School student Zamar Minter represented Harding Charter Preparatory School District last week in Philadelphia, PA at the BMEC (Black Male Educators Connect) Conference!  
Thanks to a full sponsorship covering travel, lodging, and meals, Principal Hughes and Zamar engaged with leaders from across the nation who are committed to strengthening representation, leadership, and opportunity in education.  
Zamar's selection to attend is a testament to his character, leadership, and bright future—and we are grateful to Principal Hughes for guiding and mentoring our students every step of the way.

### Title Funds allocation update from the Oklahoma State Department of Education.

**Section:** VII. Informational Items  
**Item:** A. Title Funds allocation update from the Oklahoma State Department of Education.  
**Purpose:** FYI  
**Submitted by:** Steven Stefanick  
**Related Material:** Title Allocation Notification from SDE.pdf

#### BACKGROUND:

Dear Governance Board Members,

I am writing to provide important context regarding federal funding reductions that have affected Harding Charter Preparatory School District over the past two fiscal years.

Since FY23, HCPSD has experienced significant decreases in federal allocations, including an approximate **\$280,000 reduction in ESSER III** revenue and an additional **\$100,000 decrease in Title I funding**. Throughout this period, the district sought consistent clarification from the Oklahoma State Department of Education (SDE) regarding the cause of these reductions; however, communication from SDE remained limited and inconclusive.

Under the department's new leadership, HCPSD was finally granted a meeting to review the district's federal funding profile and reconcile prior-year allocations. During this meeting, it was confirmed that **SDE has been withholding Title I funds for the past two years** in order to **recoup an estimated \$100,000 overallocation** made to the district in a prior fiscal year. This corrective action was never formally communicated to HCPSD at the time, leaving the district without clear information regarding the reductions or the timeline for resolution.

While we are relieved to have clarity at last, the lack of communication surrounding this issue has created substantial budgeting challenges and uncertainty for our schools. With the matter now formally acknowledged and resolved, HCPSD will be able to more accurately forecast future federal allocations and stabilize our planning processes moving forward.

## Summary of Allocation Corrections for Harding Charter Preparatory School District

A spreadsheet from early 2023, prepared by Matt Colwell (Executive Director of School Success, who left OSDE in April 2023), showed that Harding Charter Preparatory School District was over-allocated \$52,123.79 in FY22 and \$51,694.31 in FY23, for a total Title I over-allocation of \$103,818.10.

The original error appears to have occurred in FY22, when Independence Middle School became part of Harding Charter Preparatory School District. At that time, the allocation calculation included the full amount that would have been generated for Independence MS added directly to Harding's allocation. It was later determined that this was not the correct method for calculating the district's Title I allocation.

When FY24 allocations were calculated by Michelle Dunn (Executive Director of Federal Programs) and Rick Pool (Executive Director of Finance and Audit), no adjustments were made to account for this discrepancy. These calculations were completed shortly before both individuals left the agency—Michelle in July and Rick in August.

After allocations were posted in GMS, Tom Kirk, Division Director of Federal Programs, identified that the over-allocation had not been corrected. Dr. Kirk contacted the U.S. Department of Education and requested a review by Victoria Rosenboom and her team to verify the spreadsheets and calculations. USDE confirmed that Harding Charter Preparatory School District had been overallocated in FY22 and FY23.

Following USDE's confirmation, Dr. Kirk requested approval to correct the overallocation over a two-year period to minimize the financial impact on the district.

### Corrections Applied

- **FY25 Title I Allocation**
  - Initial calculated amount: **\$253,636.47**
  - After applying half of the correction: **\$197,103.51**
- **FY26 Title I Allocation**
  - Initial calculated amount: **\$222,873.67**
  - After applying the second half of the correction: **\$168,563.89**

### Discussion and possible action on adopting HCP Transportation Shuttle System with DSL Bus lines beginning 2026-2027.

**Section:** VIII. Action Items  
**Item:** A. Discussion and possible action on adopting HCP Transportation Shuttle System with DSL Bus lines beginning 2026-2027.  
**Purpose:** Vote  
**Submitted by:** Steven Stefanick  
**Related Material:** Harding Charter Prep Cover Letter & Pricing Proposal November 2025 (1).pdf

#### BACKGROUND:

In response to family feedback, strategic growth planning, and the district's commitment to increasing equitable access across all Harding Charter Preparatory campuses, the District has explored options to launch a **Transportation Shuttle System** beginning in the 2026–2027 school year.

A 2024–2025 family transportation survey revealed:

**57%** of respondents identified transportation as a factor influencing continued enrollment at HCP.

**91%** indicated that they would use an HCP-provided shuttle system if available.

To meet this demand and support student participation across campuses and after-school partnerships, the District has evaluated both in-house and contracted service models. At this time, the District recommends adopting a **contracted shuttle system with DSL Bus Lines** beginning in 2026–2027.

The DSL shuttle model would provide:

- AM inter-campus transportation to support elementary, middle, and high school instructional schedules
- PM shuttle transportation to community partners, including the **YMCA** and **Boys & Girls Club**, for after-school programs
- Reliable service with reduced administrative oversight by district staff
- Professional drivers, insurance, training, maintenance, and fleet management handled directly by DSL Bus Lines
- Predictable annual costs with the ability to scale based on district needs

Contracting with DSL Bus Lines provides the District with a high-quality transportation solution and allows HCP to launch the shuttle system with minimal operational burden.

This will be a financial impact of \$212,000.00 in 2026-2027.

**RECOMMENDATION:**

It is recommended that the Governance Board approve the adoption of the HCP Transportation Shuttle System with DSL Bus Lines to begin in 2026–2027.

**RE: Student Transportation Services**

Dear Steven,

DS Bus Lines is pleased to submit the enclosed response for a quotation on our transportation services. As you know, we are a regional vendor with support operations in Tulsa, and in the Kansas City area with a long history of service with a variety of charter schools and public schools across the South and Midwest. Please see the below for additional details describing our company overview/history, our methodology/approach, and how we strongly feel we can build a more collaborative partnership with your schools.

**A balanced history that drives the future.**

DS Bus Lines, Inc., founded in 2011, is a student transportation and employee shuttle provider serving customers across the Midwest, Southeast, and Southwest. Headquartered in Shawnee, Kansas, we have a rich heritage of loyalty, respect, and trusted partnerships now currently serving more than 20 school districts and two (2) employee shuttle partners from 22 locations. DS Bus Lines and its subsidiaries, which include DS Bus South and STS of New Mexico, operate more than 900 vehicles, transporting nearly 45,000 passengers daily and has a team of 1,300 employees across seven (7) states—including Colorado, Kansas, Louisiana, Missouri, New Mexico, Oklahoma, and Texas.

Our founders—Don Kincaid, his son Scott, and long-time employee Dale Bohn—had a passion to provide school transportation and re-entered the industry in 2011 establishing DS Bus Lines. Don Kincaid's school transportation roots trace back to 1974 to the name School Services and Leasing, Inc. At the time, Don left his job as a schoolteacher to follow his passion of providing safe transportation to students. In the

*Harding Charter Prep – Student Transportation Services*  
*November 2025*

beginning, Don started with four (4) school buses and later expanded to a fleet of 3,800 buses operating across eight (8) states. In 2000, Don sold School Services and Leasing, Inc. to focus on further developing his school bus dealership, Midwest Bus Sales (MBS), he founded in 1979.

DS Bus Lines' sister company Midwest Bus Sales—one of three largest Thomas Built Buses dealerships and the largest in leasing across the U.S.—is a full-service school bus dealership offering new and used buses for sale or lease and provides parts and service at five (5) dealerships in Kansas, Illinois, Oklahoma, Colorado, and Arkansas.

Since our beginning 50+ years ago, DS Bus has had an unwavering commitment to providing safe and reliable student transportation. Technology, equipment, and resources have since changed, but the core of our business remains the same. Because of our reliability, professionalism, accountability, and safety record, **we are the most trusted provider of school bus transportation for Oklahoma.**

**The vision to move forward.**

Building on our historic success, DS Bus partnered with Beacon in October 2022 to enhance our offerings and strengthen the services we have provided in the Oklahoma area. With combined resources, our organization has been providing school transportation services for nearly 100 years, growing from just a few vehicles to over 13,000, as well as providing excellent service to more than 700 contracts across more than 150 locations.

Beacon Mobility, through its partnership with DS Bus, provides the guiding light and brings together uniquely rounded players with experience and resources of both school transportation operators and ADA paratransit operators who excel in the most challenging metropolitan markets in the country including Boston, New York City, Long Island, Newark, Philadelphia, Miami, Minneapolis, Kansas City and Chicago.

## Harding Charter Prep – Student Transportation Services November 2025

With the support and guidance from our parent company, Beacon Mobility, and sister school bus companies all around the country, we have been able to quickly adapt our capabilities to new processes. Again, we are actively preparing new entrant drivers ready to train in a variety of services for our communities. The ability to cross-utilize employees allow us to maximize our offerings to your team this school year and beyond. DS Bus would love nothing more than to build a collaborative partnership with your schools and grow into a provider you can count on year after year.

DS Bus is centered around community – both the community we have the privilege of serving and the community we have the privilege of employing. It is truly a privilege to provide independence to the passengers we consider family and deliver **mobility without limits**.

**Our operation has quality care at its core.**

### Customer Service

At DS Bus, customer satisfaction is our top priority. **We understand how important it is for passengers to feel safe during their ride, and our customers feel heard and supported.** Our drivers and staff receive extensive and continuous training in service delivery and our managers are groomed to understand the expectations of servicing a contract on behalf of your school. We strive for continuous improvement and constantly review and revise our policies and procedures to ensure that we have the best-in-class service and that we can respond to the changing needs of our contractors.

### Safety

At DS Bus, we're focusing on building a culture of self-awareness and self-accountability. We believe if **we build an environment that encourages drivers to be the safest, they can be**, that they will be inspired and empowered to care for the well-being of themselves, their families, and their passengers by making appropriate and continual adjustments.

To support this mission all vehicles are equipped with advanced safety features such as Lytx® DriveCam. For our drivers, DriveCam helps identify risks as they are driving and provides immediate feedback with video support. Just like a personal vehicle may have safety features like lights, alarms, or sensors, DriveCam brings similar safety notifications to our vehicles and provides our drivers with an opportunity to correct their behavior in that exact moment.

For our managers the system allows us to monitor performance in real-time as well as respond quickly if any issue arises during a trip.

*Harding Charter Prep – Student Transportation Services  
November 2025*

Furthermore, the Lytx system leverages AI and machine learning to help us both identify and mitigate risk.

In concert with this technology, DS Bus has invested heavily in revamping our driver training programs, leveraging School Bus Safety Company Curriculum, Oklahoma Association of Pupil Transportation, and driving best practices.

**Expertise at every turn. School transportation with heart.**

From the beginning, we have specialized in providing full-service transportation solutions tailored to the unique requirements of each customer. Our transportation services are safe, responsive, and caring, allowing us to cater to the ever-changing needs of our customers.

**For us, it's the destination and the journey.**

We built this business with people at the core of every decision we make. Transporting passengers safely is our passion and our specialty. We don't take that commitment lightly. Our people matter. Day after day, safety is paramount, and our drivers make the difference.

We provide more than services — **We Enable Solutions!**

**Our Local Staff – Meet Your Experts**

DS Bus will provide management and support personnel who are fully trained and proficient in operating your transportation solution that accommodates the size and needs of your school. We will implement our local staffing plan, directly supported by our regional employees and executive leadership, to oversee your operations.

To start out with, we will employ a lead driver who will bring local leadership and oversight to the daily operation. They will be a dedicated customer service professional who has experience in the supervision of people with the goal of delivering safe solutions to growing communities.

### Our Commitment

We are dedicated to providing those we serve with the opportunities, resources and support to confidently move ahead. We **support safe, compassionate, and inclusive environments** that provide our communities with the mobility solutions they need to flourish and succeed.

We **care**. We **do the right thing**. We **collaborate**. We **have fun**.

### The Benefits of Being Part of the Beacon Family

More than a solution provider, we are a **passionate partner that's dedicated to making a difference**. An industry leader who understands your business, we care about your staff, your students, and your communities—just like you.

By outsourcing your pupil transportation, you can control your transportation costs and focus on what you do best...teaching our children. We are **committed to going the extra mile** as **we put people first**.

### Our Diverse Methodology

We're not just another transportation provider – **We Do Things Differently**.

We understand that **“one size does not fit all”** and that the correct solution must be customized to your individual needs, your local community's vision, budget realizations, labor forces, legal compliance and so on. By knowing and understanding all the dynamics of your district's service needs, our best practices and expertise allow us to tailor the appropriate solution delivering the right trip...at the right time...and more importantly, at the right cost. **We form our solution to what you need**—whether that means developing a co-op with your district, creating a unique routing method, or specialty fleet.

Each day, school districts are confronted with the real challenges of increased class sizes, student behaviors, ongoing demand for nutritional programs and decreasing budgets. The very last thing a district should ever have to worry about is transporting students between home and school safely, securely and on time. DS Bus can help take those worries away.

**BACKGROUND:**

As part of the district's long-term strategic plan to launch the Harding Charter Preparatory Shuttle System beginning in the 2026–2027 school year, the District is seeking to acquire **three school buses** to support daily inter-campus morning transportation and after-school YMCA/Boys & Girls Club shuttle routes.

Following the Transportation Needs Assessment, cost analysis, and family survey data showing that **91%** of respondents would utilize a shuttle system, the District obtained multiple competitive quotes for the purchase of buses that meet operational, safety, and capacity requirements for HCP's multi-campus model.

Approval of a bus purchase at this time allows the District to:

- Secure vehicles in advance of expected supply chain lead times
- Align the fleet acquisition with the anticipated hiring timeline with DSL Bus Lines.
- Ensure full implementation readiness of the HCP Shuttle System for 2026–2027

### SUMMARY OF QUOTES

The District has received the following quotes for review and consideration:

- **American Bus Sales** - Quote for three 2023 busses with 20-30k miles and 77 passengers each. Includes A/C, delivery, compliance and 60 month warranty, brakes 70% or better, and new tiles/upholstery. Price at \$370,485.00
- **Midwest Bus Sales** - Quote for three 2024 busses with 30-40k miles and 71 passengers each. Includes A/C, delivery, compliance and 60 month warranty, brakes 60% or better, but not new tiles/upholstery. Quote for an additional 2023 bus with 10k-20k miles and 13 passengers with lift. Price at \$385,000.00 after negotiations.

**RECOMMENDATION:**

It is recommended that the Governance Board approve the purchase of four school busses (3-71 passenger, and 1-13 passenger) from Midwest Bus Sales in the amount of \$385,000.00 to be reimbursed through grant funds.

### Discussion and possible action on adopting HCP Branding Recommendation from the Communications Committee and reviewed by the superintendent.

**Section:** VIII. Action Items  
**Item:** D. Discussion and possible action on adopting HCP Branding  
Recommendation from the Communications Committee and reviewed by the superintendent.  
**Purpose:** Vote  
**Submitted by:** Steven Stefanick  
**Related Material:** HCP Branding Recommendation (Fall 2025).pdf  
HCP Brand Guide (10.24.25).pdf

#### BACKGROUND:

The Communications Committee conducted a districtwide review of Harding Charter Preparatory School District's branding needs, with the goal of strengthening visual identity, improving campus consistency, and enhancing the overall experience for students, families, staff, and community stakeholders. The committee's recommendation includes updated branding that will require upgrades to signage, decals, wall graphics, directional markers, gymnasiums, and other brand-aligned visual materials across all three HCP campuses.

#### Superintendent Review, Cost Assessment, and Stewardship Considerations

Following receipt of the Communications Committee's recommendations, the Superintendent conducted a comprehensive review and developed a cost estimate for implementation across the Elementary School, Middle School, and High School. The districtwide cost for non-athletic branding updates is estimated at **\$35,000.00**. This estimate includes design work, production, installation, and campus-specific needs at all three sites.

The Superintendent further notes that **two significant branding updates in the last four years (2022 and 2025)** have already had a substantial impact on the district's financial stewardship. The current proposal represents a **third major branding update** within a relatively short time frame. In light of this, the Superintendent respectfully requests that the Governance Board **thoroughly review the recommendation and ensure that any decision made is designed for long-term longevity**, so that HCP remains a careful and responsible steward of future public dollars.

#### RECOMMENDATION:

It is recommended that the Governance Board adopt the HCP Branding Recommendation from the Communications Committee, as reviewed and costed by the Superintendent, at an estimated total of \$35,000.00.

## **HCP Branding Recommendation**

Proposal Submitted by the HCP Governance Board Communications Committee on Monday, December 1<sup>st</sup>, 2025.

### **Purpose and Rationale**

Because Harding Charter Preparatory School District is a choice-based public school system, we depend on brand recognition and clarity to ensure families can easily identify and choose us. As the Oklahoma City metro area experiences rapid growth in charter, private, and micro-school options, a unified and recognizable district brand will be essential for visibility, recruitment, and long-term sustainability.

Adopting one mascot across all schools will create a consistent and cohesive identity that reflects our shared mission of preparing students for success at any postsecondary institution. A unified brand reinforces this mission not only by communicating a clear message of excellence and college preparation, but also by strengthening our ability to deliver on that mission by building alignment, pride, and collaboration across schools, staff, and programs.

This shared identity enhances the district's capacity to provide a seamless educational experience from elementary through high school, strengthening continuity in academic rigor, culture, and expectations. It also deepens student belonging and school spirit through shared programs like athletic camps, cheer clinics, and academic events that connect campuses and create a sense of collective purpose.

Ultimately, this rebranding effort represents an opportunity to unify, strengthen, and grow our schools under one clear and inspiring identity that both reflects and reinforces our college-preparatory mission.

### **Recommended Changes**

The Communications Committee of the Harding Charter Preparatory School District respectfully submits the following rebranding proposal to Superintendent Stefanick for review and approval. This proposal seeks to strengthen the district's identity and alignment across all campuses by implementing the following changes:

1. Adopt a Unified Mascot:  
Establish The Eagle as the official mascot of the Harding Charter Preparatory School District and all affiliated schools, symbolizing excellence, perseverance, and unity.

2. Define a Primary Color Palette:

Establish hunter green, gold, and white as the district's official primary colors to create a cohesive and recognizable brand identity.

3. Reclassify Navy as a Secondary Color:

Move navy blue to the district's secondary color palette, allowing for visual continuity while supporting legacy uniform options and transition flexibility.

### **Parent Org Meetings**

In September of 2025, Rachel Durham, chair of the Communications Committee, attended the Parent Organization Meetings at each of our three schools. At the meeting, she gave a presentation about the proposed changes and collected parent feedback.

At HCPHS, parents communicated that sharing one mascot for all three schools makes sense, but they expressed concerns about a redesign of the current Eagle mascot. Their concerns were mainly around the design itself, and in the discussion, the idea of keeping the original Eagle mascot as a legacy option for special occasions was proposed. The high school parents also indicated that they were concerned about how a new Eagle would affect athletic uniforms. Finally, they said that their students miss having an Eagle option for t-shirts and asked if the district would consider adding a mascot option back into our official uniform options if we move to a shared logo.

At HCPMS, parents communicated that sharing one mascot for all three schools makes sense. They asked if a legacy Patriot could be available for special occasions.

At HCPES, parents communicated that sharing one mascot for all three schools makes sense. They were excited by the prospects of their elementary students considering themselves to be Eagles and how that will inspire them to become HCPHS Eagles one day.

### **Stakeholder Survey**

In October of 2025, our committee shared a survey with families, students, and staff members to gather feedback about rebranding. You can view a summary report that includes data visualizations of the survey here: [Rebranding Our District – Survey Results](#).

Here are our key takeaways from the survey.

#### **Survey Participation:**

- Parents made up a majority of the responses, especially from the high school (42 HS parents participated).
- Faculty and staff participation was also notable at the middle and high school levels.
- Student responses were almost exclusively limited to middle and high school students.

#### Attitude Toward a Unified Mascot:

- Overall, the survey results were strongly positive, with 112 responses stating that this is a very positive move and 55 responses stating that it is a positive move.
- Only a small minority were opposed, with 5 responses stating that this is a very negative move and 7 stating that this is a negative move.

#### Concerns About Adopting the Eagle Mascot:

- 75% of respondents said responded that they are not concerned about the adoption of a district-wide eagle mascot.
- The top concern among the minority who expressed reservations is about transitioning uniforms (11%).
- The second most prevalent concern among the minority who expressed reservations is the loss of individual school identity (9%).

#### Attitude Toward Removing Navy Blue as a Primary Color:

- 90% of respondents agree with removing navy blue as a primary color for HCP.
- 10% of respondents disagree with removing navy blue as a primary color, with 3% responding very negatively.

#### Preference for Rollout:

- The HCP community shows the least consensus about the speed of a new mascot rollout, with the most respondents indicating that the rollout speed does not matter to them (38%).
- The fast rollout (32%) versus graduate rollout (30%) responses were nearly evenly split.

### Updates to HCP's Brand Guide

View an updated version of our district's Brand Guide below. This version reflects the proposals made in this document.

[HCP Brand Guide \(10.24.25\)](#)

### Brand Implementation Timeline

The rollout of the Harding Charter Preparatory School District's unified brand will be a gradual implementation plan to ensure a smooth transition and responsible use of district resources. The goal of this phased approach is to establish brand consistency across all platforms and materials while minimizing financial impact and operational disruption.

#### ***Phase 0: Updated Logos and Mascot***

Immediately after the Board's approval of the rebrand, HCP will partner with a graphic designer to create a refreshed Eagle logo.

### ***Phase I: Immediate Implementation (2025-2026 School Year)***

The first phase of implementation applies to all **newly created or digital materials**. Immediately after the Board approves of the refreshed Eagle logo, the district will use the adopted logos, color palette, and mascot for:

- District and school websites
- Social media platforms
- Email signatures and digital letterhead
- Presentation templates and digital publications
- Internal communications
- Official documents generated after adoption
- Any newly created physical items like apparel and signage

This phase ensures that all forward-facing electronic and print-on-demand materials reflect the new Harding Charter Preparatory identity from the start of the transition period.

### ***Phase II: Expanding Uniform Options and Updating Physical Signage to Reflect the Shared District Identity (2026-2027 School Year)***

The next phase introduces the expanded uniform options. Families have the option to purchase updated uniforms featuring the new Eagle logo, as well as continuing to purchase polo shirts with an HCP logo, or without any design at all. At our elementary and middle school sites, all physical signs, including the middle school gym floor, would be updated to reflect the shared district identity.

### ***Phase III: Gradual Replacement and Full Integration (Ongoing)***

All remaining branded materials, such as building signage, athletic uniforms, promotional banners, and printed publications, are being updated gradually as items reach the end of their service life or are replaced through normal maintenance cycles. This approach maintains fiscal responsibility while ensuring eventual full adoption of the unified Harding Charter Preparatory brand across every school and department.

Through this phased implementation, the district ensures that the updated brand is adopted thoughtfully, sustainably, and in a manner that reflects both stewardship and pride in Harding Charter Preparatory's unified identity.

### **Potential Financial Impacts and Invention/Transition Plan**

The district anticipates modest costs associated with the gradual implementation of the unified Harding Charter Preparatory brand. These costs are categorized as either immediate or phased, based on when items are expected to require design, production, or replacement.

#### ***Immediate Costs***

These costs occur during the first year of implementation and are primarily related to design, digital updates, signage, and the introduction of new branding elements. Immediate costs focus on

design, visibility, and digital consistency. These items establish a strong first impression of the new brand and can be implemented quickly, with many updates completed in-house to reduce costs.

Category	Description	Est. Cost Range	Notes
<b>Logo Design and Brand Assets</b>	Partnership with a professional graphic designer to create a refreshed Eagle logo and associated design files (horizontal, vertical, and simplified versions).	\$2,000–\$5,000	One-time cost.
<b>Digital Updates</b>	Updating websites, social media headers, presentation templates, and electronic letterhead to reflect the new brand.	Minimal–Staff Time	Managed internally by district staff.
<b>Document and Template Conversion</b>	Converting existing templates (PowerPoint, Word, PDF) to include new branding.	Minimal–Staff Time	Immediate but low-cost; completed in-house.
<b>Signage and Banners</b>	Replacement of main exterior signage, entryway banners, and high-visibility displays to reflect the new district identity.	\$3,000–\$10,000	Prioritized for visibility; phased within the first year.
<b>Apparel and Promotional Items</b>	Initial purchase of small quantities of newly branded apparel or merchandise for staff, board, and student events.	\$500–\$1,000	Optional launch materials.

### **Phased Costs**

### **Final Recommendation**

The Harding Charter Preparatory School District Governance Board Communications Committee respectfully recommends that Superintendent Stefanick approve the proposed district-wide rebrand to unify all schools under one shared identity.

This recommendation is supported by extensive stakeholder engagement, including parent organization meetings at all school sites and district-wide survey data indicating overwhelming community support for the adoption of The Eagle as the unified mascot and the updated district color palette of hunter green, gold, and white. Parents, students, and elementary and high school staff expressed enthusiasm for the cohesion and sense of belonging the unified brand will foster,

while feedback regarding the design and rollout has been thoughtfully incorporated into the proposed plan.

The Communications Committee recommends moving forward with the phased implementation timeline outlined in this report, beginning with the development of a refreshed Eagle logo and immediate updates to digital platforms and signage, followed by the expansion of uniform options in the 2026–2027 school year, and gradual integration of all remaining branded materials over time. This approach ensures fiscal responsibility, consistency, and minimal disruption while strengthening district identity and visibility.

The proposed rebrand directly aligns with the district’s mission to prepare students for success at any postsecondary institution. By presenting a unified and recognizable identity, the district enhances its ability to attract families, strengthen community partnerships, and build pride across all campuses. The Communications Committee affirms that this rebranding initiative is both a strategic and symbolic step forward, positioning Harding Charter Preparatory School District for continued growth, sustainability, and success.

**Therefore, the Communications Committee formally recommends approval of the proposed rebranding plan for full implementation beginning in the 2025–2026 school year.**

# BRAND *Background*

At Harding Charter Preparatory School District, our mission is to prepare students for success at any post-secondary educational institution. We are determined to help students achieve their full potential, both academically and personally. A graduate from our district embodies the values that define us: they are hardworking, confident, and prepared for the next phase of their life.

In August 1998, Independence Enterprise Middle School opened its doors to 225 students in grades six, seven, and eight. The school was established by a group of parents who had formed a nonprofit organization, Parents for a New Middle School, that was dedicated to providing improved educational experiences for students. The school began as part of the innovative Enterprise School Program initiated by Oklahoma City Public Schools (OKCPS). After the passage of the Oklahoma Charter Schools Act, the school converted to charter status and has operated as Independence Charter Middle School ever since.

In August 2002, the original nonprofit organization amended its name to Families for Excellence in Education and sought to open a high school to complement Independence Charter Middle School. The request was granted in May 2003, with Independence Charter High School opening its doors in August 2003. Located in the historic Harding High School building, the school later changed its name to Harding Charter Preparatory High School to honor the original 1958-68 classes of Harding High School. The new high school's mission was to provide an open-access college-preparatory curriculum for students who may not have the opportunity to academically qualify for admission in other college-preparatory environments.

Over the course of the next two decades, with sponsorship from OKCPS, both schools continued to exemplify excellence in education. Independence Charter Middle School has continually been rated above average with the Oklahoma State Department of Education. And Harding

Charter Preparatory High School is ranked as one of the top public high schools in the state of Oklahoma and continues to receive high ratings with the Oklahoma State Department of Education.

In July 2021, Families for Excellence in Education changed its name to Harding Independence Charter District (HICD) to represent the establishment of one charter governing entity over both Independence Charter Middle School and Harding Charter Preparatory High School. In 2022, in response to the OKCPS Pathway to Greatness Initiative's grade-band changes, HICD expanded to add a fifth-grade academy to Independence Charter Middle School.

In the spring of 2023, HICD contracted with Bellwether, an educational consulting and research firm, to develop a strategic growth plan for the district. During this partnership, HICD identified that students in Oklahoma City attending local public schools were not receiving adequate educational opportunities. Compelled by a desire to provide a high-quality educational experience to all students, starting with the earliest school-aged children, the District decided to plan to open an elementary school.

HICD was able to acquire a property in NE Oklahoma City, just a mile and a half north of the high school's current location. The district acquired the summer camp-like property in the summer of 2023 and began planning for the opening of the elementary in August of 2024.

HICD's leadership and governance board began discussing details for the new elementary school, including how the school would be branded. When Harding Charter Preparatory High School and Independence Charter Middle School merged, both schools retained their identities for school colors, mascots, and names. When HICD was created, the district adopted its own colors, logo, and name. District leadership and members of the governance board's Communications Committee considered whether the elementary school should retain its own distinct brand, or whether there was a path forward that provided more cohesion to the district's brand.

After reviewing multiple data points, including a community survey released by the Communications Committee, school applications (on which multiple ICMS families were listing the school as Harding Middle School), and feedback from community stakeholders and prospective

families, the governance board elected to make sweeping changes to branding for the district and all schools.

In November 2023, HICD's Governance Board voted to adopt the recommendation of the Communications Committee and move from being a "House of Brands" to a "Branded House". It was decided that the best path forward for our schools and district was to adopt the name with the most recognition in the community, Harding Charter Preparatory, for all sites. In the 2024-2025 school year, the names of the district and sites are became: Harding Charter Preparatory School District (HCP), Harding Charter Preparatory Elementary School at Kelley, Harding Charter Preparatory Middle School at Independence, and Harding Charter Preparatory High School. The traditional colors of the high school were hunter green and white, while the middle school was red, navy blue, and white. In an effort to bring more cohesion to the district, the board moved to change the colors of all schools and the district to be hunter green, navy blue, and white. The district has an additional gold color that the schools are able to use as an accent.

## Brand Unification

As the Harding Charter Preparatory School District continued to grow, its identity evolved to reflect a single, unified district grounded in a shared mission of preparing students for success at any postsecondary institution. The process of brand unification marked the next chapter in the district's development, aligning all schools under one cohesive identity that strengthened recognition, reinforced the mission, and cultivated belonging across every grade level. In the years leading up to the rebrand, the district had already taken significant steps toward integration, including the establishment of a unified governing structure, shared instructional models, and district-wide academic and extracurricular programs. However, each school continued to maintain separate mascots and distinct identities. This fragmented presentation limited the district's ability to communicate a clear and consistent message about who it was and what it represented.

In 2025, following a comprehensive review by the Communications Committee, which included community survey results and stakeholder input, the district determined that adopting a unified brand would strengthen visibility, clarity, and cohesion across all campuses.

The brand unification plan implemented that year included three key elements:

1. A Shared Mascot: The adoption of The Eagle as the official mascot for all schools, symbolizing excellence, perseverance, and unity.
2. A Unified Color Palette: The establishment of hunter green, gold, and white as the district's primary colors, with navy blue serving as a secondary color to maintain continuity during the transition and honor legacy elements.
3. A Cohesive Visual Identity: The alignment of all district and school logos, fonts, and design standards to project a consistent and professional image across all communications, programs, and campuses.
- 4.

The unification of the brand was more than an aesthetic change. It was a strategic step in reinforcing the district's college-preparatory mission. The consistent visual and symbolic identity strengthened Harding Charter Preparatory School District's ability to attract families, build community partnerships, and foster pride among students and staff. By unifying

under one shared name, mascot, and color scheme, the district entered a new era of alignment. One where every student, from elementary through high school, could see themselves as part of a single system of excellence.

Through this unification, the Harding Charter Preparatory School District fully realized its transformation into a Branded House: one district, one mission, one identity.

## The Eagle as a Shared Mascot

As part of the district's 2025 brand unification, The Eagle was adopted as the shared mascot for all Harding Charter Preparatory schools. The Eagle was selected because it was already the most easily recognized and established symbol within the district's history. It also represents the core qualities of the district's college-preparatory mission: strength, vision, and aspiration. Just as the eagle soars to great heights, the mascot reflects students who rise to challenges and pursue excellence in academics, character, and community.

The adoption of The Eagle created a unifying identity across all campuses, connecting students and families through a common symbol of pride and achievement. It strengthened the sense of belonging among the district's elementary, middle, and high school students, allowing them to see themselves as part of one continuous educational journey. The new mascot also brought alignment to district programs such as athletics, academic competitions, and student activities. Shared use of The Eagle encouraged collaboration across grade levels and supported the creation of district-wide traditions such as Eagle athletic camps, cheer clinics, and academic showcases that reinforce a unified culture of excellence.

Through The Eagle, the district established a visual and emotional symbol of its guiding belief that every student, when supported and challenged, can soar.

## HCP's Color Palette

Alongside the adoption of The Eagle, the Harding Charter Preparatory School District introduced a refined color palette to represent its unified identity. In 2025, the district designated hunter green, gold, and white as its primary colors, and navy blue as a secondary color.

own mascot or symbol, which can be used in publications and on a school's athletic and spirit wear.

Hunter green, long associated with the district's high school, was chosen as the **unifying foundation** because it symbolizes growth, renewal, and ambition. Gold was added as a complementary color to convey excellence and aspiration, while white represents clarity, integrity, and openness.

Navy blue, retained from the middle school's history, serves as a **secondary** color that honors legacy and provides visual depth.

Together, these colors communicate both tradition and progress. They appear consistently across logos, uniforms, and communications, providing a cohesive visual language that reflects Harding Charter Preparatory's identity as a single, college-preparatory district. The unified palette has since become a defining element of HCP's brand, ensuring that whether on a school uniform, a classroom banner, or a district publication, the colors immediately signal who we are and what we stand for.

### Future School Communities

As the Harding Charter Preparatory School District looks toward future growth, clear guidelines have been established to ensure that any expansion maintains the district's unified identity. In the event that the district opens a new school or merges with an existing one, the new school community will adopt hunter green, gold, and white as its primary colors in alignment with the district's established brand standards.

If the district acquires a previously existing school, the school will be named Harding Charter Preparatory [Level] School at [Previous Name of School]. This naming convention will preserve community heritage while integrating the new campus fully into the Harding Charter Preparatory family of schools.

All future schools will operate under the unified Harding Charter Preparatory identity, ensuring that each new community immediately reflects the district's shared mission, values, and visual brand. Through this approach, every expansion will strengthen district cohesion and reinforce the message that all HCP students belong to one system of academic excellence.

# COLOR *Palette*

## Color Palette

Hunter Green and White are the primary colors of Harding Charter Preparatory's district and schools. Gold may be used as an accent, but should never be the primary color used in a **design**. The secondary color palette is provided to aid the design of communications that reflect our district's brand in tone and style through the consistent use of color. The color palette has been carefully selected to create a cohesive family that allows for a controlled range of creative possibilities for the district's master brand. Use of these elements in communications will help create and maintain a consistent look and feel for our collective key audiences.

## Primary vs. Secondary Color Palette

Primary colors should be the dominant colors on communications to highly affiliated audiences like parents, alumni, donors, the governance board, and committees. Communicators are welcome to consider implementing secondary colors to add creative variation to branded work, but they should supplement the primary color palette.

# BRAND *Typography*

## Brand Fonts

The following fonts are the fonts that must be used in official school or district publications and advertisements. The selected fonts in this style guide have been chosen to convey a balance of professionalism and approachability. Clear and easily readable typography is essential for effective communication, and our chosen fonts aim to maintain consistency across various mediums, from print materials to digital platforms. While our serif font (Georgia Pro) and sans-serif font (Open Sans) should be the most commonly used fonts in communication, on occasion it is appropriate to use a script on official communications. On those occasions, communicators should choose a script font that is easy to read like Sloop Script Pro for a formal look, or Fave Pro for a more casual look.

# DISTRICT *Logo*

## Logo Usage

The district logo is a symbol of our collective identity and pride. The district logo should be present on **all official communications and publications**. There are two district logos, one is text-only and one includes the district's symbol. There is one secondary logo, and two standalone logos: an Eagle and a text only "HCP". An official district logo must be used on all academic communications. A secondary logo may be used when other elements of the district's brand are present, and the district's identity is clearly established, or in non-academic communications such as athletics, programs, school activities, etc.

**Logos may never be altered in any way, including changing their size, color, or proportion.** Logos should always be sized to retain the integrity of the image. For example, if an image is too big for its resolution, it may appear pixilated. The white logos below are shown on a green background, but they can be used on various solid or photo backgrounds. See logo dos and don'ts for logo guidelines.

# LOGO *Dos and Don'ts*

## Logos

Logos are the visual representation, one part of the branding. Logos tend to be the 'icon' that symbolizes the history, culture, and values of our schools and district. It's recognizable at a glance and is used on educational print media, school materials and gear, websites and other external communications. Harding Charter Preparatory school and district logos are transparent PNGs.

- DO use each logo in its entirety
- DO maintain enough space around the logo to make it legible
- DO check the contrast to make sure you are using the right logo
- DO make sure the logo is clearly visible and doesn't get overpowered by the background when placing the logo over a photo or other background element
- Do NOT modify logos in any fashion
- Do NOT use legacy logos unless explicit permission is obtained from the district
- Do NOT use pattern backgrounds behind the logos
- Do NOT stretch, squish, or apply text effects to the logos

# GRAPHIC *Elements*

## Graphic Elements

Using graphic shapes can add visual interest to an image, and it can add continuity to how our brand is expressed. Our primary graphic elements are a five-point star and the hexagon. The hexagon represents our district, plus the five core elements that define our identity. We use a hexagon instead of a pentagon because it is important for us to think of ourselves as an active participant in implementing our five core elements. If we do not actively engage with them, they fail to represent us. Further, multiple hexagons combined can create a honeycomb, which symbolizes the fruits of our labors. The star represents how we strive for excellence in all things.

# *Guidelines* FOR ATHLETIC UNIFORMS, SPIRIT WEAR AND ACTIVITY APPAREL

## **The Basics**

HCP athletic uniforms, spirit wear or activity apparel must include one of the following: a school logo, "HCP" or "Harding Charter Preparatory". Please note that "HCP", "H", "Harding Charter Prep" (or any variation thereof) may only be used in HCP Green (HEX #0e4204) or HCP White (#ffffff). Designs that include "Harding" must also include "Charter Prep" or "Charter Preparatory".

The design can be customized to support the program, activity, or event that apparel is being used for. Please remember that the design on any apparel represents the school community and must be approved by the district's Communications Director. Even if the design meets the requirements set forth in these guidelines, because the apparel represents the school, it must be both aesthetically pleasing and not distract from our mission or vision. Designers may be asked to redesign apparel if it does not meet guidelines, is not aesthetically pleasing, or if it distracts from the school or district mission or vision.

## **Design Requirements**

Apparel designs have few limitations. Designers must include either a logo, "HCP", "H", "Harding Charter Prep" (or any variation thereof) on the apparel. The design must be aesthetically complimentary to the logo and not distract from the school or district mission or vision.

## **Apparel Colors**

While we recommend that athletic, academic, and social organizations design spirit wear apparel in the **primary** and **secondary** color palette, organizations may produce designs on other colors. The district will never approve designs on red apparel. Please note that designs that are not aesthetically pleasing will not be approved and will be sent back for a redesign.

## **Athletic Uniforms**

All athletic uniforms must be produced in hunter green, navy blue, or white. Gold may be used as an accent color. All athletic uniforms must include a logo.
