MICHAEL KEMPER, CPA

April 2, 2026

Honorable Board of Education
Harding Charter Preparatory School District
Oklahoma City, Oklahoma

I have compiled the accompanying statement of assets, liabilities, and net assets – modified cash basis for the Harding Charter Preparatory School District as of March 31, 2026, and the related statements of revenues and expenses – cash basis for the nine (9) months then ended for the General, Building, and Gift Funds. Prior year’s comparative revenue and expense information and current year budgetary information are included in the related statements of revenue and expenses, as well as items listed in the table of contents under the heading supplemental information, which are presented only for analysis purposes. My compilation was performed in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting and the budget laws of the State of Oklahoma, which is a basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting, in the form of financial statements and supplemental information that is the representation of the management. I have not audited or reviewed the accompanying financial statements and supplemental information and, accordingly, do not express an opinion or any other form of assurance on them. However, I did become aware of a departure from the cash and budgetary basis of accounting that is described in the following paragraph.

The regulatory basis of accounting requires a specific format of presentation of governmental funds, and the accompanying presentation does not comply with that format. Additionally, fixed assets and any related debt are not included in the statement of assets, liabilities, and net assets presented on a cash basis. Any such accounts are reflected in the statement of revenues and expenses as a corresponding receipt and/or expenditure of funds. The effects of these departures on the financial statements have not been determined.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user’s conclusions about the School’s assets, liabilities, net assets, revenues, and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to Harding Charter Preparatory School District.

Sincerely,

Jenkins & Kemper, CPAs P.C.

IMPORTANT INFORMATION

Balance Subject to Interest Rate. We use a method called "average daily balance (including new purchases)." Accordingly, we figure the interest charge on your account by applying the periodic rate to the "average daily balance" of your account. To get the "average daily balance," we take the beginning balance of your account each day (any credit balance is treated as a "0" balance), add any new purchases, cash advances and fees, and subtract any unpaid interest, other finance charges, annual fees, returned check fees and any payments or credits. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

What To Do If You Think You Find A Mistake On Your Statement
If you think there is an error on your statement, write to us at:

Arvest Bank
PO Box 235
Lowell, AR 72745

You may also contact us on the Web:
www.arvest.com

In your letter, give us the following information:

- *Account Information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of Problem:* If you think there is an error on your bill describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing or by going to www.arvest.com and completing a Dispute Form. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchase

If you are dissatisfied with the good or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
 2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
 3. You must not yet have fully paid for the purchase.
- If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:

Arvest Bank
PO Box 235
Lowell, AR 72745
www.arvest.com

While we investigate, the same rules apply to the disputed amount as discussed previously. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

RECOMMENDATION:

**AGREEMENT
between**

School District and HORIZON: Digitally Enhanced Campus

This Agreement is entered into this ____ day of _____, 20__ between _____ School District (“District”), and Horizon: Digitally Enhanced Campus (“Horizon” by and through the Statewide Charter School Board).

I. INTRODUCTION

The Horizon Consortium is a network of school districts who provide access to digital content and professional development through license agreements sponsored by Horizon.

Title 70, Section 1210.704 of the Oklahoma Statutes mandates the provision of a statewide online learning platform to provide high quality online learning opportunities for Oklahoma students that are aligned with the subject matter standards adopted by the State Board of Education. Additionally, Title 70, Section 3-132.2(E)(1) of the Oklahoma Statutes mandates state negotiation with online vendors to provide a state rate price to school districts for supplemental online courses. Further, Oklahoma Administrative Code 777:15-1-4 requires that the price offered does not exceed the lowest price at which the course is offered by use or sale to any state, public school, or school district in the United States.

II. ROLES AND RESPONSIBILITIES

District agrees to perform the following duties and responsibilities:

- a) Student access to curriculum content under the Concurrent License model will be shared by all consortium member schools through a licensing agreement with contracted vendors. Curriculum content under the Student License model is student-specific and linked uniquely to the respective district. District may make a la carte purchases directly from the vendor or through Horizon reimbursement if purchasing through this Agreement.
- b) Compliance with all state and federal mandates will be the responsibility of District.
- c) District must provide, at its expense, server set up equipment (*if required*) and computers to be used by students when accessing content on-site.
- d) District will determine the individual students, their ages, and curriculum needs in providing access to virtual online content.
- e) District will participate in Professional Development and training required to ensure fidelity of program delivery. The training is provided to District by Horizon and online vendors at discounted rates and at no cost where available.

District will ensure participation by appropriate personnel. Horizon assumes no responsibility for the use of software access as applied by District.

- f) District is responsible for transcription of the online course credits for its students. Horizon is not responsible for awarding credits.
- g) Horizon recommends that assessments be conducted in a proctored setting.
- h) District will provide a primary and billing point-of-contact for communications with Horizon.
- i) District will identify quantities of each product they intend to use during the upcoming school year and will complete the Horizon Order form by June 30. Execution of the Agreement indicates a commitment by the District to purchasing products requested on the order form. Payment for these products shall be made by October 1; provided, there is no cost associated with Horizon's AP and select honors courses. Additional products can be purchased throughout the contract period upon written request of District and their acceptance of the written quote. Payment for additional products shall be made within 45 days of invoice. Failure to pay invoices on time will result in loss of discounts. Districts who are not in good standing at the end of each semester of the academic year may not renew their Horizon Consortium membership the following year.

Horizon agrees to perform the following duties and responsibilities:

- a) Horizon will negotiate contracts with vendors and purchase product for District. Horizon will invoice District the negotiated consortium state rate according to the order form submitted by District.
- b) Subject to available funding and at its discretion, Horizon may provide District with additional discounts on products purchased through the Consortium on a first-come, first serve basis. To be eligible for any additional discounts, District must submit an order form to Horizon no later than June 30, unless Horizon approves in writing the submission of an order form after June 30.
- c) Horizon will collaborate with District to coordinate professional development opportunities. Subject to available funds, Horizon may pay professional development fees at its discretion.

III. TERM

The term of the Agreement begins July 1, 20__ and terminates on June 30, 20__. To continue the relationship of the parties, a new Agreement must be executed. All payments by and through Horizon are subject to agency budget approval.

IV. STUDENT DATA ACCESSIBILITY, TRANSPARENCY, AND ACCOUNTABILITY

Horizon maintains the right to access district and student usage and success reporting data including the following: course access, student usage, course completion rates, student course disabled data, and progress by time. This data will only be used for comparative analysis and to validate modifications made throughout the school year. Individual student names and other personally identifiable information will not be used in any reporting.

V. NO AUTHORITY TO OBLIGATE

At no time during the performance of this Agreement shall District have authority to obligate Horizon for payment of goods and services. District shall not make any promise of expenditure of funds by Horizon over the amount of funds Horizon has agreed to expend for this Agreement.

VI. ASSIGNMENT

The rights and obligations of Horizon and District may not be assigned or transferred to any other person, firm, or corporation without prior written consent of all parties.

VII. DISPUTE RESOLUTION

Any claims, disputes, or litigation arising from the Agreement shall be governed by the laws of the State of Oklahoma. Venue for any action shall be in the District Court for Oklahoma County, Oklahoma.

Attn: Mr. Steven Stefanick

RE: Accounting and consulting services for the Year Ended June 30, 2027

Thank you for allowing Oklahoma Consulting and Accounting Services, LLC (in affiliation with Jenkins & Kemper, CPAs, P.C.) to perform accounting and consulting services for Harding Charter Preparatory School District (the school). We are pleased with the expression of confidence in our firm and our school expertise. I look forward to a long and successful relationship as an integral part of the school's financial management team.

This letter, along with the attached addenda, to be approved in an open board meeting, sets forth our understanding of the nature and scope of my non-attest accounting and consulting services to be provided for the school. As you know Government Auditing Standards (Yellow Book) place significant restrictions on firms that also perform consulting services for audit entities. Although we will maintain integrity and objectivity throughout the performance of all services provided to the school, We are not considered "independent" under the Government Accountability Office (GAO) definition and as such we cannot also perform audit or other attestation services for the school as long as we perform these non-attest services. Under the GAO independence rules, we are considered a part of your management team since we will perform certain functions normally associated with management. That is the reason that the school must contract with another CPA firm to conduct the annual School audit. However, the Yellow Book allows me to continue to assist the school as requested in many other matters. Independence is only required for the external auditor.

Scope of Services

The accounting services we will provide are detailed on the attached exhibits. Also, we will compile a monthly statement of assets, liabilities and net assets-cash basis and the related statement of revenue and expenses-cash basis for each month and year-to-date period. The statements will include as supplemental information certain budgetary information. The financial statements will be prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. The financial statements will omit all the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. We will not audit or review such financial statements. Our report will include a statement that we are not independent with respect to the school.

116 W. Breckenridge, Bixby, Oklahoma 74008
(918) 366-4441

The objective of a compilation engagement differs significantly from the objective of a review or audit of financial statements. The objective of a review is to provide a reasonable basis for expressing limited assurance that there are no material modifications that should be made to the financial statements. The objective of an audit is to provide a reasonable basis for expressing an opinion regarding the financial statements taken as a whole. A compilation does not provide such a basis because a compilation does not contemplate performing inquiry or analytical procedures and other procedures ordinarily performed in a review or obtaining an understanding of internal control or assessing control risk; or other procedures ordinarily performed in an audit.

Management Responsibilities

The school is, and will continue to be, solely responsible for establishing and maintaining an effective accounting and internal control system, including, without limitation, systems designed to assure compliance with policies, procedures, and applicable laws, regulations, contracts, and agreements and maintaining adequate records. The school is also responsible for the design and implementation of programs and controls to prevent and detect fraud.

Our engagement cannot be relied upon to disclose errors, fraud, or illegal acts that may exist. However, we will inform you or the appropriate level of management of any material errors and of any evidence or information that comes to my attention during the performance of compilation procedures or other management services performed that fraud or an illegal act may have occurred. We need not report any matters regarding illegal acts that may have occurred that are clearly inconsequential. In addition, we have no responsibility to identify and communicate significant deficiencies or material weaknesses in your internal control as part of this engagement.

The school's management and those charged with governance will be responsible for establishing the scope of the accounting and consulting services and the resources allocated to the work; such responsibility includes determining the nature, scope, and extent of the accounting and consulting services to be performed by Oklahoma Consulting and Accounting Services, LLC providing overall direction and oversight for each service, and reviewing and accepting the results of the work. The attached addenda (Exhibits A-C) provide management and those charged with governance an understanding of the services to be provided and items Oklahoma Consulting and Accounting Services, LLC will require in order to adequately perform each service.

Administration, Fees, and Other

Our fee for the compilation and other services is stated on each addendum (Exhibits A-C) attached as part of this contract. The ancillary services, defined by the attached addenda, will be billable at the rate of \$90 per hour. Requests for a representative of Oklahoma Consulting and Accounting Services, LLC to attend a board meeting will be billed \$150 for each meeting attended.

These services are for the period July 1, 2026 to June 30, 2027. Please sign each contract addenda whether Harding Charter Preparatory School District **accepts** or **does not accept** the services described for each. Fees for these services will be rendered each month as described on the exhibits and will be payable on presentation. This engagement letter will remain in effect until changed by mutual consent.

Administration, Fees, and Other (Continued)

In accordance with my firm policies, work may be suspended if your account becomes 90 days or more overdue and will not be resumed until your account is paid in full. You acknowledge and agree that we are not required to continue performing work for you in the event of your failure to pay on a timely basis for services rendered as required by this engagement letter. Further, you acknowledge and agree that in the event we stop work or withdraw from this engagement as a result of your failure to pay on a timely basis my engagement will be deemed to have been completed and we will not be liable to you for any damages that occur as a result of my ceasing to render services, even if we have not completed our services. You will be obligated to compensate us for all time expended and to reimburse us for any out-of-pocket expenditures through the date of termination.

In addition, the school further agrees to indemnify and hold me harmless for any liability and all reasonable costs, including legal fees that we may incur as a result of the services performed under this engagement in the event there are false or misleading representations made to us by any member of the school’s management.

Our firm, as well as other accounting firms, participates in the AICPA’s peer review program covering our audit and accounting practice. Under this program, my system of quality control is subjected to a peer review by a team of certified public accountants approved by the state administering entity. As part of this peer review, the team will review a sample of my work. It is possible that the work performed for you may be selected for their review. If it is, the team is bound by professional standards to keep all information confidential.

We appreciate the opportunity to be of service to you and look forward to continuing our long and mutually satisfying relationship. We believe this letter accurately summarizes the significant terms of our engagement. Please call us at any time if you have any questions. If this letter and the attached addenda correctly express your understanding, please sign the enclosed copies where indicated and return it for our files.

Sincerely,

Jack H. Jenkins

Dear Mr. Stefanick:

Thank you for choosing Jenkins & Kemper, CPAs, P.C. to assist with the 2025-26 tax filing for the Harding Charter Preparatory. This letter confirms the terms of the engagement and outlines the nature and extent of the services we will provide.

We will prepare the 2025-26 federal and state income tax returns for Harding Charter Preparatory. We will depend on management to provide the information we need to prepare complete and accurate returns. We may ask management to clarify some items but will not audit or otherwise verify the data submitted.

We will perform accounting services only as needed to prepare the tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for management to clarify some of the information submitted. We will inform management of any material errors, fraud, or other illegal acts we discover.

The law imposes penalties when taxpayers underestimate their tax liability. Please call us if there are any concerns about such penalties.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on the behalf of Harding Charter Preparatory, the alternative selected by management.

Our fee for preparation of the Federal and State tax returns is \$800. This rate is based on the hours required to complete and the level of expertise of the staff assigned. Invoices are due and payable upon presentation.

We will return the original records to management at the end of this engagement. These records, along with all supporting documents, canceled checks, etc., should be securely stored, as these items may later be needed to prove accuracy and completeness of a return. We will retain copies of the records and our work papers for the engagement for seven years, after which these documents will be destroyed.

If management has not selected to e-file the returns with our office, management will be solely responsible to file the returns with the appropriate taxing authorities. Management should review all tax-return documents carefully before signing them.

Related Material: Board Resignation (1).pdf

Dear Lisa and Members of the Board,

Please consider this my formal resignation from the Harding Charter Prep Governance Board, effective March 20th, 2026. Serving in this capacity has been both meaningful and incredibly educational, and I am proud of the work HCP is doing to provide a high quality education to all students.

My resignation comes as I pursue employment within the district at Harding Charter Prep Middle School at Independence. In the event I am not selected for the teaching position I am seeking, I hope the board will vote to approve my reinstatement after the application process concludes.

Either way, my family and I will continue to be a part of the HCP community and are committed to the mission and vision of the school.

Sincerely,

Taylor Cornelson

This section does not apply to transitioned Assigned Employees' Data.

7) BILLING & PAYMENT TERMS

- (a) **Invoices.** Kelly will invoice Customer each week for all compensable time in accordance with applicable laws, including but not limited to hours worked on assignment, training, testing or screening completed by Assigned Employees after hire, at agreed-upon rates. The rates at which Kelly will invoice the Customer (and any reimbursable expenses) are listed in Pricing Exhibit A. Service lines may be added by mutual agreement of the parties pursuant to Paragraph 15(f). Unless otherwise stated in Pricing Exhibit A, payment will be due upon Customer's receipt of the Kelly invoice. In the event of termination of this Agreement, Customer will pay Kelly promptly for Services performed up to the time of termination. If the Customer's rates are not set out in Pricing Exhibit A, Kelly and the Customer will agree on rates at the time of an order, which Kelly will record electronically in its systems. The services billed may be provided by Kelly Services Global, LLC or Kelly Services USA, LLC, affiliates of Kelly, or third-party staffing providers (collectively "Staffing Providers"). Staffing Providers may provide the Services under this Agreement, and in such cases, Kelly will act as a collection agent on behalf of such Staffing Providers and bears no extracontractual liability other than that of collection agent.
- (b) **Disputed Amounts.** If this Agreement is terminated by Kelly or Customer or Customer disputes any amount invoiced by Kelly, Kelly shall be timely paid (in accordance with the payment terms in Section 7 (a)) by Customer for all fees/services that are not in dispute. Any dispute to an invoice must be communicated within thirty (30) days of the due date of such invoice or Customer waives the right to object to the invoice and will be held accountable for payment. If Customer fails to pay Kelly any fee when due, Customer shall be liable for a late charge of the lesser amount of one-and one-half percent (1 ½%) per month or the maximum amount allowed under state law, on the outstanding amounts beginning on the due date and Customer shall be responsible for reasonable attorneys' fees incurred by Kelly to collect the outstanding amount.
- (c) **Procurement Card.** Customer will not use a procurement card as a source of payment to Kelly.
- (d) **Taxes.** Any sales or use taxes that apply to sales to Customer will be added to Customer's invoices.
- (e) **Pricing Adjustments.** Upon prior written notice, Kelly may adjust pricing:
 - i) To reflect the impact of inflation upon our costs by an amount not to exceed the year over year change in the Consumer Price Index for the preceding twelve (12 months); or
 - ii) If any law, regulation and/or policy is enacted that is applicable to either Kelly or Customer that requires an increase and/or additional compensation and/or benefits to Assigned Employees, Kelly may change the pricing for the current school year(s) contained in Exhibit A. The pricing in Exhibit A shall be adjusted to reflect the actual cost increase to Kelly reasonably calculated on a direct or pro rata basis; or
 - iii) For changes in sales, use, or gross receipts taxes; or
 - iv) For changes in (a) the Customer's requirements (e.g., requisition, billing and invoicing processes; the introduction of third-party software systems and processes), (b) service levels, or (c) service delivery method; or
 - v) To ensure that the pay rates comply with federal and state laws and regulations regarding minimum wages and overtime compensation; or
 - vi) If market conditions dictate that Kelly must pay a higher wage in order to attract Assigned Employees.

The requirements of Paragraph 15(f) of this Agreement will not apply to price adjustments related to the Consumer Price Index and/or government mandated increases as described in this section and will be communicated and adjusted solely at the discretion of Kelly upon thirty (30) days' written notice to Customer (e.g. by e-mail or registered mail).

- (f) **Expenses.** Expenses (e.g., mileage) and all costs and administrative fees associated with required screenings and drug tests will be charged to the Customer, passed through without mark up.

8) TIME, BILLING AND AUTOMATED SCHEDULING

(a) **Documentation of Time Worked.**

The Customer agrees to review documentation of time worked by the Assigned Employees in the designated scheduling system. In a system with a time approval feature, the Customer agrees to approve and sign, by signature or electronic means, record of time worked by the Assigned Employees and will designate one or more representatives to approve the time record on its behalf. If the Customer representative is unavailable, the Kelly representative responsible for the Customer assignment (or other Kelly representative authorized by Customer) may approve the record on Customer's behalf or it may be approved in accordance with (b) below. Customer will use reasonable efforts to assist Kelly in the retrieval of missing or unsubmitted substitute teacher time sheets.

(b) **Submission and Approvals**

Electronic approvals in scheduling systems with time approval features require the following:

- i) Substitute teachers will submit time for approval each week. The Customer must approve time entries by Tuesday at 11:59 PM. The Customer will make reasonable efforts to ensure that approving managers take approval action on Tuesday and adhere to this schedule to expedite substitute payroll.
- ii) Approved time for a given week-ending date will be gathered from the system on Mondays, Tuesdays, and Wednesdays. On Wednesdays after 12:00 am, all non-rejected time sheets that have been submitted for approval will be considered approved-in-full by the school and sent for payroll processing.
- iii) All Customer representatives who approve the time entries of the Assigned Employees must have school-issued, active e-mail accounts.
- iv) Each school should assign an administrator to approve substitute time sheets each week. A backup administrator should also be designated to approve time sheets in the event of the first administrator's absence.
- v) All adjustments to approved time will be handled outside of the scheduling system. The scheduling system will not be updated to reflect the adjusted values.

(c) Non-Exempt Assigned Employees and Overtime

i) **Non-exempt Assigned Employees.**

Some Assigned Employees may be deemed as non-exempt employees under federal or state wage and hour laws (e.g., (1) states that designate teachers as non-exempt, (2) licensed teachers not performing the customary duties of a classroom teacher, or (3) Assigned Employees that are not licensed teachers and assigned to perform clerical, administrative, janitorial, or cafeteria duties). Assigned Employees who are designated as non-exempt or are performing non-exempt work are entitled to overtime pay.

ii) **Overtime; Meal and Rest Periods.**

Kelly shall pay nonexempt Assigned Employees overtime pay in accordance with applicable federal and state law at a rate of one and one-half times their regular rate of pay for all hours worked over 40 hours in any given workweek and bill the Customer accordingly.

Kelly shall adjust its overtime payments to comply with state laws that may impose additional or different requirements than federal law and bill the Customer accordingly. For example, under California's wage and hour law, nonexempt employees must be paid overtime for any hours worked in excess of eight hours in one workday or 40 hours in one workweek.

Kelly will base overtime pay on hours actually worked. For example, hours paid for vacation, holiday, sick, or paid time off will not be included in calculating overtime.

In those states that require non-exempt employees to have meal and rest periods, non-exempt Assigned Employees must accurately record their meal and rest periods in accordance with Section 8 (a) above.

(d) Automated Scheduling

- i) Kelly may provide a scheduling system for automated scheduling and absence reporting in some situations. Among other things, the program would enable Kelly to provide the Customer with certain reports and information related to regular teacher absences and substitute teacher staffing coverage and permit the Customer and its designated representatives to schedule regular teacher absences. Implementation of the scheduling system would require that the Customer provide certain information concerning the employment positions that the Agreement for Educational Staffing covers and the personnel currently in such positions.
- ii) Any information that the Customer provides Kelly for purposes of implementing the scheduling system will be used in connection with the educational staffing services that Kelly provides. Kelly will not use such information for any other purpose without the Customer's prior written consent.
- iii) Information in reports that Kelly furnishes to the Customer which are generated based on the scheduling system will contain information that the Customer's personnel provide upon accessing and using the scheduling system. Accordingly, the accuracy of such information depends on the accuracy of the information provided by the Customer's personnel. The Customer will be solely responsible for verifying the accuracy of such information.

9) WORKERS' COMPENSATION AND LIABILITY INSURANCE

Kelly will, at its own expense, provide and keep in full force and effect during the term of this Agreement the following kinds and minimum amounts of insurance:

- (a) **Workers' Compensation.** Workers' compensation statutory coverage as required by the laws of the jurisdiction in which the services are performed and includes alternate employer endorsement;
- (b) **Employer's Liability.** Employer's Liability insurance with a limit of \$1,000,000;
- (c) **Commercial General Liability.** Commercial general liability insurance with a \$1,000,000 per occurrence and includes bodily injury and property damage coverage;

- (d) **Commercial Automobile Liability.** Commercial automobile liability insurance with a \$2,000,000 combined single limit on vehicles owned, leased, or rented by Kelly while performing under this Agreement;
- (e) **Umbrella Liability Insurance.** Umbrella liability insurance to be used in excess of the liability policies with \$15,000,000 combined single limit per occurrence; and
- (f) **Commercial Blanket Bond.** A commercial blanket bond with limits of \$3,000,000 in the aggregate per occurrence and includes coverage of employee dishonesty to the extent Kelly failed in its responsibilities in Section 3 of this Agreement.

Kelly will provide Customer with a certificate of this insurance coverage upon request.

10) INDEMNIFICATION BY KELLY

- (a) Kelly will indemnify, defend and hold harmless Customer and its directors, officers, employees and agents, from and against all demands, claims, actions, losses, judgments, costs and expenses (including reasonable attorney fees) (collectively "Damages") imposed upon or incurred by Customer to the extent arising out of any of the following:
 - i) Kelly's failure to comply with its obligations under applicable employment-related laws, regulations or orders in Kelly's capacity as the general employer of the Assigned Employees;
 - ii) Breach of any obligation of Kelly contained in this Agreement; or
 - iii) Any direct claim for workers' compensation benefits for job-related bodily injury or death asserted against Customer by any Kelly employees (including Assigned Employees) or, in the event of death, by their personal representatives.
- (b) Kelly's obligation to indemnify, defend and hold harmless will not apply to: (i) indirect, special or consequential Damages (ii) claims that do not result in a finally adjudicated claim of damages against Customer brought by a third party, (iii) the extent that Damages are due to Customer's failure to fulfill its duties under Section 4, (iv) the extent that any Damages, except for the payment of workers' compensation benefits, are the result of any negligent act or omission or intentional misconduct of Customer, its officers, employees or agents, or (v) the extent that Customer is required to indemnify Kelly against such Damages under Section 11.

11) INDEMNIFICATION BY CUSTOMER

- (a) To the extent permitted by law, Customer will indemnify, defend and hold harmless Kelly and its directors, officers, employees and agents from and against all damages imposed upon or incurred by Kelly, other than for job-related bodily injury or death of an Assigned Employee, arising out of any of the following:
 - i) Customer's failure to comply with its obligations under applicable laws, regulations or orders; or
 - ii) Breach of any obligation of Customer contained in this Agreement;
- (b) Customer's obligation to indemnify, defend and hold harmless will not apply (i) to indirect, special or consequential damages or (ii) to the extent any damages are caused by any negligent act or omission or intentional misconduct of Kelly, its officers, employees or agents.

12) NOTIFICATION OF CLAIMS

- (a) Customer and Kelly agree (i) to notify each other in writing of any asserted claim within ten (10) days of either discovery of the occurrence upon which the claim may be based or learning of the claim, whichever occurs first, and (ii) to permit Kelly or Customer, as the case may be, to defend the claim at the option of the party against whom the claim is asserted, with counsel acceptable to such party, which consent will not be unreasonably refused.
- (b) Neither party will pay or agree to pay any asserted claim under this Agreement without prior written approval from the party against whom the claim is asserted, which approval will not be unreasonably withheld; provided that approval on behalf of Kelly must be obtained from the Kelly Law Department in Troy, Michigan.

13) TERM; TERMINATION

If all deadlines are met, the term of this Agreement begins as of the date first shown above and will continue in effect until canceled by either party upon allowing not less than ninety (90) days prior written notice to the other. Kelly reserves the right to terminate this Agreement immediately in the event of non-payment. Further, Kelly has the right to terminate this Agreement should any student or Customer employee physically or verbally assault or injure an Assigned Employee and Customer does not respond to the incident to Kelly's satisfaction. In the event of termination, this Agreement will continue to govern the parties' rights and obligations with respect to services performed prior to termination.

14) NON-SOLICITATION

Unless otherwise agreed to in writing, neither party shall hire or solicit the employment of the other party's regular, full-time employees (i.e. employee working for Kelly in a role other than as "Assigned Employee") during the term of this Agreement and for a period of twelve (12) months thereafter. This provision shall not apply to a party's generalized recruiting practices.

15) MISCELLANEOUS

(b) Severability; Waiver

The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement. Any delay or waiver by a party to declare a breach or seek any remedy available to it under this Agreement or by law will not constitute a waiver as to any past or future breaches or remedies.

(c) Assignment

Kelly may assign this Agreement without the prior consent of Customer. This Agreement will be binding upon the parties hereto, and their successors, heirs and assigns, as permitted.

(d) Independent Contractor

In its performance of this Agreement, Kelly will at all times act in its own capacity and right as an independent contractor, and nothing contained herein may be construed to make Kelly an agent, partner or joint venturer of Customer.

No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations to make payments to the other party hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the affected party's reasonable control, including, without limitation: (i) acts of God; (ii) flood, fire, pandemic, earthquake or explosion; (iii) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (iv) government order or law; (v) actions, embargoes or blockades in effect on or after the date of this Agreement; (vi) action by any governmental authority; (vii) national or regional emergency; (viii) strikes, labor stoppages or slowdowns or other industrial disturbances; and (ix) shortage of adequate power or transportation facilities. BACKGROUND:

Sabrina Lindsley has submitted official transcripts verifying the completion of additional college coursework beyond a bachelor's degree. Based on district salary schedule guidelines, this qualifies for advancement from the Bachelor level to Bachelor +15.

The adjustment reflects the district's commitment to recognizing continued professional growth and academic achievement among staff.

The salary adjustment will result in a marginal increase in compensation, which is already accounted for within the district's personnel budget.

RECOMMENDATION:

It is recommended that the Governance Board approve the acceptance of transcripts for Sabrina Lindsley and authorize movement on the salary schedule from Bachelor to Bachelor +15, effective immediately.

Academic Transcript Key

The Academic Transcript is a comprehensive statement of attempted and verified learning designed to illustrate and communicate how the student has met program competencies and corresponding learning outcomes. The transcript reflects the student's permanent academic record, comprised of all courses set into registration, competency units received, certifications/credentials earned, honors/awards received, and degrees conferred.

Accreditation

Western Governors University (www.wgu.edu) is institutionally accredited by the Northwest Commission on Colleges and Universities. Please see the institutional catalog for additional accreditations (<https://www.wgu.edu/about/institutional-catalog.html>).

Competency Based Education

Western Governors University (WGU) grants degrees and certificates based on the demonstration of competencies. Competencies for every degree and certificate are developed by national panels of experts in the field. The competencies represent the knowledge and skills considered essential for effective performance as a graduate of the particular degree or certificate program.

Competency Units (Credit)

One competency unit is equivalent to one semester credit of learning.

Class Levels

0-23 units	= first year or freshman level
24-47 units	= second year or sophomore level
48-71 units	= third year or junior level
72-95 units	= fourth year or senior level
96+ units	= fifth year or fifth year senior level

Term

Western Governors University enrolls degree-seeking students on the first of every month, and terms are six months in length (this includes post-baccalaureate, endorsement, and post-master's programs). Non-degree programs vary in length, and students can begin at any time.

Full-Time Enrollment

Undergraduate students are required to enroll in 12 competency units for full-time status. Graduate students are required to enroll in 8 competency units for full-time status. Depending on their levels of expertise and how much time they can devote to their studies, students may complete additional competency units in a given six-month term. Full-time enrollment requirements do not apply to students enrolled in non-degree programs.

Grading System

Academic Transcripts include eight possible marks:

- **Passed:** Certifies successful completion of a course of study. A student has demonstrated required competencies by passing the final assessment with a grade equivalent of "B" or better or 3.00 grade points on a 4.00 scale.
- **Not Passed:** Indicates the student did not complete the required assessment(s) to demonstrate competency before the end of the term.
- **Requirement Satisfied:** Recognizes that a student has satisfied the requirements of a course of study through alternate coursework that may not be directly transferred.
- **Transfer:** Signifies that the student has completed equivalent coursework or holds certifications or licenses that comply with WGU transfer credit policies.
- **Withdrawn:** Represents that the student was withdrawn from WGU or course before term completion.
- **Dropped:** Verifies that the course was dropped from term registration and is not included in attempted units.
- **Incomplete:** Indicates an arrangement between WGU and the student to complete the course before an agreed upon, later date. The student has not completed the entirety of the coursework and/or the final assessment has been deferred.
- **In Progress:** Indicates a course was not completed within the term because the course, by design, requires a fixed period of time, more than one term to be completed, and/or is not intended to be bound by the term structure of WGU.

Western Governors University does not calculate a grade point average (GPA) or class rank.

Removal from Academic Program

Removal from Academic Program indicates removal from the student's degree program.

Disciplinary Expulsion

Disciplinary Expulsion indicates permanent separation and removal from the University.

Note for Academic Transcripts Prior To October 2004

Prior to October 2004, Western Governors University was a non-term institution for Federal Financial Aid Title IV purposes. All courses of study completed prior to October 2004 do not carry a term designation since the courses of study and terms were non-standard in length.

Note for In Progress Grades

Terms starting prior to July 1, 2025, "In Progress" grades are calculated as attempted and completed. Terms that began on or after this date, "In Progress" grades are calculated as attempted but not completed.
